1907.

With a New Year we begin a new volume of the Magazine, and wish our Readers a HAPPY NEW YEAR and God's blessing upon all we undertake and all we accomplish in the year before us.

CHRISTMAS DAY was bright and beautiful. The services were well attended. The Alms during the services amounted to £2 19s 7½d. for the Church Restoration Fund.

On December 12th, about half-past eight in the morning, one of the sails of the mill fell to the ground just as the mill was started. Fortunately Mr. T. Barlow, the miller, on starting the mill had just left the gallery which was smashed by the fall of the sail. The mill is such a feature of East Bridgford, and in itself always a picturesque object, that we hope to see it restored with its full complement of sails again, and express our regret to Mr. Stokes, the owner of the mill, for the misfortune that has befallen it.

On Christmas night the heaviest fall of snow that we have had for some years occurred, and the whole of England was deep in snow. Though it has not lasted long we are experiencing very cold weather, and the thaw has caused the Trent to rise rapidly.

NEW YEAR'S TEA.—Our annual gathering was held on New Year's Day. 197 sat down to tea at tables provided by Mrs. Barker, Mrs. Field, Miss Fox, Mrs. Hill, Mrs. Hooley and Mrs. Turner. The entertainment which followed at 7 o'clock included stories of "Beachy Head" and "Marley's Ghost," illustrated by lantern slides; the following songs—Mr. Waterfield, "The anchor's weighed"; Mr. J. Hooper, "True till death"; Mr. H. Pick, "Jack's the boy for me"; Mr. S. Clegg, "I am not fair"; trio, "A tavern in the town"; a Gramophone performance contributed by Miss Cooke; an amusing reading by Mr. Goldston, and handbells by Messrs. J. Stanley, A. Smith, F. Upton and the Rector. When the expenses have been defrayed and accounts made up we hope to find a balance for the Church Restoration Fund.

We are sorry that the Band of Hope Christmas entertainment had to be postponed owing to the death of Mrs. Sharp who at a great age was called to her rest on Christmas Day. We offer our sympathy to her friends.

On Sunday, December 23rd, the organ was used again in the Church services for the first time since 1902 when it was taken down and stored away at the Church restoration. It was necessary to enlarge the organ chamber and entirely reconstruct the organ, and as it was of the utmost importance not to incur any debt we have waited until the necessary funds were raised. At each service during the day a special prayer of dedication of the organ to God's service was used.

The following subscriptions for the Organ have been received since the last acknowledgment in the Magazine.—

On Tuesday, January 22nd, a special Service of Dedicetion will be held at 7 p.m. and a Recital given upon the organ by Mr. Francis Burgess, organist and choirmaster of St. Columb, North Kensington, W., and general secretary of the Church Crafts League. The seats in Church are free and a collection will be made for the Church Restoration Fund as a thank offering for the organ now again used for the service of God.

HOSPITAL SUNDAY.—Sunday, the 20th January, is appointed as Hospital Sunday, when our Alms are asked on behalf of the valuable institutions which do so much to relieve suffering. The Secretary of the Hospital Sunday Committee writes to say that if anyone would like to look over the Nottingham General Hospital he would be most pleased to meet them there, by appointment, and show them through the Institution.

THE NATIONAL SCHOOL.—The Rev. T. W. Swann, Diocesan Inspector of Religious Instruction, visited our School on December 14th, and was extremely pleased with the result of his inspection, of which he gives the following report:—"The children in all three divisions passed an excellent examination. The infants have been cheerily taught and were interested in their work. Much pains must have been spent on the Middle and Upper Divisions: their answering was most general and intelligent. Memory work was well-known. Tone and order are very good."

THOMAS W. SWANN, *Diocesan Inspector.*

The Rector's prizes have been awarded to the following, who distinguished themselves most in the examination.—Division I. (Infants)—Poyntz Blagg and Elsie Crossland. Division II. (Middle)—Evelyn Manchester and Sarah Crossland. Division III. (Upper)—Edward Manchester and Edward Ellis.

The Church Sunday School had their Christmas Tea on Thursday, January 3rd, and enjoyed a Magic Lantern exhibition. The prize-winners in the various classes were:—Boys I., Percy Goldston and Edward Manchester; II., Rowland Upton; III., William Waterfield; IV., Evelyn Manchester. Girls I., Gertrude Poole; II, Jessie Pacey; Infants: George Wilkinson and Polly Waterfield.

TEMPERANCE SOCIETY.—The following arrangements have been made for meetings and addresses: Tuesday, January 15th, Mr. James Walker, of Tithby; Tuesday, February 5th, Mr. Frank Adkins.

## LENT, 1907.

On Ash Wednesday, the first day of Lent, Feb. 13th, the services will be as follows:—8 a.m. Holy Communion, 11 Morning Prayer, 7.30 Evening Prayer with sermon.

There will be a service on the other Wednesdays at 7.30, during Lent, at which I hope to arrange for special preachers.

The Bishop of the Diocese will hold a Confirmation in this neighbourhood on March 25th. I ask that the names of those who desire to be confirmed may be given to me as soon as possible. A.D.H.

The proceeds of the New Year's tea, for the Church Restoration Fund, amounted to £2 12s. 8d.

A meeting of the committee of the Jalland Library was held at the National School on Thursday, Jan. 17th, present: Rev. E. P. Weatherell, Messrs. T. Jesson, E. Coville, T. Euerby, A. W. Mason, H. Forrest, and Rev. A. D. Hill (chairman). It was thought desirable to call the attention of the inhabitants of East Bridgford to the advantages of the library, which contains a large number of books. The subscription is only 1/- per annum, and the library is open for the exchange of books every Monday from 6 to 7 p.m. It was also proposed to print a new catalogue as soon as funds permit.

The Temperance Society has arranged for a lecture by Mr. Frank Adkins, of the Church of England Temperance Society, on Tuesday, February 5th, at 7 p.m.

## BRIDGFORD 70 YEARS AGO.

Well, Bridgford has gone down since those days! Why, I can remember, back in the year the queen was crowned, what a lot of work there was, which has all gone now. First the malting, though at that time men were mostly employed by the week from elsewhere. There were four at the old malthouses by the river, one at Poole's, one at Matt. Millington's, that's six maltsters. Then the four brickyards employed nine men and perhaps 12 lads, at the Potteries, Herod's yard, Doncaster's (Brickyard Lane), and the Foss yard. Then the boats, 4 boats belonging to W. Huskinson, M. Millington, F. Poole, and J. Holloway, 3 men to each boat; and later 3 large gravel boats as well, with 5 men to each, owned by R. Chapman, J. Hill and W. Richardson. So these occupations gave employment to about 40 men.

Then there were the stockings, with 2, 3, or sometimes 6 or 7 frames in a house, worked by the family. I can remember 5 stockings on Cuttle Hill, with their song as they threw the shuttle across:—

“ Ray, Rah, Rat-tat-tat-tat,

Water porridge and hardly that.”

There were 7 more along the Kneeton road; 3 Straw's and Brown's lanes; 5 in New Buildings; 6 in the main street, Millgate, etc. That makes 26 stockings, with an average of three frames in each house, perhaps 80 frames at work. The frames mostly belonged to Wilson's of Nottingham, and were paid for by the work done.

The Joiners were Wm. Mason and Thos. Freeman, in Kneeton Road, James Millington at the Church Corner, and Sam Millington where S. Wilkinson's shop is now. There was W. Huskinson the wheelwright, followed by Barnes. The backsmiths were Wm. Richardson, Ben. Walker, whose father's iron coffin stood an hour at the Church gate for all the folks to see it; and W. Walker the first man to make drills,—one of his drills was drawn by ropes across the Trent when it was frozen over.

Ah! there was a very deal more going on in Bridgford then.

[I am much indebted for these memories of old times to Mr. John Dent, and Mr. Sam Curtis. A.D.H.]

On Tuesday, January 22nd, a thanksgiving service for the restoration of the organ was held in East Bridgford Church at 7 p.m. Mr. Francis Burgess, F.S.A. (Scot.), organist and choirmaster of St. Columb's, North Kensington, kindly undertook to accompany the service, and to give a recital of organ music which would serve to show the capabilities of the improved instrument. The large congregation evidently appreciated the service and were pleased with the organ. There was no sermon, but the thought suggested by the first verse of the lesson read, must have been in the minds of many of us:—  
“A door was opened in heaven; and the first voice which I heard was as it were of a trumpet talking with me; which said, ‘Come up hither.’”

The service was a shortened evensong, processional hymn, 603, the Psalm cviii, the lesson, Rev. iv., the anthem “O praise God in His Holiness” *Weldon*. Being the day of the King's accession, the concluding prayers were taken from the service appointed for that day. Then Mr. Burgess played the following:—

1. Minuet and Trio, (Dr. Brewer, organist of Gloucester Cathedral).
2. Pastorale in E. (E. H. Lemare, formerly organist of St. Margaret's, Westminster.  
Hymn, 308, "O praise ye the Lord."
3. Pilgrim's Chorus from Tannhauser (R. Wagner)
4. Overture to "The Maester Singers" (R. Wagner).  
Hymn, 166, "All people that on earth do dwell"
5. Cradle Song (E. H. Lemare).
6. War March of the Priests (Mendelssohn).  
Te Deum Laudamus  
The Blessing.  
God Save the King.  
March in Scipio (Handel).

The collection which was made for the Church Restoration fund, was £2 3s. 3½d.

It may interest some of our readers to have the following specification of the organ, and to know that Mr. Burgess was thoroughly satisfied with the work that has been done and with the tone of it. Messrs. P. Conacher have entirely rebuilt and re-arranged the organ and renewed the mechanism; the additions being 12 lower pipes to the Oboe, and 12 upper pipes to the Bourdon, and tubular pneumatic action to the pedals, wind pressure raised from 2¾ inches to 3¼ inches.

## LENT—EASTER, 1907.

A Service, with a Sermon, is held on each Wednesday during Lent at 7.30 p.m. The Rev. T. E. S. Ferris, St. John's Mission Church, Ilkeston, will continue his course of four sermons on the Lord's Prayer, on Wednesday evenings, March 6th and 13th. On the 20th, the Service will be one of preparation for the Easter Communion.

On Thursday, March 21st, the annual meeting in aid of the Home Mission work of the Additional Curates Society will be held, and the Rev. F. C. Pheasant, District Secretary, will give an illustrated lecture on the subject of which further notice will be given with particulars. The meeting is free, and a collection will be made in aid of the Society's funds.

THE Bishop of the Diocese will hold a Confirmation at Car Colston Church on the Monday before Easter, March 25th, at 3 p.m.

HOLY WEEK AND EASTER.—There will be a Celebration of the Holy Communion on Monday, March 25th, the Feast of the Annunciation, and on Thursday in Holy Week at 8 a.m.

On GOOD FRIDAY the Services will be at 8, 11, 2 (short addresses and hymns, and 7.30 (with sermon). On this most solemn day, the day of our Blessed Lord's Crucifixion, do let us try to keep before us the remembrance of this great event, and join, so far as we have the opportunity, in the services of the Church.

On EASTER DAY, March 31st, there will be celebrations of the Holy Communion at 7, 8 and mid-day. On this day, the chief festival of the Church's year, it is our bounden duty to make our great sacrifice of praise and thanksgiving in the Holy Eucharist, as the "remembrance" before God which our Lord himself has appointed for us, and to present as "a living sacrifice" ourselves, our souls and bodies before the throne, in union with His completed sacrifice.

The Hospital Sunday Collection on January 20th, of £2 12s. 6d., should have been recorded in the February Magazine. Two guineas were sent to the General Hospital, and half-a-guinea to the Hospital for Women.

THE CHORAL SOCIETY will give a performance of "The Messiah" (Handel), on Tuesday, March 26th.

On Sexagesima Sunday a Pastoral letter from the Bishop was read in all the Churches of our Diocese of Southwell, in which he called the attention of Church people to the Diocesan Fund for the extension of the Church, Work. Referring to the total amount collected last year, of £2,500, of which £800 was received through Church Collections, the Bishop wrote as follows: "You have done well, but we must not now stay our hand. The work is great and the needs are many. Vast parishes are terribly lacking in a proper supply of Churches, Mission rooms and living Agents, whilst there falls upon us still, and I hope for ever, great responsibility in connection with Religious Instruction in Day and Sunday Schools in every parish, small or great. That your offerings have brought encouragement already is sure, but their real value lies in this, that they go to prove how deep and therefore how quiet is the affection and love for the ancient Church of our Fathers." The amount collected for this fund on "Diocesan Sunday" Feb. 17th, was £3 17s. 5½d., which is a good advance, we are glad to note, upon previous year's collections.

THE EASTER VESTRY Meeting will be held on Tuesday in Easter week, April 2nd, at 7.30 o'clock, in the School, for the election of Churchwardens, the appointment of Sidesmen, and the presentation of the Churchwardens' accounts, with such other matters as may be brought forward.

At a meeting on Tuesday, April 9th, at 7.30 p.m., those qualified to vote will be asked to elect two Lay Representatives for this Parish who will be summoned to the Conference of the Rural Deanery, in accordance with the general scheme of forming a Representative Church Council.

Persons qualified to vote are Male resident parishioners and Female resident parishioners if entitled by ownership or occupation to vote at the Vestry, who are actual communicants, or who have the status of communicants.

A notice has been placed in the Church Porch requesting those qualified to vote to place their names on a Register for that purpose. This may be done in the Vestry in Church after any service on Sunday, March 17th, or by application to the Rector or Churchwardens, or at the Meeting.

THE GIRLS' FRIENDLY SOCIETY Social Gathering took place at the Rectory on Feb. 7th. The members and their friends, making a party of 57, enjoyed their customary pleasant evening with great enthusiasm.

On Feb. 10th and 11th theatrical entertainments were given, under the direction of Captain Jeffcock, in aid of the funds for the District Nurse.

EASTER DAY, the last day of March, was attended with beautiful weather, and though the season is early for a supply of flowers, the chancel was well decked with them. In the evening the choir sang the anthem "They have taken away my Lord" (*Stainer*), from S. John xx. 2, 13, 16. and Cor. xv. 55, 57. There were three celebrations of the Holy Communion, at 7, 8, and mid-day, at which there were in all 124 Communicants.

THE Easter offerings, which were for the Church Restoration Fund, amounted to £5 13s. 6d.

THE Collections on Good Friday for the London Parochial Missions to the Jews, were 15s. 10d.

A Confirmation was held at Car Colston Church, by the Lord Bishop of Southwell, at 3 p.m. on the Feast of the Annunciation, Monday, March 25th. There were 61 candidates (31 males, 30 females) of whom 9 came from East Bridgford.

There is much needed for the Church a suitable Font ewer, which would cost from two to three pounds. The lamps in the nave are nearly worn out, and should be replaced if possible with hanging lamps like those in the chancel. If any friends should desire to make any of these a gift to the Church, will they apply to the Rector, who has fitting designs ready?

THE Easter Vestry meeting was held on Tuesday, April 2nd, at 7.30 p.m. The Churchwardens' accounts for the Church expenses of the past year were presented as given below. It was decided to apply the balance in hand towards the payment of the interest on the overdraft at the Bank in the Church Restoration Fund, which is a liability resting on the Churchwardens.

Mr. J. Turner and Mr. R. Swanwick, having been heartily thanked for their services during the last year, were re-appointed Churchwardens, and the following were appointed to serve as Sidesmen:—Messrs. W. Daft, C. Millington, C. Allwood, E. Coville, T. Euerby, and D. Gower.

The Choral Society's Concert, postponed from March 26th, will be held on April 18th, when Handel's "Messiah" will be performed in the Temperance Hall. Mrs. S. B. THE Annual Meeting on behalf of Home Missions in populous places, took place in the Temperance Hall on March 21st, when the Rev. F. C. Pheasant, organising Secretary for the Additional Curates' Society, gave an interesting lecture on the growth of the extensive and populous parish of Brymbo in Wales, illustrated by lime-light views. A collection of 10/- was made in the room.

A Concert was given in the Temperance Hall on March 28th, consisting of a Cantata entitled, "Day and Night," under the direction of Mrs. W. Richardson, which was well attended. The proceeds were given to the Primitive Methodist Chapel Fund.

A meeting was held on April 9th of those who have enrolled their names on the Register of Church Voters, for the triennial election of the Lay representatives for this parish. The two Churchwardens, Mr. J. Turner and Mr. R. Swanwick, were unanimously elected. The first meeting of this Conference of the Bingham Rural Deanery is to be held on April 30th, when the Lay Representatives for the Diocesan Conference will be chosen, to represent the Deanery to which our parish belongs.

CRICKET CLUB.—We are glad to be able to announce that the balance of £3 8s. 10d. owing on the Pavilion Fund, as stated in the published balance sheet, has now been cleared off. The Whist Drive which was held on on February 8th, realized £3 19s. 9d. for the fund, and this, with an additional subscription of 2/6 received from Mr. J. Fox, leaves a balance in hand of 4/4, which has been placed to the general fund.

A Sale and Entertainment held in the Temperance Hall on Thursday in Easter Week, April 4th, in aid of the Church Restoration Fund, was a thorough success. The Hall was opened at 3.30 p.m., and the entertainment was continued until 10 p.m. Admission was 1/-, and after 6 p.m. 3d. There was a stall for the sale of work and other articles, superintended by ladies of the Working Party. Refreshments and tea were provided at a table presided over by Miss Millington and Miss Eggleston and other helpers. During the afternoon two theatrical performances were given, which were repeated again in the evening, and received well deserved applause. The first was entitled "Washing Day," the performers being all children.—E. Manchester, R. Upton, R. Moss, W. Waterfield, C. Wilsdon, acted the men's part; Eva and Winnie Bateman, Maggie Smart, Maisie Dent, and Beatrice Guy, the washerwomen: Honor and Joyce Chandley and Polly Waterfield, the Fairies, the first of whom executed a delightful skirt dance. The second performance was a play, "Love in a mist," in which the actors were Miss Hooley, Miss G. Hooley, Mr. Chandley and Mr. Hodgkinson. A piano duet was performed by Eva and Winnie Bateman, and songs by Messrs. Waterfield and Hooper. Best thanks are due to all who so willingly helped, and especially to Miss Sharp and Miss Hooley, who superintended the children's performance, Mr. Chandley as Stage Manager, Mr. Swanwick, and Mr. Sharman, who kindly erected the stage. The proceeds, after paying expenses, amounted to £18.

The Choral Society's Concert took place on April 18th, when the "Messiah," which has been practised throughout the winter, was performed. The vocalists were Mrs. S. B. Hall (soprano), Miss N. Wright (contralto), Mr. H. Smith (tenor), Mr. E. Hadley (Bass). Very valuable assistance to the rendering of the Oratorio was given by an orchestra composed of:— 1st violins, Mr. J. Whitehead (leader) and Miss Vowles; 2nd violins, Mrs. Hills and Miss Chicken; viola, Mr. Woods; violoncello, Miss Fox; bass, Mr. Dallas Edwards; Mr. Doncaster, Organist, and Mrs. J. Wilkinson, Pianist. The Conductor, Rev. J. Standish, deserves our best thanks for the pains he has taken to make the performance so successful.

The net proceeds of the concert were about £6 10s. 0d., from which the Society hopes to make a contribution to the East Bridgford District Nursing Fund.

THE Festival of Whit-Sunday on May 19th was marked by three celebrations of the Holy Communion at 7, 8 and midday. The collections during the day for the Church Restoration Fund, amounted to £2 13s. 5½d.

ON WHIT-MONDAY the Festival Service of the Oddfellows club took place at 11.45. It is a great pity that many members of the club neglect the excellent old custom of uniting with their brethren in attendance at this service, which is always hearty and bright, and apparently well appreciated by those who are there. The annual dinner took place at the Royal Oak under the presidency of the Rector afterwards.

ON WHIT-TUESDAY the village was gay with the band and banners accompanying the Band of Hope in the afternoon. Tea was provided at 5 p.m. and the customary concert provided in the evening. The soloists were Miss E. A. Broomhead, Miss Gladys Marshall, Miss Lily Marriott, Mr. G. A. Allen, Mr. R. Wilkinson, and Master A. Deverill. The band of Pierrots contributed much to the amusement of the audience.

The weather for the Whitsuntide holiday was unfortunately cold.

FEAST WEEK.—East Bridgford Feast Day is S. Peter's Day, June 29th., and the week in which that day falls is held dear by East Bridgford folk as a holiday time, when absent members endeavour to rejoin the family circle, and those who stay at home brighten up the threshold as a welcome to their friends.

There is however nothing in any ancient records to fix it, and nothing but the living tradition of its observance, which is as vigorous as ever, to indicate the precise time at which the feast should be held. It is probable that it was held originally on the Church Festival of St. Peter's day, when holidays were few and far between, and people were not ashamed to bring religion into daily life by making their thanksgiving to Almighty God, the first act of any holiday, even though it fall on a week day. The feast with its association of festivity and home gatherings, has in accordance with more modern ways, been transferred to a fixed time at the beginning of the last week in June. We may be thankful that the religious side of it is still kept before our eyes by the recognition of Feast Sunday, marked especially as a day of gratitude to Almighty God, for His tender care which guards us, for our home and friends, and for the blessings of this life; and of prayer for the welfare of our Parish and all the agencies for good which are at work in it. Ought not Church people to make this a reality by joining in the great service of the Christian Church, the Holy Communion, as their thanksgiving on Feast Sunday?

Feast Sunday being ruled by S. Peter's Day (June 29th), the custom appears to be that it should be the Sunday of the week in which S. Peter's Day falls. Thus the earliest date for Feast Sunday is June 23rd, the latest date June 29th. The rule may be given that Feast Sunday is the last Sunday in June, except when the last day of the month is Sunday, and then it is the last but one. This rule accords with that followed by our neighbours, for Car Colston Feast Sunday is said to be the Sunday after June 15th, and Shelford Feast Sunday, the Sunday after S. Peter's Day.

The establishment of the Annual Flower Show in 1864 has done much to afford a feature of our Feast Week, being always held on the Tuesday. This year it falls on the earliest possible day, Tuesday, June 25th. This has happened six times before, since the Show was founded, (1867, 72, 78, 89, 95, 1901) and will occur again in 1912 and 1918. The Show can therefore never fall later than July 1st, though from a Horticultural point of view some would prefer that it should be later. But Custom was declared that our Feast Week shall fall in the way that it does, and custom is a difficult customer to tackle.

A Meeting of the Subscribers to the Horticultural Society was held on May 17th, at which the accounts, presented by Mr. H. Goldston, Hon. Sec., were passed, and the following elected as Committee: Messrs. C. Bullers, F. E. Coville, T. Euerby, J. Green, J. Higgs, G. Huskinson, C. Millington, J. Pickford, F. Sharp, H. Shipman, A. Shipman, J. Turner.

CRICKET CLUB.—The following are the results of matches that have been played:—May 2nd, East Bridgford 66, Flintham 21; 11th, East Bridgford, 82, Lowdham 69; 18th, East Bridgford 80 for 6 wickets, Caythorpe 65; 27th, Whatton 99, East Bridgford 71: and 68 for 6 wickets. The fixtures for June are: June 1st, Nottingham Brewery; 8th, Gunthorpe; 17th, Nelson's Ltd.; 18th, Car Colston; 22nd, Bingham; (Feast Week) 24th, Whatton and Aslockton, 27th, Car Colston; 27th, Ladies and Gentlemen; 29th, Caythorpe. There have been three second-eleven matches played, in all of which the East Bridgford team was the winner.

The Temperance Hall Committee have put out an appeal for funds to repair and paint the Hall and to provide a new heating apparatus. A Jumble Sale is to be held for this object on Saturday, June 8th.

Our Feast Week opened with unpropitious weather, and the cold and rain have interfered with the enjoyment of our Midsummer holiday. On Sunday, June 23rd, the Services commemorated the Dedication Festival of our Church, the Anthem, "O praise God in his holiness" ((Ps. cl.) being sung in the evening. The Alms during the day, £2 2s. 5d. were given to the Church Restoration Fund.

EAST BRIDGFORD HORTICULTURAL SOCIETY.—The Forty-Fourth Annual Show was held in Mr. Turner's field on Tuesday, June 25th. A meeting was held at the Rectory at 3.30 p.m. on June 11th (S. Barnabas Day) of Members and those interested in the work of the Mothers' Union, at the invitation of Mrs. Hill. About 45 were present. The Rector, after the opening prayers, reading Prov. vi. 20-23, pointed out how almost all the Bible is built up upon the great principle of family life. God is the author of parental affection and rule. His promises from the first were to a family who should follow their father's obedience and faith; His warnings against sin were enforced by the awful truth that the children are involved in its consequences. Happy homes, respected lives, the prosperity of the land, are the rewards of the keeping the fifth commandment. His greatest revelation of Himself is as a loving Father: the picture of most perfect devotion, His Own Son.

Mrs. Richardson then gave an address, pointing out the value of prayer in the formation of character, and the value of character as a power contributing to the happiness of home and family life.

The Rev. J. W. P. Chapman will take the services in Church during the absence of the Rector from Sunday, July 21st.

A Meeting of Subscribers to the School will be held on Friday, July 12th, at 8 p.m., to elect two Managers in accordance with the Trust deed.

The Annual Festival of the Bingham Branch Girls' Friendly Society took place at Car Colston on Thursday, July 11th. A Service was held in the Church at 2.45, by the Rev. E. Robinson, Vicar of Car Colston followed by the admission of about 20 new members, of whom three were from East Bridgford. A capital tea was provided in the Vicarage barn, after which the Branch Secretary, Miss Robinson, made a statement of the progress of the Society during the past year, and read out the names of those who were to receive bonuses on savings, faithful service cards, and marriage cards, which were afterwards presented on the Vicarage Lawn.

Miss Maude Thompson, member of the Central Council of the G.F.S. gave an excellent address which her hearers will do well to lay to heart and carry out in their lives, upon the five aims of the Society, Purity, Truthfulness, Faithfulness, Temperance, and Thrift. It is hoped that a fuller account of the festival, written by one of our members, will appear in the next issue of the G.F.S. monthly leaflet.

We deeply regret to record the death of Mrs. Beaumont, at East Bridgford, on Tuesday, July 16th, after several months of failing health.

A Meeting of Subscribers to the East Bridgford School was held on Friday, July 11th, for the purpose of appointing two foundation Managers for the ensuing three years, at which the Rev. E. P. After the wet and changeable early part of the summer, the weather at last has become more settled and warm. The Harvest, much later than last year, began about August 19th in this neighbourhood and is progressing favourably. The Harvest Thanksgiving Services will be held, God helping us, on Thursday, October 10th, at 7 o'clock and on the following Sunday, October 13th.

The Church Sunday School enjoyed a Treat on Monday, August 26th. The Misses Fox, being away from home, invited the children and teachers to Hoveringham instead of to the garden at The Hall. A party of over 80 started at 2 p.m. in a large coal-boat, and spent a very pleasant afternoon in the grounds of the "Old Elm Tree" Hotel, by the river, reaching home again about 8 p.m.

In response to a suggestion made in the Magazine some months ago, the Rector has received an offer of a Font Ewer for use in the Church at Baptisms, and also of one new lamp. As it is desirable that more than one lamp should be ordered at the same time, may we not hope that this good example will be followed by others who would be willing to make a useful gift to the Church.

*To the Editor of the East Bridgford Magazine.*

Dear Sir,

May I remind the inhabitants of East Bridgford, through the medium of your magazine, that with the closing of the cricket season, the football season commences. I would like at the same time to publish an account of the doings of the Village Football Club.

The Club was started in September, 1905. Mr. Starkey, M.P., was elected President, and with his aid and that of several gentlemen in the village, including Mr. S. Richardson, who kindly placed the present cricket field at the disposal of the club, it was safely launched.

In the first season nine matches were played, of which Bridgford only won the match against Newton. A record in losses was set up when Bingham played us and beat us by 13 goals to none.

Last year a more arduous programme was arranged, and of fourteen matches Bridgford won five and lost eight, one being drawn. Mr. Starkey was again elected President, with Mr. A. Moreton Mandeville as Vice-President, in company with the village gentry.

Once more we enter upon a fresh season and the club is making a great effort to become a first class team. Matches are being arranged with several Nottingham and Newark clubs as well as with the surrounding villages.

Much more expense will be incurred and the help of the village is earnestly requested. Any contributions whether large or small will be thankfully received by the Secretary.

The Club respectfully beg to tender their thanks to all who have up to the present time so generously contributed to their funds.

Before I close may I beg all the younger men who are in the club and all those who are intending to join, loyally to abide by the rulings of the Committee, and to help to the best of their ability to promote a feeling of good fellowship amongst the members.

Thanking you for allowing me to encroach upon your valuable space to this extent, I am, yours sincerely,

WILL. H. FORREST, Hon. Sec.

A Lawn Tennis Tournament was arranged on August 24th, on behalf of the Nursing Fund. There was a large number of entries and six courts at various houses were occupied. In the semi-finals Mr. and Mrs. Niblett beat Mr. S. Standish and Mrs. Martin, and Mr. Kirby and Miss Standish beat Mr. Stafford and Miss Tankard. In the final, Mr. and Mrs. Niblett beat Mr. Kirby and Miss Standish. The net proceeds are about £6 10s. 0d.

THE Harvest Thanksgiving, as already announced, is to be held on Thursday, October 10th, at 7 p.m. and on Sunday following. The sermon on Thursday will be preached by the Rev. F. S. Boissier, M.A., Vicar of Denby, Derbyshire. The Harvest Thankofferings will be given to the Church Restoration Fund and the Sunday School Fund.

EAST BRIDGFORD INVALID LOAN SOCIETY.—The work of the Loan Society was commenced in a small way many years ago, by Mrs. George Beaumont, Senior, and was continued by the late Mrs. Beaumont for upwards of 45 years, during which time its scope has been largely increased under her care, and its value and utility abundantly proved. The following Report was prepared and signed by the late Mrs. Beaumont shortly before her death, but she became too ill to arrange for its distribution.

East Bridgford, July, 1907.

“Mrs. Beaumont is desirous that a Statement of Accounts to the 30th June last, together with a corrected Inventory of Articles belonging to the Society, should be presented to Subscribers and Friends.

With regards to the Accounts it is satisfactory to observe that the balance at the Savings' Bank has increased since the date of the last account from £7 : 3 : 11 to £14 : 4 : 6, a result which is chiefly due to a successful Concert given in December last.

The articles belonging to the Society, and included in the Inventory, are all in serviceable condition, articles worn out or damaged having been renewed or replaced from time to time.

A pair of Crutches has been presented to the Society by Mr. William Mann, and gratefully accepted.

The Society serves a useful purpose and is a valuable adjunct to the services rendered by the Doctor and Nurse. Mrs. Beaumont hopes that its value as a separate organization will always be recognised, and that it will continue to receive the support which it merits.

Mrs. Beaumont desires to acknowledge the very valuable advice and information which she has received from Dr. Duff in all applications to the Society for assistance, and also from Nurse Musson.

“E. BEAUMONT.”

MOTHER'S UNION.—The next quarterly meeting will be held during the month of October. Mrs. Hodgson, of Barton, has promised to address the members.

A Meeting of the Choral Society was held on Tuesday, September 24th, at which it was decided to continue the practices during the coming winter season. The following Officers were elected: Rev. A. D. Hill, President; Mr. H. Goldston, Treasurer; Mrs. W. Richardson, Secretary; Mrs. J. Wilkinson, Accompanist; Rev. J. Standish, Conductor. Committee: Messrs. E. E. Coville, S. Richardson, F. Sharp and J. Wilkinson, Mrs. Forrest, Miss Clough, Miss G. Fox and Miss Sharp.

The practices will be held on Tuesdays at 7.30 p.m., commencing on October 8th, in the Temperance Hall.

The King Edward Club was re-opened on Saturday, September 21st, at 7 p.m. Mr. G. Cartwright was appointed President, Dr. Duff, Treasurer, and Mr. E. E. Coville, Secretary. The following were elected to form the Committee of Management; Messrs. C. Chandley, A. Ellis, H. Goldston, C. Moor, F. Sharp, and J. Upton. The Club is in a flourishing condition, and starts for the winter season with a balance in hand of £6 7s. 7½d., and 40 Members. It is opened each week-day from 6.30 to 9.30, and the subscription is 1/6 a quarter. It is hoped that others will be disposed to join the club, and take the opportunity of doing so now at the beginning of the season. Application may be made to the Secretary or any of the Committee.

FOREIGN MISSIONS S.P.G.—On Sunday, November 3rd, sermons will be preached in aid of Foreign Missions, and a Meeting will be held on Monday, November 4th, of which fuller notice will be given in due time.

It is not intended to arrange for a tea before the Meeting this year, but we hope that the desire to help in God's Work of extending his kingdom, does not depend only on such incentives, and that we shall have an enthusiastic and earnest company present.

The National School re-opened on September 9th, after four weeks holiday, the Harvest holidays having been shortened this year in order to allow for another week's holiday at the end of this month, when children are required for potato lifting. Miss N. Duffin has been appointed as a teacher in the School. Miss Gertrude Fox has been appointed Manager by the local Education Authority in place of Miss Fox, resigned.

Our thanks are due to those who so kindly subscribed towards the Choir Outing on August 30th. The boys enjoyed their usual excursion to Skegness in beautiful weather; some of the elder members preferred an expedition to Cleethorpes. The expenses are about 15/- more than the amount collected. Will any other friends contribute towards this deficit?

## THE PAN-ANGLICAN CONGRESS, 1908.

Next June there will be held a great Congress of representatives of the Church of England from all parts of the British Empire and its Missionary areas. The subjects for discussion have been carefully chosen, and the delegates who will speak have all given long study to their subjects. The programme is divided into different sections.

Section A. The Church and Human Society, deals with questions of social reform, marriage, trade, etc.

Section B. The Church and Human thought, deals with philosophy, science, and Biblical Study.

Section C. The Church's Ministry.

Section D. The Church's Missions in non-Christian lands.

Section E. The Church's Missions in Christendom.

Section F. The Anglican Communion, and its relation to other bodies.

The last day is given up to Devotional Meetings.

This programme shews what a number of difficult questions arise as the work of the Church in spreading Christianity is carried out, and no doubt much will be gained by having them discussed by those who have been working amongst all the races of the world as well as by all classes among ourselves at home. Such a Congress brings home to us how wide are the interests of the Church of England. People's minds work differently, largely according to their training and the race to which they belong. To find the answer from all countries to the great question "What think ye of Christ?" will help us all to get nearer to the great spirit of Christianity, and to understand better the many problems both at home and abroad with which this question confronts us. So the Congress is sure to be interesting and useful to the Church at large. There are to be public meetings in connection with it in the Albert Hall, London, (the only Hall in London which is large enough) every evening from June 16th to June 23rd, 1908. Those who are likely to visit London next summer might keep this in mind. We may have some further opportunity of learning more about the Congress in our own neighbourhood, and our Readers are asked to remember the purpose of the Congress when they hear of it, for it is a great event in the history of the Church.

Our Harvest Thanksgiving was held on Thursday, October 10th, at 7 p.m. The evening was unfortunately a wet one, which rather interfered with the attendance at the service, though we cannot grudge a wet day after the beautiful harvest month of September. The Rev. F. S. Boissier, Vicar of Denby, preached. The anthem, sung nicely by the Choir was, "O Lord how manifold are thy works," by Barnby. The Church was very prettily decorated for the Service. On the Sunday following our Thanksgiving was continued at the Holy Eucharist at 8 a.m. and the other services. The collections, amounting to £5 7s. 10d., were divided between the Sunday School and the Church Restoration Fund.

The Choral Society holds its practices on Tuesdays at 7.30, in the Temperance Hall. Two cantatas are now being practised. "Spring," Haydn, and "The Banner of St. George," Elgar.

CRICKET CLUB. - During the season of 1907, 22 matches have been played, of which 9 were won, 7 lost, and 6 drawn. The three best batting and bowling averages are here given: *Batting* :—Mr. J. Fletcher, 10.2; Mr. J. Green, 9.6; Mr. C. Moor, 9.4. *Bowling* :—Mr. A. Smith, 6.3 runs per wkt. Mr. F. Sharp, 6.5; Mr. J. Wilkinson, 6.7.

The marriage of Miss Fox, of East Bridgford Hall, to Mr. George Cartwright, of the Inner Temple, London, Barrister-at-law, took place on Thursday, October 31st. The Chancel was very tastefully decorated, and the Church was crowded with friends and neighbours. The marriage Service was performed by the Rt. Rev. the Bishop of Derby, assisted by the Rector and the Rev. W. A. S. Merewether. The Choir took part in the Service. While the congregation was assembling and after the Service, Mr. W. T. Cockrem played several marches on the organ; and the bells rang out as the wedding party left the Church. Among the large number of wedding presents we may record a silver teapot, to which over 100 inhabitants of East Bridgford had contributed; a hot water jug from members of King Edward Club; a work basket from members of the G.F.S., and a silver bon-bon dish from Miss Fox's Bible class. We express the feeling of all inhabitants of East Bridgford in wishing every happiness to Mr. and Mrs. Cartwright.

We have now entered the Season of Advent, the preparation for our great Festival of Christmas. Will you, dear friends, at least those who value the guidance of our Church, use this preparation and think of this festival as a time of real holy joy for the message of salvation brought to us men by Our Saviour, born at this time, and feel it a Christian's duty first of all to shew your thankful heart by joining in the Christmas Eucharist. It is the best Christmas gift we can make, to "present ourselves our souls and bodies to be a reasonable, holy, and lively sacrifice" unto God who loves us. And in that love we wish to all a Happy Christmas.

There will be Service on Thursday evenings at 7 o'clock, on December 5th, 12th and 19th.

On CHRISTMAS DAY, the Holy Communion will be celebrated at 8 and mid-day. Morning prayer at 10.45 and evening prayer at 7. The Alms will be given to the Church Restoration Fund.

On Dec. 29th, the Sunday after Christmas, the Holy Communion will be at 7 a.m. and on New Year's Day, the Feast of the Circumcision of our Lord at 8 a.m.

FOREIGN MISSIONS.—On Sunday, Nov. 3rd, Sermons were preached by the Rector on the subject of Foreign Missions, who spoke of the value to us at home, of the message that comes back from distant lands, to tell us of the power of the Gospel of Christ. Here at home we are often discouraged by failure to remove evils we know only too well in our midst. It encourages us in our task to hear of success, of evil habits stamped out, of truth and honesty coming to the front, of whole villages bound together in loving community, as thank God, we often do, if we will listen to those who come from the Mission field. In the evening sermon the Rector described one of the most difficult of Missionary problems, the way of dealing with the Mohammedan religion. The careful consideration of these questions of difference of race and modes of thought is one of the greatest advances of Missionary work in the present day.

On Monday, Nov. 4th, a meeting was held at 7 p.m. in the Temperance Hall, at which the Rev. F. Welch gave a deeply interesting account of his work in British Guiana, where many races come together, natives, East Indians, Chinese and English, a great number of whom are earnest and stedfast Christians.

The following contributions for the S.P.G. are acknowledged, collections on Sunday, Nov. 3rd, £2. At the meeting 15s; from Miss Fox, Mrs. Hill, Mrs. Hooley, Mrs. Turner, in lieu of tea-tables £2 5s. Subscriptions from Rev. E. P. Weatherell, Mrs. Tomlinson, Miss Fox, £2; total £7.

The Rector will be glad to receive additional contributions before the close of the year.

## OUR CATECHISM.

I want to say a few words on the instruction in Christian Faith and Practice which is given every Sunday afternoon in Church at 2.30. While it naturally fits on to and is a part of Sunday School teaching, it is also more; and many older persons have found interest and profit in lessons on the great truths which are here brought into relation with the Christian's daily life. Anyone, old or young, will be welcomed, and would, I am sure, find that the time is not wasted. A new course begins this Advent, and it need hardly be pointed out that it is only by regular attendance that its value can be appreciated.

What do we teach? Naturally every lesson reaches its crowning point in the passage of the Gospel which is read, and our course is planned out in the method of the Church's manual of instruction, the Church Catechism, under the three heads of Faith, Duty, and Grace. This provides us with a three years' course, none too long for the importance of the subject.

How do we teach? The prayer book says "the curate of the parish shall instruct and examine." This is the method of all true education, putting in and drawing out, or "Catechizing." The teachers of the Sunday School are instructed beforehand, and the children are taught that they may be able to give answers, for in this way only can the teachers who work with the catechist be sure that their efforts are efficient and directed to a common end. It is the Church Catechism extended as a guide to the whole of the Church's Bible Teaching, as it is meant to be. Hence we give the name "The Catechism" to the whole of the organization the aim of which is education by definite teaching and training in the things of God, not as implying that only the words of the Church Catechism are learnt, but that it is "Catechetical teaching" on the Gospel which our Saviour has given for the salvation of men.

I hope parents will encourage their children in doing the analysis of the instruction, which is voluntary on their part, but of the utmost value to them from an educational point of view, and brings the lesson into their own homes. May I add that there is a field for Church work here for anyone who is willing to devote an hour on Sunday afternoons.

G.F.S.—Meetings for members are held at the Rectory on Mondays from 5 to 6.15 p.m. For senior candidates, at the Hall, and for junior candidates at the Rectory, on Thursdays from 5 to 6 p.m.

The Mothers' Meeting is held on Wednesdays at 2 p.m. under the direction of Mrs. Hill and Mrs. Field.

In consequence of the prevalence of Whooping Cough in the village, the Medical Authority for the District has closed the school for four weeks from November 18th.

THE NEW YEAR'S TEA will take place on Tuesday, January 1st, when all parishioners and friends are invited. Tea will be laid at 5 p.m. in the Temperance Hall at 6d. a head, and for those who find it convenient to come later, at 5.45. Children not in charge of their parents will not be admitted till 5.45. Parents with their children can obtain a family ticket for 1/6. An entertainment will follow at 7 p.m.—Admission 3d. to those who have not taken a ticket for the Tea. Any proceeds which may arise will be given to the Church Restoration Fund.

There now remains a debt of £147; towards which a loan of £100 without interest, has been made, to save the Bank charges on the overdraft.

The Temperance Society has arranged to hold fortnightly meetings in the School. On Dec. 13th, the Rev. F. W. Paul, Vicar of Emmanuel Church, Nottingham, will give an address. We hope the memory of the capital addresses he has already given, will bring many to the meeting.
