MY DEAR PARISHIONERS,

In accordance with my annual custom I begin this New Year 1927 with my sincere good wishes for your welfare, health and prosperity, and I assure you that East Bridgford will never be very far from my thoughts. But a year of parting must be a year of sadness and as I begin to prepare No. 1 of the XXIXth volume of our Parish Magazine I know that I shall not finish it. I intend however to issue the magazine with its usual local matter during the first three months of the year, and will arrange to continue the issue of the central pages for which I hope you will continue to subscribe at half the price, until my successor is able to take up the editorship.

I have intended that my resignation should date from the last day of February, but I find the formalities of a resignation take a considerable time and I am not sure that they will be completed by that date. Meanwhile I have not heard of any appointment being yet made by the President and Fellows of Magdalen College, so that I am still unable to name a precise date for my departure.

There will be a Confirmation in this neighbourhood on March 21st, and I hope that any who desire to be helped to prepare for this opportunity will give me their names during January.

The annual Parochial Church Meeting will be held in the School at 7 p.m. on Tuesday, January 25th. All whose names are on the Church Electoral Roll are entitled to attend, and I hope a good number will do so, because it is a great opportunity which is open to them of sharing in the direction of Church life, and of learning how much a personal interest can do in helping others.

I am, yours very sincerely,

A. D. HILL.

HOSPITAL SUNDAY.—The date fixed for this annual Collection for the General Hospital and other Medical Institutions in Nottingham, is January 30th. The Hospital Sunday Committee appeals this year for increased contributions from all classes of the community, and trusts that they will give according to their means.

CRICKET CLUB.—We apologize for the omission in the December magazine of the name of the Captain, Mr. W. H. Foster, in the list of Officers elected for this year.

A Whist Drive and Dance in aid of the Cricket Club was held in the Temperance Hall on Monday, December 13th. Mrs. Duff kindly presented the prizes.

The Committee desire to express their thanks to all those who helped to make the Whist Drive a success. £3 5s. 6d. was realised.

TENNIS CLUB.—The annual General Meeting was held in the W.I. Hut on Monday, November 1st, when Mr E. E. Coville presided. The following were elected for the ensuing year: Hon. Treasurer, Mrs Boyce; Hon. Sec., Mrs W. Lodder; Committee: Miss M. Upton, Mrs Jollands, Miss Bateman, Mrs G. Bateman, Mr Rhodes and Mr V. Manchester. The Treasurer reported a balance in hand of £6 0s. 6d. A vote of thanks was passed in appreciation of the services of the late Secretary, Mr A. Jollands.

ALLOTMENTS ASSOCIATION. Monthly Meeting, Tuesday, January 11th, 7 p.m. Potato and Seed requirements. Annual Subscription due.

G.F.S.—A party of Members attended the exhibition of a Film entitled Friendship's Highway at the Mechanics' Hall, Nottingham, on Nov. 23rd, and were interested in the 50 years' history of their world wide society with its 150,000 members.

Dr. Owen Taylor has successfully bored an Artesian well on the hill above his plantation, and reached a fine supply of good water at a depth of 450 feet.

I hope this fact may in future help to solve the question of a water-supply for this waterless village. We have waited too long for the elusive promises of an extension of the water pipes from Nottingham or elsewhere. Now we have a practical demonstration that water is there, and the proper authorities can easily ascertain the cost of providing a constant supply for a large area.

I think I may justifiably recall to mind the scheme which I propounded at a Parish Meeting held March 31st, 1909. The explanation of the problem I then gave will perhaps be of interest, as being applicable to the present circumstances. After a careful study of the known facts of the geological formation of this neighbourhood, I felt able to state that we are standing over the finest water supply in Notts. The red sandstone and pebble beds known as "Bunter" are on the surface of a large catchment area of 120 square miles, from Nottingham to the north of the county. These water-containing strata sink gradually towards the east and are overlaid by the marl and sand known as "Keuper," of which our hills are formed. The lower Keuper beds, locally known as "Waterstones" are hard and impervious, and hold down the water of the Bunter beds below them. Pierce these and you get a pure water supply rising to the surface in an "Artesian well." My scheme was to bore near the river-level, say, at the Dumble next below The Potteries, and to erect there a wind-pump to raise the water continuously to a reservoir near the six-sail Mill with a capacity of at least 120,000 gallons which would probably provide enough water for the village. I submitted the scheme to Mr. Chandley, a mining engineer, then living here, who helped me to work out the costs and supported me at the meeting with his expert approval. It is practically the same as that which has now been proved to be feasible, though the depth of the bore is somewhat greater than I had estimated.

DEAR PARISHIONERS AND FRIENDS,

This March Magazine will be the last of a long series which I have greatly valued as a monthly opportunity of intercourse with you. It is the 339th number, issued without intermission since I began its publication in January, 1899. It must now bring you my farewell message.

It is not easy to put into words all I should like to say. The thought of giving up the responsibility of a parish priest after so long a time is a serious matter; but as time goes on changes must come to us all, and I believe I am right in my decision to retire now in my 77th year from the strenuous work which it entails.

Of my own great sorrow at leaving you I shall not speak, for that lies too deep for words. All that I can now do is to ask you to accept my heartfelt thanks for the support and friendship you have given to my wife and myself during these twenty-nine years of our life at East Bridgford. I can never forget you nor cease to pray for God's blessing on you, your parish, and your church. I ask for your prayers, for ourselves in our new home, and for your own parish that a faithful minister of God's Word and Sacraments may be sent among you.

I am, yours affectionately,

ARTHUR DU BOULAY HILL.

P.S.—My intention is that my Resignation shall take place on the last day of March. The Bishop's notice of his Commission to enquire into the expediency of it has been affixed to the Church porch, and the actual completion of my 29th year as Rector is not far off. When I had been Vicar of Downton, in Wiltshire, for 15½ years, the living of East Bridgford was offered to me by the President of Magdalen, my old college at Oxford, on Feb. 3rd, 1898; but a serious bicycle accident on Feb. 15th, delayed my acceptance of it until March 10th. I was Instituted and admitted to the Church and Rectory of East Bridgford by Dr. Ridding, Bishop of Southwell, on May 4th, 1898. I came to reside here about two months later, and the public service of Induction was conducted in Church by the Archdeacon of Nottingham on Saturday, July 10th.

A.D.H.

A PRAYER FOR THE PARISH.—O Almighty God, the Giver of every good gift, look graciously we beseech Thee on Thy Church, and so guide the minds of those to whom is committed the choice of a Rector for this parish, that we may receive a faithful pastor who shall feed Thy flock according to Thy will, and make ready a people acceptable unto Thee; through Jesus Christ, Thine only Son, our Lord. *Amen.*

The Services in Church will be undertaken from April 3rd by the Rev. C. Rogerson, M.A., at the usual hours.

On EASTER DAY, April 17th, there will be celebrations of Holy Communion at 7 a.m., 8 a.m. (with choir) and at Midday. The Rector hopes to be able to assist in the services of Easter Day.

A CONFIRMATION will take place at Flintham Church on Monday, March 21st, by the Bishop of Southwell, to which candidates from East Bridgford will be taken.

THE MOTHERS' UNION Annual Service will be held at 3 p.m. on March 25th.

THE SCHOOL CONCERT was unavoidably postponed, owing to the absence of half the children, from the prevalent influenza.

Miss Gertrude Jesson has resigned her post of Assistant (uncertificated) Teacher) after 7½ years' service. We wish her every happiness in her married life.

The Managers have appointed in her place, Miss Olive Attenborough, who will begin her work on April 1st.

Brown, Adjutant and Secretary of the Nottingham Battalion. Badges and awards were presented to Sergt. F. W. Furniss, L/Cpls. F. Furniss, G. Shipman, J. Fossey, Privates J. Butlers, W. Widdowson, N. Shipman, C. Shortland, A. Mawer. Our company gave excellent exhibitions of Physical Training, Parallel Bars and Pyramids, the 19th Nottm. Albion St. gave an Indian Club Drill; 22nd St. Mary's, Physical Dancing; 23rd St. John's, Carrington, Tumbling; 27th Ashwells, Parallel Bars; 8th West Bridgford, Bugle Calls. Miss Doris Gent, of Nottingham, was the Soloist. Collection taken at the interval amounted to £5 15s. 3d.

On Friday, Feb. 11th, the Pyramid Team journeyed over to the Headquarters of the 8th Nottm. West Bridgford Company to take part in a Demonstration of Physical Exercise organized by the Battalion. Our Boys put up an excellent show.

The Whist Drive and Dance was held in the Temperance Hall on Tuesday, February 15th.

CHURCH CLOCK.—The dial and hands of the Church clock will shortly be repainted and gilded.

THE MAGAZINE will continue to be distributed with the inside pages only, at the price of 1d. for the present, but the local cover must await the coming of a new Editor, when it is hoped its circulation will be renewed.

Mr. Arthur Manchester wishes to express his thanks for the sympathy shown to him by his friends in his recent bereavement. The Rector and Mrs. Hill also desire to express their thanks for sympathy in their loss on Feb 19th.

MY DEAR FRIENDS AT EAST BRIDGFORD,

I am glad to have this opportunity of saying how much I appreciated the service in Church and your farewell at Mr. Beaumont's afterwards, on April 22nd.

The memory of the beautiful window you have placed in the Church will be with me, as vividly as it will be before your eyes, when I read in the Book you have given me not only the names, but the affectionate hearts of so many that I have known in East Bridgford.

Mrs. Hill desires me to thank you for your remembrance of her in your gift of the charming and useful travelling bag.

Though 100 miles now separate us, I shall always be glad to see anyone, who will venture so far. The little house, we live in is named after my boyhood's home in Cornwall, and it stands by the 28th milestone from London on the main road to Aylesbury. The postman can easily find it, so I give you our full postal address, and ask you to remember that letters will always be valued when they come from East Bridgford which has been our home for so many years.

I am yours very sincerely,

ARTHUR DU BOULAY HILL.

ST. WINNOW, DUDSWELL,
BERKHAMSTED.

LICHFIELD AND SOUTHWELL DIOCESAN TRAINING COLLEGE,
DERBY.

June, 1927.

MY DEAR PARISHIONERS OF EAST BRIDGFORD,

I have been asked to write you a letter for insertion in the Parish Magazine. A change such as is coming to you is one of great importance to both parishioners and to the new Rector. But I hope that it will be a happy one.

You must greatly regret the loss of Mr. Hill who has been your friend and leader for many years and whom you have learnt to trust and appreciate. Now you will be in the hands of a stranger, whose ways may at first seem somewhat new.

But for the first year or until we have learnt to understand one another, I do not propose to make changes in your services or in the manner of conducting them. By that time I shall know your needs and wishes and have had the advice of many.

My long stay at the Training College, Derby, has been of considerable value and the kindly feeling amongst the students notwithstanding their varying shade of Churchmanship, makes me feel we shall be able at Bridgford to combine all members of the Church and Parish, however differing, into one happy and united whole.

The great aim in front of us is that of the Christ, and if we remember this in all our work together, I shall feel so confident of your help that all work will be a pleasure to me, and I hope of profit to you.

Without your kindly co-operation, effective progress in religious matters will be almost impossible, but from what I have already seen of the parish, I have great hope for the future.

With my very best wishes for you all.

Believe me,

Yours very sincerely,

A. B. BATER.

On Wednesday, May 25th, a Window, in memory of the late Captain George Cartwright, was dedicated by the Rev. A. D. Hill. The Service was fully choral, and was attended by a large congregation, including a Parade of the East Bridgford members of the British Legion. The two light window, which contained the figures of S. George and S. Alban, and was a reproduction of 14th century glass, was the work of Mr. J. Lonsdale Bryans, of London.

GIRLS' FRIENDLY SOCIETY.—On Saturday, May 28th, the Members of the G.F.S. held a successful Jumble Sale in the W.I. Hut, in aid of their Parochial Church funds. There was also a Sale Table and Bran Tub, and an excellent programme of music and recitations was provided by Miss K. Fox. The takings amounted to £11 12s.

MOTHERS' UNION.—On Thursday, June 2nd, some of our members spent a delightful day in London, visiting most of the principal places of interest there and attending a service in the Mary Sumner House Chapel during the afternoon.

The Annual Summer Festival for the Bingham Deanery will be held on Friday, July 22nd, when it is hoped that as many members as possible will attend the exhibition of "the Mothers' Union Film" in Nottingham.

WOMEN'S INSTITUTE.—The East Bridgford W.I. played a notable part in the very successful County Rally, held at Epperstone Manor on June 16th, their Folk-dance team taking one of the three first prizes in the competition. While the performance of the "Druids and Romans" episode, in the Historical Pageant was considered by many to be the most effective scene presented.

The Meeting on July 12th, will be held, if fine, in Miss Fox's garden. Mr. Mason will give a talk on "Local Birds," and there will be an exhibition and sale of Mansfield gooseberry pies.

BOYS' BRIGADE.—Three officers and twenty-one boys of the Company with other members of the Nottingham Battalion spent a very enjoyable week in camp at Skegness from June 4th to 11th.

The officers of the Company wish to thank all those who so kindly supported the Rally at Bingham, as a result of the effort £6 11s. 6d. will be added to the company funds.

A Garden Fete will be held at the Manor through the kindness of Dr. and Mrs. L. Owen Taylor on August Bank Holiday.

THE RECTOR'S LETTER.

EAST BRIDGFORD RECTORY,

September 1st, 1927.

MY DEAR PARISHIONERS,

Since my induction and institution to the living of East Bridgford, it has been a great pleasure to make the acquaintance of many of your number; the welcome received from them has been most cordial.

Before long, it may be possible for me to visit you all, so that a more full, personal and intimate knowledge may be mine. You must miss the late Rector greatly; I see many marks of his care and devotion notably in connection with the Church and its services. You miss him both in parish matters and in your homes, and it will be long before I shall be able to make up to you for the loss of so old and valued a friend. But you must remember also that I have come into a district new to me, with fresh faces around, and that I shall feel the loss of many old friends and miss their kindly help and advice. Is it too much for me to believe that you will take their place and give me the same wise counsel and consideration?

I find much to admire and respect in your parish. Your Church has many beauties; we may be able to add to them. Your services are dignified and well ordered; we may find it possible to beautify them. Your organisations are numerous and effective; if I can help them, it will be a pleasure.

There are some among you perhaps who wish at times to consult their Rector on spiritual matters. It will always be possible to do so at the Rectory or at the Church. When the work and people of the parish are better known to me, I shall hope to fix a day and hour when I shall be at the Church to receive any such.

The year is now getting somewhat advanced, so that the winter's work needs planning. Perhaps the Church workers and the many organisations will give some thought to this matter and be ready with suggestions.

With my best wishes for you all and for your sincere sympathy and co-operation in work for the best interests of our Church and Parish.

Believe me,

Very sincerely yours,

A. B. BATER.

MOTHERS' UNION.—The Annual Summer Festival for the Bingham Deanery was held on Friday, July 22nd. After tea at the Arboretum Tea-room, Nottingham and a stroll round the beautiful grounds, we went to the Mechanics Institute Hall to see the Mothers' Union Film. This was most interesting—showing us the progress of the M.U. since its start at Mrs. Sumner's home in Hampshire, in 1876. We saw pictures of the Mary Sumner House from the laying of its foundation-stone until now, the M.U. work overseas and some of our fellow members in all parts of the world, the Jubilee Celebrations at Westminster and at Winchester in 1926 and finally the wonderful M.U. Pageant in the Albert Hall.

SUNDAY SCHOOL.—The Sunday School Treat was held on Thursday, August 11th, and, thanks to a fine day, was a very delightful occasion. Eighty five teachers and scholars were present at the tea, which was held in the W.I. Hut, and after tea the elder boys played in a Cricket Match against an eleven from the Bingham Church Sunday School, which resulted in a splendid victory for East Bridgford. Prizes were given for the best performances in batting and bowling. The rest of the School, with banner and flags, proceeded to the Hall, and spent a most enjoyable evening in games and amusing sports. The Sunday Schools have been closed for three Sundays, owing to the School being repainted and cleaned, we hope to reopen on Sunday, August 28th.

THE BRITISH LEGION.—Commencing on Wednesday, the 7th September, the Monthly General Meetings will be held in Mrs. Clough's Schoolroom, on the first Wednesday in every month throughout the Winter Session. All ex-service men residing in the district who are in any way interested in the problems of their disabled or unemployed comrades are sincerely asked to join the Branch. It should be remembered that The Legion whilst being responsible for the well-being of all local ex-service men, and dependants, is in a much wider respect the guardian of the interests of our old comrades the world over. The coming winter will, we trust, see our membership greatly increased by men who will ever keep in mind their comrades who made the supreme sacrifice, and mean when we say :—*At the going down of the sun, and in the morning we will remember them.*

NOTES.

THE REV. A. DU BOULAY HILL writes "The place is very dear to me and I shall always be glad to hear about it." I hope you will find God's blessing upon your work."

GRATEFUL APPRECIATION is due to Mr. Beaumont and Mr. Molyneux who have acted as sequestrators during the vacancy in the incumbency. The work involved considerable worry in the matter of financial responsibility and in securing Clergy to conduct the services. Mrs. Beaumont has acted as Editress of the Parish Magazine and Conductor of the Mothers' Union cheerfully and effectively, and our sincere thanks are due to her. Other Church officers have likewise given help whenever necessary and the Parish is fortunate in having so able and happy a company of helpers.

RINGERS from Southwell Cathedral have recently visited the Church and given evidence of their ability in the old tower.

PILGRIMS from Nottingham visited the Church on Saturday, August 20th and were conducted by Mr. Beaumont, who gave them some interesting facts with regard to the history of the building.

LETTER FROM THE LATE RECTOR.

ST. WINNOW, DUDSWELL,
BERKHAMPSTED.

September 20th, 1927.

MY DEAR FRIENDS AT EAST BRIDGFORD,

It is now just a year since I announced to you in the Magazine my determination to resign my work as Rector of the parish into other hands. The last six months of my time at East Bridgford seemed to pass at great speed, but the six months since I left it have seemed like an age. Yet I shall not easily forget my final services in Church on Easter Day, 1927, though it already lies in the dim past. I think I may say that not a day has passed without some remembrance of East Bridgford coming into my mind, of the Church, of the school bell at 9 o'clock, of the village, and of the friendly faces of those I have known so long.

But though I have laid down my responsibilities in one sense, I cannot think of them as over, for they are closely concerned with results. Even the least of our actions will have its effect on the circle of those amongst whom we live or work. Beyond and above all personal feelings and memories, I think of the continuous and corporate life of the village and parish, passing on from one generation to another, being formed and growing by the character and life of individual members, but lasting longer than theirs; helping the children of one generation to become the leaders of the next, and the habits and thoughts of one period to show results in after years.

This then, is a responsibility which everyone shares in, according to his opportunities to a greater or less degree, and which must continue even after the time of opportunity is over. How much, for instance, everyone can do by regular habits of Church-going and the use of its privileges, and by courtesy and respect for the interests of others, to show bravely to the world the example of love to God and man—the essential foundation of that corporate life of family, parish, church or nation, which continues through all changes.

East Bridgford news has reached me from time to time; I have heard with interest of the Memorial Service on Feast Sunday, linking us with the past; of the impressive Service of Induction of your new Rector whom I hope you will help in his responsibilities by faithful co-operation in the future; and I know of the anxieties and fears which this wet and cold summer has brought at the present harvest time. I pray that God's blessing may continually be with you all in East Bridgford, both as individuals and as a corporate parish, now and always.

Believe me to remain,

Your sincere Friend and late Rector,

ARTHUR DU BOULAY HILL.

THE RECTOR'S LETTER.

EAST BRIDGFORD RECTORY,

October 1st, 1927.

MY DEAR PARISHIONERS,

It will be a great pleasure to you all to receive a letter from your late Rector, Mr. Hill. His thoughts must be frequently with you and with your Church.

The Parish Church Council met on Monday evening, September 6th. Many subjects were considered and much discussion followed chiefly of a hopeful type. It was felt that the winter work should include special services during Advent, some lectures on the Old Prayer Book and the

New followed by discussion, and other lectures on Missionary work and Travel.

I am personally very anxious to secure a good attendance of young people as well as old at the lectures or rather talks on the Prayer Book, and hope that questions will be numerous. It is difficult to promise an answer to all the questions that may be asked, but sympathetic consideration will be given to everyone. It has seemed to me that some Church-people have already made up or partly made up their minds before seeing or knowing the new book. This is very unlike a Nottinghamshire gathering, and I hope for more grateful appreciation of the work of those members of our Church who have given so many years of thought to the proposed Prayer Book. A book which was drawn up in the reigns of Edward VI. and Queen Elizabeth, must need some amendment now. The needs of that day are not necessarily those of the present. Medicine, Music, Art, Food-stuffs, Science and Clothing, have all made progress on the whole for good. Must our Prayer Book only remain out of date and unsuited to the needs of to-day?

The New Prayer Book calls for our earnest consideration and although it may not suit all in every particular, yet in many ways it should prove of much value from a spiritual point of view. We cannot hope to agree in regard to *all* the points connected with our worship, but if the essential points which the Christ of his Apostles laid down for our guidance are carefully provided for, we can then willingly accept the offering of the work of our Spiritual Fathers of to-day for our guidance. I ought to say here that I should be most unwilling to adopt the New Book when sanctioned for use unless there is a practically unanimous agreement on the part of our Church Council, your representatives.

Commending this matter to your prayerful consideration,

Believe me, Your sincere Friend and Rector,

A. B. BATER.

THE RECTORY,
EAST BRIDGFORD,
November 1st, 1927.

MY DEAR FRIENDS AND PARISHIONERS,

October has been noteworthy because of our Harvest Festival. Thursday, October 13th, saw a goodly company present in the Church. The Church was simply but well decorated under the supervision of Miss Molineux and several ladies of the Parish. The sermon was most helpful, the preacher, the Rev. A. E. Hunt, formerly Vicar of Holbrooke, Derbyshire, asking us to remember that things not seen were of the most essential importance and that we should always reason from the visible things of this life to the eternal invisible matters of the world to come.

The singing was led by a very full choir ably directed by the organist, Mr. Wood, and assisted by a small orchestra consisting of Mrs. Cartwright, (Viola), and Messrs. Olivant, Shardlow and Swain, Violins, who admirably aided the praise so well rendered by choir and congregation. The assistance of Messrs. Sharpe, Stubbs and Attenborough was of much value also.

The Services on the following Sunday were carried through with great heartiness. The two Celebrations of the Holy Communion were moderately well attended, there being thirty-one Communicants, not so many as I had hoped for, but perhaps those who failed to respond to my call will do their best next year to mark their thanksgiving by a special attendance at the Eucharist. It is an old custom of the Church to bring special thanksgivings to the one great thanksgiving service of our Church. We felt a little lonely at those two services.

The Young People's Service in the afternoon was well attended and I was glad to see so many teachers, parents and friends with the younger ones, who filed up in orderly arrangement to present their gifts of fruit, flowers, vegetables and eggs for the patients at the Hospital. They listened quietly to a short talk afterwards. I am most grateful to all the teachers of the Sunday Schools and Boys' Brigade without whose kindly and sympathetic aid the service would have been lacking in order and arrangement. The gifts were arranged within the Altar rails and made the old Church more beautiful than before. The Morning and Evening Sunday Services also drew large congregations thankful for the many benefits vouchsafed to them during the year that had passed.

The collections during the day amounted to the sum of £6 16s. 3d., which will be carried to the Sunday School Fund. Altogether we have much to be thankful for in connection with our Festival, and I feel that with your continued help we may have a happy and fruitful period of work together for the best interests of the parish.

Your sincere Friend and Rector,

A. B. BATER.

Mr. and Mrs. Knight desire to express their sincere gratitude for the great kindness shown to them in connection with the death of their only son.

GENERAL HOSPITAL, NOTTINGHAM.

DEAR SIR,

October 19th, 1927.

I beg to acknowledge, with most sincere thanks the welcome gifts which you so kindly sent from East Bridgford Harvest Festival including:— 4 lbs. Beans, 20 lbs. Beet, 2 Green Cabbage, 1 Red Cabbage, 14 lbs. Carrots, 7 Cauliflowers, 4 Celery, 21 Marrows, 56 lbs. Potatoes, 10 lbs. Turnips, Flowers, 2 cwt. Apples, 56 Eggs.

May I beg you to be good enough to convey as far as is possible our most sincere thanks to all those who have contributed so generously to this collection. I can assure you every single gift is appreciated, the eggs particularly so, since although we have a large quantity preserved for Winter use fresh eggs are always needed in a hospital.

With many thanks to you for your kindness in bringing the gifts to the Hospital, and for your kind interest and help.

THE RECTOR,

EAST BRIDGFORD.

Yours faithfully,

P. M. MACCOLL,

House Governor and Secretary.

REMEMBRANCE DAY, NOVEMBER 11TH, 1927.—Another year has rolled by, helping to dim in its passing, memories of the turmoil and sacrifice of the Great War. During this month, we shall be asked to assist Earl Haig's Fund for Ex-Service Men of all ranks, and when purchasing your poppy, please bear in mind that it is the hope of the Organizer to double last year's total of £4 4s. 4d. EAST BRIDGFORD RECTORY,
December 1st, 1927.

MY DEAR FRIENDS AND PARISHIONERS,

The month of November has passed with much satisfaction to many. Sunday, November 20th, deprived us unfortunately of the help of our regular organist, Mr. Wood, but his place was taken in the morning by Mr. George Shipman and in the evening by Mr. J. Shardlow, who did well for us at short notice and without any preliminary practice. We are grateful to them.

The Church's New Year began for us on Advent Sunday with its preparation for the second coming of the Christ and its services leading up to Christmas Day. Some special preachers have kindly promised their help.

Dec. 4th, at 6.30 p.m. Rev. Canon Field, formerly Rector of St. Mary's, Nottingham.

„ 11th, at 10.45 a.m. The Ven. Archdeacon Hacking, Archdeacon of Newark.

„ 18th, at 10.45 a.m. The Rev. Alan Chaplin, Rector of Cotgrave.

Christmas Day this year falls on a Sunday. It is one of the great festivals of the Church and it calls on all members of the Church to claim the privilege of membership by communicating on that day.

I hope that all those recently confirmed will make a special point of being present at one of the celebrations and so binding themselves more firmly in the great Communion of Saints. On the evening of Christmas Day, there will be a Carol Service and we hope that Mrs. Cartwright will again help the festal character of the Day with her orchestra at both morning and evening services.

With the desire of the Church Council. I am hoping to give during Advent three short lectures on the Holy Communion Service. Each lecture will be a simple talk of short duration; questions can be asked and discussed either as they occur to the minds of those present, or afterwards. May I ask all Church officials, Sidesmen, Sunday School Teachers, and Church workers of every kind not only to make an effort to be present, but also to bring as many as possible with them.

The dates of the Lectures will be:—

Monday, Dec. 5th, at 7 p.m. in the School.

„ „ 12th, at 7 p.m. in the Women's Institute.

„ „ 19th, at 7 p.m. in the Women's Institute.

The opening of the New Bridge over the River Trent passed off with much success. We were honoured by the presence of many of the leading men of the county and especially of H.R. Highness the Prince of Wales, than whom there is no one whom we welcome with greater pleasure. The gathering was quietly glad to see him though the applause was less hearty than might have been expected, except the cheer raised by the Boys' Brigade led by the energetic officer in command, Mr. Swain. The kindness of the Prince was much appreciated, his words of appreciation to the men of the Old Brigade and his sympathetic hand-shake here and there. We were all rather shocked however by the fact that the organisers of the Function had made no provision for a short service of prayer and dedication of the bridge.

With my best wishes for a very happy Christmas and a hope that in the midst of your home festivities you will remember also the need of giving thanks to the Great Father by your care in attendance at some of the services at the Church on that day, believe me.

Your sincere Friend and Rector,

A. B. BATER.

The annual Meeting of the British and Foreign Bible Society was held on Thursday, November 17th, in the W.I. Hut. The Rector, presided and an interesting address on the work of the Society in Brazil was given by Mr. A. Telford. The sum of £14 1s. 9d. has been sent up to the Society. Our sincere thanks are due to Mr. and Mrs. Beaumont for the arrangements made by them for their care for the lecturer and the continued attention they give to the interests and work of this very deserving society.

YOUNG PEOPLE'S SERVICE.—Sunday, January 1st, at 2.30 p.m.

GIRLS' FRIENDLY SOCIETY.—Thursdays in the Women's Institute Hut at 5.30 p.m. and 6.30 p.m., except on first Thursday when Folk Dancing lessons will be given by Mrs. Rhodes at 6.30 p.m.

EAST BRIDGFORD SCHOOLS.—The Staff propose to hold a Rummage Sale during the winter months, in aid of the School repairs. Contributions may be sent (or will be collected by request) to the Headmaster.

WOMEN'S INSTITUTE.—Over 100 members met on Nov. 8th, to celebrate the tenth birthday of the E.B.W.I. After tea, a magnificent three-tier birthday cake, made by Mrs. M. Millington, was cut and handed round. A Presentation was then made to Miss Fox, President for the last six years, of a handsomely framed enlarged photograph to hang in the Hut, and a President's arm-chair. The presentation was made by Mrs. A. Mason, the first President of the W.I. with a few graceful words. The Institute received a beautiful new Banner, the gift of Mrs. Field, and an enjoyable entertainment by Girl Guides, Rangers, and Brownies followed.

Members are all asked to attend the annual Meeting on Dec. 13th, for the election of the 1928 Committee. Tea (6d.) will be at 5 p.m. and the ballot open immediately afterwards.

The Dramatic Class is getting on with rehearsals and hopes to give a public performance some time in January.

BIBLE CLASS.—Sunday afternoons at 2.30 p.m.

BOYS' BRIGADE.—Monday evenings at 7.15 p.m.

KING EDWARD CLUB.—Subscription 5/-. New members over the age of 16 will be welcomed.

BRITISH LEGION AND UNITED SERVICES FUND.—Monthly general meetings, first Wednesdays in Mrs. Clough's Schoolroom.

FOOTBALL CLUB.—Dec. 3rd, Woodborough (away); Dec. 10th, Cropwell Butler (away); Dec. 17th, Rolleston Rovers (home); Dec. 31st, Orston (home).

GIRL GUIDES AND BROWNIES.—Wednesdays 5.30 p.m. at Women's Institute.

BRITISH LEGION MONTHLY GENERAL MEETING in Mrs. Clough's schoolroom on Wednesday, 7th December, at 7.30 p.m. Our usual invitation to ex-service men still holds good.

POPPY DAY COLLECTIONS.—The response to this year's appeal has been highly satisfactory, and although we must, in the natural order of things look for more next year, the total this year is very encouraging. The sum forwarded to Earl Haig's Fund is £7 1s. 10d. The expenses Nil. Thank You.

CONCERT.—It is hoped to organise a high-class Concert during December, part of the proceeds of which are to be set aside for the Legion's Annual Children's Treat. Information as to date and artists will be forthcoming in good time, and we trust that in our new venture we may receive your cordial support. The feature which we hope will appeal to both young and old, and of course shall we say the neutral, will be a singing competition for the children.

GUNTHORPE BRIDGE OPENING.—A red letter day for all. It was wonderfully encouraging to note the real interest which our Patron H.R.H. the Prince of Wales takes in the Legion, even such a small corner as the East Bridgford Branch. The members will be pleased to hear that H.R.H. considered our membership of 50 extremely good for the size of our district. Why not make it the level 100.

ALFRED CORNELL, Hon. Sec.

BOYS' BRIGADE.—Our "Founder's Day." Church Parade was held on Sunday, October 30th. The Girl Guides Rangers and Brownies joined with us on this occasion. The strength of the two organisations on parade numbered 70. The Rector gave us a most inspiring address and Special Boys' Brigade Hymns were included in the Service. Every member of our company turned out on Parade on November 17th, when the New Bridge was opened by H.R.H. the Prince of Wales. We were joined on this occasion by the 34th Nottingham Lowdham Company and the Bugle Bands of the 6th Nottingham St. Ann's and the 8th Nottingham West Bridgford Companies.

On Saturday, November 19th, the officers were present at the North Midland District Meeting held in the Daykeyne Street Lads' Club. The speakers included Capt. G. Stanley Smith, M.C., son of the founder of the movement, Brig.-General Sir Edward L. Marchant. The Chief Constable of Nottingham, Col. F.
