THE RECTOR'S PAGES

GOSSIPING THE FAITH

IN A DECADE OF EVANGELISM

Almighty God normally acts normally, and he normally seeks to act through us where WE normally are. The mission to which most of us are called is the exercise of our Christian witness where we are. God calls us to blossom "where we are planted". This is costly, but it is also simpler than we often imagine.

"GOSSIPING THE GOSPEL" is an old way of describing this task. The possibility of doing this rests upon the Lord's assurance that, when we are called to testify about him, the Holy Spirit will give us the words to say.

THOSE WORDS WILL POINT TO JESUS AS LORD - not in abstract language of theology, but in our telling of what God has done and is doing in changing our lives.

The words bear witness to our experience of forgiveness, of new strengths in our weaknesses, of the increase of our joys, in the good things that life has to offer, of an awakening to the value of prayer in all life's circumstances.

The words we dare to speak will have power, as we risk being involved in sharing ourselves in owning to our doubts and fears, and as we admit that, though we may not possess a clear answer for everything, yet we have a faith so fixed upon God, whom we know,

love and serve, that we are able to persevere in darkness as well as in light.

IT IS IN THE ORDINARY ENCOUNTERS OF EVERYDAY LIFE that we find our chief opportunities for such sharing. That includes the acts of kindness and love, the gentle touch, of an embrace on those occasions, when 'words fail us' or are for the time being inappropriate. Such failures have their roots in the inadequacy of words for many of the great occasions of joy and sorrow, which life brings to us all.

When we are able to share how we have been where others are now, and found, in the very circumstances, Christ's strength and power to hold fast, and help in our times of need - that is a proclamation of the GOOD NEWS.

WHEN, IN THE FACE OF TRAGEDY, SHAME OR PAIN, people talk glibly of 'God's Will' (usually linked only to life's unpleasantnesses!!) we will gently dissent and point to Christ crucified and his sense of desolation as a sign of God's own creative involvement in the mystery of evil - that too is a proclamation of the GOOD NEWS.

WHEN BEREAVEMENT COMES, we can quickly show sympathy and concern by the quiet provision of practical help - a prepared meal, some little chore that needs to be done, the care of the children. We can return when the family has left, and the need to talk through the grief and the pain is so important. Then we can listen and share the tears. Often, it is only after this that the time comes that the sorrowing are ready, and we can speak quietly of Christ and his victory over death, which is ours also. Then we can share our awareness of his love and point to his promise of life here and for ever, life in all its fullness. This, too, is a proclamation of the GOOD NEWS.

WE CAN GIVE OUR TIME AND OUR EFFORT to the lonely, the despised, the outcast, the aged, and the shut-in. These acts of kindness, and the priceless gift of listening to those, who have no one to listen to them, can be accompanied by such appropriate words as, at the right moment, be given to us. They will assure those to whom we thus minister that they are accepted, they are not alone, they do count, and that they are loved. This is a way we can point to God's love - as such this, too, is a proclamation of the GOOD NEWS.

IF WE PLACE OURSELVES AT GOD'S DISPOSAL IN OUR PRAYERS, if we seek an increase of 'Faith, Hope and Love' and if we pray for the gift of discernment as we nourish our prayers in the Scriptures, then we shall have a new alertness, a deeper sensitivity and a fuller openness. we shall find, over and over again, that God will give us the right words at the right time. We shall become channels of God's healing and redeeming life, and we ourselves shall be richly blessed.

It all sounds so ordinary. And it is. But the Saints were those, who did ordinary things extraordinarily, by God's grace.

The Lord, who normally acts normally, will through the normality of our words and actions, and lifted by his grace to a purpose beyond our creating, work his will. May his blessing be with each of you as we begin a DECADE OF EVANGELISM, 1991-2000, during which we are being asked to commit ourselves in Love and service to others.

CHOIR NOTES

I should like to take this opportunity to thank the two choirs of St. Peter's Church for all their loyalty, hard work and support over the past year.

It was with great pleasure that we welcomed Dennis Pepper and Josie Knight into the Choir. Also Laura Short, James Linnington and Gareth Black, who moved up from the Junior Choir. All this was only possible due to extra choir seating being made available. Thank you P.C.C.

Four Cups were given to us by members of our Church to encourage the younger members, and these were presented on Feast Sunday to Chris Geisow, Jenny Golightly, Gareth Black and Alistair Clarke. I would like once again to thank these people for making the presentations possible.

I would also like to thank the mums who sat with the Junior Choir during services, helping children to find their places and keeping general order!

The Junior Choir always welcomes new members. If your child is 7 or over and loves singing he/she is most welcome. Choir practices are on Friday nights 5.30 - 6.15pm. Please do not hesitate to contact me if you want further information on Nottm.312669.

Finally, I would like to thank the Rector for all his support and encouragement during the past year and also Joyce for providing those welcome cups of coffee between services to try to bring life to frozen fingers!

May I take this opportunity to wish everyone a Happy and Prosperous New Year.

PS If anyone has a favourite hymn they would like to be included in a service, or a special piece of music to be played, perhaps to mark some special occasion, please let me know.

THE GOLDEN PATHWAY ANNUAL

A PLAY BY JOHN HARDING AND JOHN BURROWS

Tuesday 13th November 1990

After watching Tuesday's performance with great enjoyment, I began to reflect on the tour de force undertaken by the Directing team and the 19 players. To maintain momentum and continuity through 24 scenes 'a connected sequence of sketches' as the programme notes described them, was a great achievement. 'Puzzling' came to mind as a descriptive term in addition to 'this thought-provoking and cleverly written comedy' of the Notes, but a second chance to see the Saturday performance allowed me to sort out the 'real', 'dream' and 'Annual'

episodes much more easily. Readers of the Annual were at a considerable advantage, I think.

The players were magnificent - Michael Peters, father George and mother Enid (Greg Morrall, Mike Clarke, Jean Starbuck) being ably supported by the remainder of the cast. Diane Wilkinson as the Welsh School Teacher was so convincing that more than one member of the audience reacted to 'fingers on lips' and 'hands on heads'!

Yvonne Willkinson's William and Mike Geisow as Roger left me with cheeks aching from laughter after their 'famous Five' scene, and I cannot overlook Michael's closing words at the end of the Bob-a-Job scene, addressed to 'The Lady', "Can I come back when I'm a Rover"?

The choice of most appropriate songs helped considerably to move the play along and link the scenes.

All supporting members, from the lighting and sound bridge to the coffee and biscuits distributors and kitchen helpers, contributed to another memorable evening's entertainment. Thank you all.

PROMISES. PROMISES!

On Friday, 12th October an audience of parents gathered in St. Peter's School Hall. It was further swelled by many friends. We weren't exactly promised the Earth, but almost anything else it seemed was available at an Auction of Promises in aid of School Funds. From a tour of the Sewage Works to a flight in a hot air balloon, from a Christmas pudding to an hour in a psychiatrist's chair, there was a truly amazing range of promises. Many thanks to all the friends of St. Peter's who offered them.

GEM AM sports commentator, Tony Delahunte kindly donated his services as the Auctioneer. It soon became very clear that if he ever decides to give up commentating, another career beckons. He carefully garnered the bids with panache and humour, skillfully jollying us along to part with our money until the total sum raised during the course of the evening exceeded £1,000.

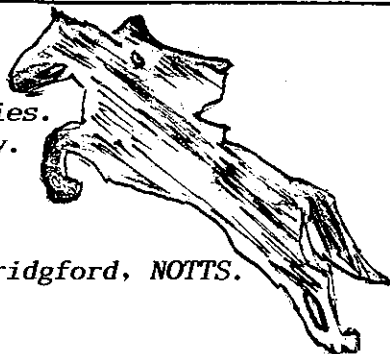

The event was further enlivened by Steve Cumberland and his fellow Gargoyles, who had us roaring with laughter at their humour and gave a new meaning to the words 'Community Singing'. They harmonise so beautifully too, in the rare moments when they take the proceedings seriously.

It is a sad indictment of our times that the money raised, was not to be spent on 'extras' for our children, but for the purchase of essentials in order to meet the needs of the National Curriculum. The money has been spent on Maths Books, Visual Aids for Science, Science Topic Books, Dictionaries and much needed Technology equipment.

Many thanks to the organisers, St. Peter's Parents Association and to all those who attended, making this an excellent evening's entertainment.

KING EDWARD CLUB

The Coffee Morning held at the Club on the 17th November was, despite the best efforts of the British climate, a huge success and at the time of writing (18th November) provisional figures indicate a profit in the region of £230 which will be of immense help to the Club in clearing the cost of the new snooker table.

Our heartfelt thanks to all those supporters who braved the pouring rain and spent so generously, to the willing band of helpers who dispensed coffee and ran the various stalls and last, but by no means least, to those lovely ladies who so kindly provided the cakes. On a personal note I have never seen so many cakes on a stall before.

POPpy APPEAL

A RECORD POPPY COLLECTION

FOR THE LEGION

SERVICE NOT SELF

Last year the East Bridgford & District 'Poppy' collection was an all time record for our Branch at £1,737. Therefore, I can only say a very big 'thank you' to all of you who helped make this year's collection on the 50th Anniversary of our deliverance at Dunkirk and the victory by 'The Few' in the Battle of Britain, yet another record with a total sum of £1,855 - a really spendid effort.

As you know the 'East Bridgford & District' area comprises the homes, churches, businesses and hostelrys of the villages of Flintham, Syerston, Screveton, Car Colston, Newton, Shelford and Kneeton, together with RAF Newton, as well as East Bridgford. To everyone who contributed, collected, counted or in any way assisted may I personally say 'thank you'. However, the real accolade for the most significant increase in collections must go again to the Ladies-with-the-trays, the 'spearhead' of the house-to-house and door-to-door collectinbg whatever the weather, never an easy task especially on dark evenings. Whilst they all deserve to have their names listed, I hope they will forgive me if I record them only as Mrs Jay's "Team" of 14 ladies and 1 gent (E. Bridgford), Mrs Woodhead (Flintham), Mrs Rose (Screveton), Mrs Thurman (Car Colston), Mrs Atkins (Newton), Mrs Neale (Kneeton) and the three gentlemen of Shelford. The congratulations of the Royal British Legion to you and its grateful thanks for such a fine result.

PARISH COUNCIL - REFUSE COLLECTION

The Parish Council requested clarification from Rushcliffe Borough Council of the terms of the new Refuse Collection Contract they are now working to. The following reply has been received from the Chief Technical Officer:-

'With regard to changing days of refuse collection, this has been inevitable for a number of properties, but it is unfortunate that the leaflets which were prepared and sent to residents of changes did not all reach their destination, the reasons for this are still being identified.

The Council's policy on garden waste is that it will not be collected as part of the normal domestic waste collection service. While in the past some garden waste may have been collected, abuse of the system has taken place, and therefore the policy of not collecting garden waste has had to be reinforced. If, however, you have had your refuse sacks ripped or slit open by the collectors, this should not happen again. The method of disposal of garden waste is either to one of the Civic Amenity Sites at:

Greythorn Drive, West Bridgford

Coachgap Lane, Langar

or by the use of the beige garden waste sacks which may be bought from:

Abbey Road Depot, West Bridgford

Civic Centre, Pavilion Road, West Bridgford

The purchase price of the sacks is 50p which includes the cost of the sack, the cost of collection by the refuse men when placed out with the domestic waste on your regular collection day, and V.A.T.

If you are not able to personally call to collect the sacks, they may be purchased by post. The cost is £2.92 for five sacks or £5.70 for ten sacks, and this includes postage and packing. Please make cheques and postal orders payable to Rushcliffe Borough Council.

Thank
You!

MR E.T.S ARCHER AND HIS SONS DAVID AND JAMES would like to thank their many friends in the Village most warmly for their support during Barbara's long illness, and their condolences on her passing on 21st November 1990, and especially the Doctors and staff at the East Bridgford Medical Centre, Dr Judith Banks, Nurses Jackie Wheeler and Enid Brenmand, the Rector who ministered to her, members of the Rotary Club and Inner Wheel Club of Bingham and District, and of the East Bridgford Women's Institute.

In addition to her wide knowledge of things biological, and her enthusiasm as a teacher, Barbara was passionately interested in the domestic arts, a skilled needlewoman and an enterprising cook. Her commitment and her fortitude throughout life, and particularly in her later years, will long stand as an example to all those who had the privilege of knowing her.

TED AND RUBY COLEMAN would like to thank their family for their help and support, the Rector for his visits, friends for all offers of help, cards and enquiries during Ted's illness and stay in Hospital. So pleased to say he is now improving.

VILLAGE HALL CHRISTMAS FAIR

Whilst the Village Hall's income from lettings serves to cover day-to-day expenses, the century-old building needs ever increasing and regular expenditure on repairs and renewals. Furthermore, the Hall Committee tries to maintain a high standard of decoration and the The Christmas Fair plays a vital role in providing the necessary funds. The Committree is grateful for all the support given by individuals and organisations on 1st December, which resulted in a sum in excess of £750 being raised for Hall funds. The Drama Group constructed the Christmas Grotto and provided a hard working

Father Christmas, the Women's Institute (cakes), the Badminton Club(Tombola), the Friendship Club(raffle), the Royal British Legion Womens Section (teas) and the Mother's Union (lucky dip) all made important contributions to the final total. Under their own flag the RNLI made sales of £163 and at the end of the day nearly £1,000 had been raised for charitable purposes, all in the course of two hectic hours.

A truly tremendous effort and sincere thanks to the many villagers who gave practical and willing help, who contributed goods and prizes, or who made cash donations.

STEVE CARSON, Corner Cottage, Walnut Tree Lane Tel: 20387 has now taken over the role from KIM LEVIS. We are so grateful to Kim for all her time and hard work over the past four years. She has introduced a whole new dimension to this area of our Church's work.

EAST BRIDGFORD CONNECTIONS 'DOWN UNDER'

A close association is developing between East Bridgford and Australia!

At a party held recently at my Daughter's house in Brisbane the following were present:
Dot and Geoff West and their daughter Ann (ex Brown's Lane)

Stuart Smith (ex Cherryholt Close)
Libby Whitehead (ex Moss Close - my Daughter)
Myself (a visitor from Moss Close)

A main topic of conversation was the Village and for a few minutes it didn't seem 10,000 miles away.

Should any reader know of anyone with village connections who lives in the Brisbane area and who they think may wish to indulge in a spot of nostalgia, please contact the writer who will arrange to pass on names, addresses and telephone numbers etc.

EAST BRIDGFORD TENNIS CLUB
1990 A MOMENTOUS YEAR

The Tennis Club has been in existence since the 1920's, playing on the two grass courts which are located behind Claremont House on Kirk Hill. Despite this idyllic setting, the irregular playing surface left much to be desired and consideration was given by the Club at the end of 1988 to the prospect of financing the construction of all-weather courts within the Village, a daunting task for a club with such a small existing membership.

Fund raising began in earnest early in 1989 and within the space of approximately 12 months, over £2,500 was raised from various sources. Thanks must be given to the supportive Parish Council and the Rushcliffe Borough Council for their assistance in providing various grants and loans, to the many village residents for their kind donations and to the enthusiastic club members who through their own efforts achieved half the required amount to enable the project to proceed. The new courts, which lie adjacent to the new Sports Pavilion on Butts Close, were officially opened on the 1st July 1990. Mr Bill New, a resident of Cricklade in Wiltshire, was invited to perform the honours, since it was his large and generous donation which proved to be the original inspiration for the project.

The Club enjoyed a fine summer, and membership has steadily increased to the current level of 47 families, together with 7 separate adult and 15 junior members. Players of all standards are made very welcome, and the fine facilities of the new pavilion can now be accessed by all members.

With a view to continuing improvements, the surface of the old courts is currently being completely renewed at considerable expense, and by the time the new playing season arrives in May, the Club will possess two fine grass courts in addition to the new hard courts facility.

Junior and Adult coaching courses have been undertaken and more are planned for the coming year. Subscription rates for 1991 (from May) will remain unchanged at £50 for families, £35 for Adults (over 18) and £15 for Juniors. Anyone wishing to join before May will be able to do so at reduced rates (contact Richard Watkins on 20080). Non-Members can still book use of a court at the rate of £3.00 per hour.

The Tennis Club Barn Dance held in the Village Hall on 1st December, when 'Pigs in Clover' provided the entertainment, was a stomping success. It was particularly nice to see so many youngsters join in the fun which made this a real family event.

WASTE PAPER COLLECTION

A container will be on the Village Car Park from 3 p.m. on Friday, 8th February, 1991, until 11-30 a.m. on Saturday, 9th February. 50% of the proceeds of this collection is to be donated to the Sunshine Gang.

The last collection raised £45-54

Any help in loading the container over the two days will be very much appreciated.

Remember those Aluminium drink cans; bring them along at the same time. The Tennis Club will arrange for re-cycling.

NEIGHBOUR HOOD WATCH

Since the launch of our scheme in September last a number of things have happened.

1. N.H.W signs have been fixed on roads into the village.

2. Area wardens have distributed copies of Nottinghamshire Neighbourly News (NNN) across the village.

NNN is a new publication covering all aspects of Crime prevention and is to be published quarterly.

3. Many properties in the village now display the round N.H.W stickers stating post-coding of property. Anybody not being able to obtain an invisible marker pen, with which to post-code their valuables, can borrow mine.

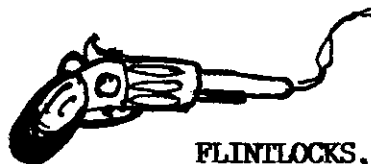

4. There have been a number of car and garage break-ins across the village in the past two months. As reported in NNN - pages 2 and 6 - car crime is increasing alarmingly across the county. No easy solution exists, but you can make it more difficult for the criminals by following the advice given by P.C. John Newton in an article in this month's magazine.

JANUARY MEETING

Daphne Oxland came and spoke enthusiastically about French Regional cookery. She told us of her own experiences in a variety of places in France where she has sampled the local fare. Members made notes of ideas as their mouths watered. In February come and hear about make-up techniques.

FLINTLOCKS, MUZZLE-LOADERS AND RIFLES

Last November was held the South London Rifle meeting at Bisley. There were 520 entries, and it was good to hear that our entry from East Bridgford brought home 11 medals from 12 events, firing his Military Match Rifle (Army Issue) 1850-700 of his own making.

Recently he won the Individual Silver Medal at the European Championships in France, as well as being a member of the 20 strong England team which won the Team Silver.

John Higgs must have been influenced towards an interest in guns and ballistics from an early age. Born in Colchester, his father was in the Army, and his grandfather joined the Army and fought in the Boer War (1899-1902). The tradition continues, for while son Peter's activities at the corner on Kirkhill are known to us, his brother Richard is an Instructor in the Small Arms School Corps in Warminster, and brother Trevor is in the Royal Artillery. Father John frequently toured Army groups after his service to lecture on the 'History of the Rifle'.

We will have the pleasure of his company to talk about 'Antique Weapons' at the Men's Society on March 19th. John was responsible for the successful firing of the cannon at Belvoir Castle recently in celebration of the Duke's 50th Anniversary as Duke.

John Higgs is a life-long member of the Muzzle-loaders Association of Great Britain and takes part in National and International individual and team competitions, even though hampered by British Customs Regulations which classify all these historic guns and rifles as 'Modern Weapons'!

His expertise covers firearms including the Flintlock Brown Bess of 1770, which 900 men in two ranks could be trained to fire 3 times in a minute, putting up a barrage of 80,000 $\frac{3}{4}$ " lead bullets, these monsters were not accurate, but could penetrate 9" timbers, and had a range of 800 metres.

Other Army issues included the Baker Gun of 1809, firing 20 bore ball shot, the Enfield Long Rifle from 1853, and the Match mentioned above. The .303 Short Lee Enfield, much beloved rifle of the Great War, is still being used on many Rifle Ranges today, sometimes modified to fire .22 rounds. East Bridgford Rifle Club at Epperstone is available if anyone wishes to begin rifle and pistol shooting.

I'm sure our best wishes go to John Higgs on any future Championship competitions, whether in Canada, South Africa or Europe.

Dear Madam Editor,

As I write this (before Christmas) I am aware of numerous appeals, both for cash and gifts of food, bedding, bring and buy items etc. Some appeals are one-off or seasonal, but many are seeking long term help and support. Though these Charities may find it easier to get us to give at Christmas, the needs of the homeless, for example, are with us throughout the year.

I have been involved in several collections of goods for re-distribution, since coming to this village, and have been aware that people are generous and are often looking for the right outlet for something they have to offer.

I have had enquiries prompted by spring cleaning, or a house move or, sadly, a house clearance, but the question is always the same. Do I know if an item could be of use, and how can it be got to the recipient? This has led me to wonder if a directory of some charities with specific needs would be useful. A contact address would be necessary, perhaps of a local supporter who could either accept items until their charity can collect, or help make arrangements for goods to be forwarded. The aim would be to enhance charitable giving, not to poach off a favourite charity or emergency appeal. Can we put together the right information to channel local generosity and do a bit for re-cycling in the community?

Through the Village Magazine I would like to ask for comment on this suggestion. I can be contacted at the address below.

Yours sincerely

POLICE

THEFTS FROM VEHICLES & GARAGES

Information from your local Police:

East Bridgford amongst other local villages is at present suffering from Thefts from motor vehicles and Garages.

Simple Crime Prevention measures could help avoid these THEFTS.

1. Valuable property should be removed from vehicles and taken indoors whenever possible.
2. Any property left in vehicles should be locked away in the boot.
3. If you have a garage put your vehicle away and lock it.
4. Do not leave garage doors open during the daytime for all to see your property, some criminals will visit an area during daylight hours intending to re-visit that night to steal. It's no good advertising what you have stored in the GARAGE.

I know time is valuable, but it doesn't take long to follow these simple rules.

A matter of seconds can save you £... 's and in some cases a lot of Heartache.

ST. HELEN'S CHURCH - KNEETON

PARISH FUNDING CAMPAIGN

During February and March, St. Helen's Church will be introducing a new Parish Funding Scheme. This will be on similar lines to the Funding Campaign held by St. Peter's in the past and is designed to place our finances on a firm foundation for the future.

There can be no doubt that this campaign is important to the future of St. Helen's. Our income must increase if we are to remain open for regular services.

The experience of many other Parishes in the Diocese, both large and small, confirms that through this new Funding Scheme our needs can be met and the financial future of our Church assured. During the campaign we shall be informing every family in Kneeton and others who have links with St. Helen's what these financial needs are.

We shall be asking some new families to join the Scheme, and we shall ask all those already giving to review the value of their support in the light of our present needs.

The most important meeting in the Programme will be the Information Supper, which we are holding at the home of Miss Ann Neale on **Sunday 10 March**. Everyone who lives in Kneeton should receive an invitation during February, but if by some mischance you do not receive yours, please let the Rector know.

Do please come along - this Supper will be a very enjoyable evening, as well as an opportunity to hear at first hand what our plans and needs are for the future.

For many centuries St. Helen's Church has stood as a living witness to the values of Christianity and has ministered to generations of Kneeton families. I am convinced that we shall all wish to support this Witness and Ministry, so that St. Helen's can remain open to meet the challenges of the future.

CUBS REACH LAST FOUR

Two fine victories over Aslockton cubs in December have seen the East Bridgford and Shelford pack's football team reach the semi-finals of their area competition.

After hammering Bingham 14-0 in November, East Bridgford travelled to Aslockton and recorded a fine 5-2 victory, thanks to a hat-trick from Adam Short and two goals for debut boy Andrew Mallows. In the return match Aslockton took an early lead but East Bridgford came back to win 7-3. Adam Short again scored another hat trick, with Matthew Docksey getting two and Danny Moore and Jonathan Watkins also scoring. Other players who have been outstanding include Jamie Pearce, Rowan Temple and Robert Woodward.

The fact that the boys had a home match at all goes down to much effort on the part of a series of people. After some mindless vandal broke the old crossbars, Peter Hatfield of Profabs Ltd of Bulwell kindly donated metal for two new bars and these were lovingly painted in his own time by Richard Watkins. Thanks also are due to Notts County Council groundsmen Chris Shilling and Jim Adams who erected the posts.

The most recent match also saw the team playing in impressive light blue kit, thanks to the generosity of Cavendish Finance, who have kindly agreed to sponsor the team.

EAST BRIDGFORD MEN'S SOCIETY

Hello, the next Meeting will give most of us a nostalgic trip back in time on **TUESDAY FEBRUARY 19TH** for **STEAM RAILWAYS**.

As usual the venue is the Committee Room of the Village Hall at 8pm and all males are welcome. Please let me know if you have suggestions for the summer programme.

TALES OF THE RIVERBANK

Glebe Conservation Group Plans for the Old Toll Bridge area were frustrated last year by a Bank Holiday maker who took an extended vacation on the site. The lady has now long gone but although Rushcliffe agreed plans for a proper pull-in and kerb/plantings to discourage squatters and fly-tippers, the technicality by which the squatter was moved on prevents any such development. Prevents it, that is, until we have approval by the Minister of State!

However, soil could be removed from the bridge surface and essential tree management be carried out. Although at present the Trent is virtually running under the Old Bridge, we would like to get together a small working party for one weekend in February to make a start. We wish to hear from anyone willing and able to wield a spade and wheel a barrow for a few hours one Saturday or Sunday. The more helpers, the quicker the task will be accomplished and the team able to repair to the warmth of the Royal Oak! Do please ring Mike Geisow on East Bridgford 20668 if you can help. The weather is so unpredictable at this time of year that the exact dates are better fixed by arrangement with volunteers nearer the time.

For anyone wondering about the large amount of soil that appeared near the site and became, for a time, a dumping ground, this came from the sewage farm and was nothing to do with us. The failure to put up a fence at the time (it's now in place) led to the inevitable parking and tipping.

Those who regularly stroll along the path above the cliffs from Russell Hunt Marine eastward towards Kneeton (you can't stroll below - the path has been washed away) will know the hanging woods that are such a feature of this part of the Trent. These do not appear to have had the benefit of management in many years and are deteriorating in some places to hanging scrub. Once managed and coppiced for wood for items like tool handles, the incentive to look after them now (for amenity and wildlife) isn't quite the same. I'd be interested to hear opinion and views about the state of this quite extensive marginal woodland above the flood plain of the Trent. Finally, the Trent Glebe Conservation Group would like to thank those who have helped or taken an interest (including a very kind donation) despite our present lack of activity. Hopefully, there will be more to see in 1991.

PLANNING APPLICATIONS AND R.B.C.DECISIONS

M1/90/1242/P Mr & Mrs I.F.Tomlinson. Sitting of mobile home, use of stable as equine physiotherapy unit at The Stables, Butt Lane. The Council objected to the expansion of the stables into a business and regarded the proposed application to be the first step towards the establishment of such a business which requires residential accommodation to be built in a green belt area.

The following two applications were received after the compilation of the Agenda.

The Council agreed to consider them.

M1/90/11234/P Hoveringham Builders Ltd. Revised plan for bungalow with double garage. The Council did not object.

M1/90/1297 R.G.Baker 47, College Street. 1st floor side extension, garage extension, utility room. The Clerk to check with R.B.C as to whether there is a building line issue involved. The Council was unable to reach an opinion until a site meeting has taken place. This is to be next Sunday, 10th December. Should the building line be an issue, Council agreed that the Chairman be authorised to object, otherwise the Clerk to be told of the outcome of the arranged meeting. The Clerk to inform absent members of the Council of the meeting if necessary.

R.B.C.DECISIONS

M1/90/1114/P C.G.Comerie, Grant permission with usual conditions for side extension and chimney stack at 'Fairview' 9 Butt Lane.

M1/90/1007/P Mr M.J.Stripling. Grant permission with usual conditions for first floor side and single storey front extension, detached garage at 8, Bridleways.

PLANNING APPLICATIONS AND R.B.C.DECISIONS

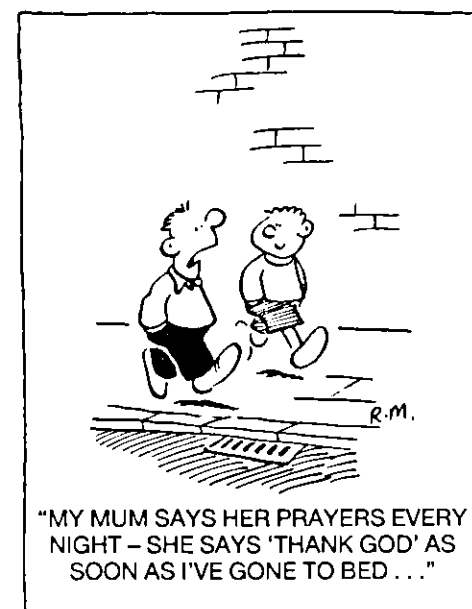

M1/90/1309/10/P J.Murphy - Construction of pitched roof at Manor Lodge, Kneeton Road (includes listed building consent). As R.B.C has already granted consent to these application the Council just studied the plans in order to monitor the building already being undertaken. The Council noted the reversion to the original plan by Hoveringham Builders for the property to the rear of Straws Lane.

An Easter Message from the Rector

CHRIST IS RISEN

The authorities of the Soviet Union were worried about the persistence of faith in a particular area, despite their campaign against religion. A party official was sent out, who declaimed to the crowds in the Village Square on the merits of scientific atheism. By the end of his speech the crowd seemed subdued and exhausted, but then a village priest rose up and shouted CHRIST IS RISEN. With one voice they responded, HE IS RISEN INDEED.

The persistence of religion in the Soviet Union, so that, despite all the attacks on it for seventy years, there is now a higher percentage of active believers than in this country, is one of the most remarkable stories in history.

One reason for this courageous endurance is the belief in the Resurrection of Christ, which undergirds and imbues every aspect of Orthodox Church life. Western Christianity has tended to focus on the Cross, Eastern on the Resurrection.

They are two sides of one glorious truth, but our own Church life needs to be inspired anew by the faith we celebrate this Easter Day in a way which carries on through the year. Every Sunday is a feast of the Resurrection. The Resurrection is the reason the first Christians, though they were pious Jews, moved the Sabbath from Saturday to Sunday.

If you or I got up in any of the delightful villages of this deanery and proclaimed CHRIST IS RISEN, what would be the response?

Alas, probable silence! We would probably be greeted by a blank look.

May we come to realise that it is not as isolated individuals, but as believers within the Body of Christ that we seek to live out the life of the Risen Christ. As we ourselves are renewed by the joyful celebration of Easter, so we shall witness to the Risen Lord.

May God bless us all in this great task.

Alan Haydock

DEAR EDITOR

PARCELS

As a parent with a Son in the Gulf, I am aware of the needs of our Soldiers, who, having no relatives, would welcome a parcel from back home. United Carriers - Leicester branch, are sending these parcels free to the Gulf and I wonder if anyone would like to donate a parcel, or items for parcels to these men.

Packet soups, Sweets, Insect repellent, Cakes, Talcum powder, Deodorant, Bottled water, Soft drinks and Hand wipes are just a few of the things that would really be appreciated.

If you would like to contribute, no matter how small, I would be willing to act as co-ordinator and pass these parcels to United Carriers.

Any single item or parcel (together with your name and address) can be delivered to the Workshop on Kirk Hill or at Orchard Close. My telephone No. is 20671 daytime or 20406 evenings.

Many thanks.

PACK OF LIES

I have seen most of the E.B.D.G productions since they started and have come to accept that their acting, production and attention to detail are of the highest standard. In this drama by Hugh Whitmore I was not disappointed.

To be able to enjoy any theatrical performance the audience have to agree to believe that the staged fiction is fact. It therefore came as a shock to open the programme (always free and always good) to see the statement 'The main events of the story are true'.

The real life action took place 30 years ago in the London suburb of Ruislip where Helen and Peter Kroger lived at 45 Cranley Drive. They were American citizens and along with Gordon Lonsdale and others were caught and sent to prison for spying for the Russians. Those are the bare bones of the plot, fleshed out and brought to life during this extremely well written play. Well titled too, because as the drama unfolds we are treated to a display of deceit, betrayal and lies by all of the characters.

The Krogers, trained by the K.G.B to pass secrets back to their masters in Russia have deceived the whole neighbourhood into believing that they are above reproach, a little eccentric perhaps, but very kind, friendly and generous, especially to the Jacksons who live opposite them. Bob and Barbara Jackson together with their daughter Julie are persuaded to betray this friendship by allowing their house to be used by two 'Policewomen' as a lookout post - the spies are being spied upon.

The Jacksons agree to this deception after a visit from Mr Stewart, a secretive and mysterious Civil Servant, 'and that' he says 'can cover a multitude of sins. He is persuasive and to use a true and recent Civil Servant's phrase, is extremely economical with the truth. He promises the Jacksons that his watchers will only stay in the house for one weekend, but it goes on for months. The effect that this has on the Jackson household gradually unfolds, creating tensions amongst them which explode from time to time into highly emotional outbursts interspersed with stilted conversations between the two couples and an uncomfortable Christmas party. The final act of betrayal, comes when it is revealed that the Krogers were released from prison after serving only eight years of their twenty year sentence in exchange for an English spy jailed by the Russians.

The audience was totally gripped by the plot and they signified this by their responses during the play and by the long curtain call. The actors deserved it. Jean Starbuck and Jeff Caunt played the Krogers without fault. It cannot be easy to maintain an accent for such a long time any slip would have broken the spell. Jean's portrayal of this friendly over the top woman was a gem, neatly contrasted by Jeff's down-beat bookish performance. The very ordinary suburban Jacksons were played by Yvonne McGuinness and Alan Haydock. Yvonne's gradual transformation, or was it degradation, from a quiet frumpy housewife to an outraged nervous wreck was well judged as was her rush across the stage to be realistically sick in the kitchen sink. Alan's decline from mediocrity - where he was 'truly happy' - to a puzzled and embittered loneliness was difficult to watch without crying in sympathy. Helen Blackmore as their always bored teenage daughter Julie, had me believing totally in the character as her emotions seesawed in typical teenage manner.

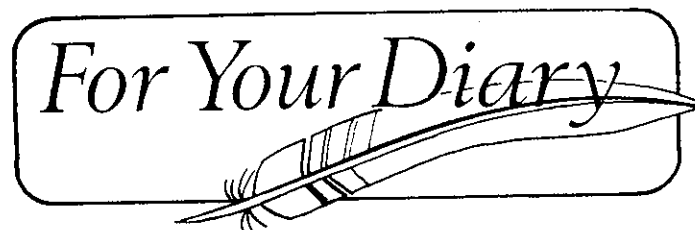

Bob Levis was the enigmatic and shadowy Mr Stewart, his arch, haughty performance made the Jacksons' submission inevitable. The two Policewomen - Vicki Rees and Jane Page kept their distance from the dramatic happenings, as I would expect from transient voyeurs.

The lighting was noticable in this play as each scene was preceded by an actor speaking to the audience under a spot while the set was blacked out to allow for subtle, but important changes. The set itself was well planned to squeeze in a hall, stairs, living room and kitchen, all correctly decorated and furnished to fit the period - and did you notice that they made real tea with boiling water from an electric kettle that worked?

The producer and Director, Kim Levis saw this play many years ago and it fired her to join the E.B.D.G. Since then she has worked her way up through various acting parts until now she has come of age on the stage. Well done Kim. Well done E.B.D.G.

Follow that, Dr Geisow.

EAST BRIDGFORD TENNIS CLUB

MUCH ADO ABOUT NOTHING?

It was reported in last month's issue that the Tennis Club had been successful in raising over £2500 needed to finance the construction of the two new all weather courts on Butts Field.

Some villagers may have wondered that the courts appeared to be extraordinarily good value for money and, at these prices, you may yourself be tempted to convert that spare corner in the rear garden into your very own Tennis Courts, using the Tennis Club's contractors.

To all such enthusiasts I regret there is some disappointing news. The Club actually had to raise over £25000 for the new courts.

A case of nothing missing!

Don't throw away your old phonecards!

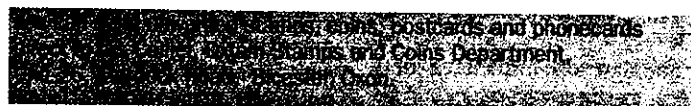

PHONECARDS! In Scandinavia and Japan they're the latest collectors' craze. So Oxfam's Stamp and Coin Department is desperate for more phonecards, which can be sold to international collectors.

Iris Collier, the Department's supervisor explains; 'We need as many used phone cards as possible. We are getting requests for them all the time and we just can't get enough of them to keep up with the demand; not just the special edition cards that you get at Christmas, but the plain ordinary ones as well'.

The Stamps and Coins Department also collects stamps, coins and, especially, postcards, which can all be resold to raise money for Oxfam. Last year the Department raised over £200,000.

Postcard sales, in particular, are booming - at one recent collectors fair, over £2,000 was raised in a single afternoon.

The secret to this success story is knowing what's valuable from what's not. A very ordinary looking postcard could be worth up to £20 to a collector, but many are sold for only a few pence in Oxfam shops. So now Iris is trying to encourage all the shops to send all donated postcards, stamps and coins to Bicester for valuation before they are sold. ■

THE RECTOR'S PAGES

THE GULF WAR AND PEACE

Freedom - loving people throughout the world were shocked and outraged when Saddam Hussain's invasion of Kuwait began and, later when reports of the atrocities inflicted on the Kuwaiti people became known.

The international community, including many of the Arab nations, have condemned unequivocally this violation of Kuwait's sovereignty and its people. Many of these same people felt a deep sense of regret and sorrow at the news of the first air attack by the Allied Coalition Force on Iraq and at the deaths and injuries caused to civilians by the bombing.

Some argued very strongly that sanctions and negotiations should have been given a longer time frame and that the war could not be justified on moral grounds. The reason for the war was to safeguard western interest in the region and to maintain continued access to supplies of cheap oil. Others argued no less strongly that the just cause of the United Nations to liberate a member state would have been further jeopardised by a postponement of military action. The first act of war occurred when Iraqi troops invaded Kuwait on 2nd August 1990. It is argued that leaders like Saddam Hussain take advantage of protracted negotiations to further their own purposes and to gain military advantage, and that, regrettable as it is, force must be used to stop his ambitions.

The Gulf War was, therefore, a just war. Christians are to be found on both sides of these arguments.

Whatever the rights and wrongs may be, a war has been fought between the Allied Coalition Forces and Iraq. Now that hostilities have ceased, the calling of all Christians is to be peace makers. The Church must exercise a ministry of reconciliation, prayer and care. It means that we must continue to pray faithfully for the resolution of the problems, which brought about this conflict and for a just and sustainable peace. It involves us, also, in the support and care of the families and friends of the service men and women in the Gulf. For many the experience will have left an indelible memory and a lasting effect upon their lives.

At St. Peter's and St. Helen's we have focused our prayers on the safe return of Flt. Lt. John Peters and Flt. Lt. Rupert Clarke, who are former students and friends of John Wheeler. They were missing for several weeks, but, thankfully, returned to their families recently. Through them our hearts and our prayers go out to all the families, whose relatives have not returned alive or who are reported missing. May they receive all the love and support that they require at this time and in the weeks and the months ahead.

A.H.

Prayer for Peace

O God, in whose perfect kingdom no sword is drawn but the sword of righteousness, and no strength known but the strength of love: so guide and inspire the labours of those who seek to establish righteousness and peace among the nations, that all peoples may find their security, not in the use of arms, but in the perfect love that casts out fear, and in the fellowship revealed to us in your Son, Jesus Christ our Lord.

ANNUAL PARISH MEETING

This year's Annual Parish Meeting will be held on Monday 22nd April at 7.30pm in the W.I.Hut.

This meeting is your opportunity to receive a report on the activities of the Parish Council over the past 12 months and also details of the various organisations within the village.

It is also your opportunity to raise matters of concern or interest within the village and bearing in mind that this is the year in which we elect a new Parish Council, you may consider this to be an ideal opportunity to acquaint yourselves of the workings of the Parish Council.

ANNUAL MEETING

PARISH COUNCIL ELECTIONS

"The Parish Council never gets anything right"....."I could do better myself".

If you have ever thought like this, now is your chance to do something about it. On Thursday 2nd May the village elects a new Parish Council (and Rushcliffe District Councillor). All the electors can make their choice on the day, but some of you may wish to go a step further and stand for election onto the Council.

Before you turn over this page, remember, we could all leave it to somebody else, but then we have no right to complain - so think about it. Your village needs you! Party politics do not play a part in Council Affairs.

At least 2 members of the present council will not be seeking re-election so it is vitally important that these positions are filled.

FACTS: East Bridgford Parish Council has 11 members, meets once a month under a Chairman elected from it's members and is served by a paid Clerk. Nomination papers are available from the Returning Officer, the Civic Centre, Pavilion Road, West Bridgford, or from Steve Cumberland, Parish Council Chairman, 25 Croft Rise and have to be returned by noon on 5th April 1991. Candidates must be 21 years or over, resident in the Parish (or within 3 miles of it) during the 12 months previous to election, or have worked in it for 12 months.

If you wish to find out more about what is involved in being on the Council, please do not hesitate to give me a ring on E.B. 20997.

W.I. EAST BRIDGFORD

On March 12th it was the Annual Meeting, where we indulged ourselves with Cornish Pasties and Cider. Mrs Margaret Foss agreed to be President again and Mrs Laura Kluge Secretary, so no changes at the top which gives a nice settled feeling. Mrs Oates from 'County' gave a lively talk about the back room work of the W.I Marquee at the Newark Show. What a shopping list!. She also organised the voting for President. There was a Silent Auction with a good theme which produced some interesting articles. In fact it was a well attended, very enjoyable evening. The next meeting will be April 9th and a change of speaker. It will now be Chris Hughes from Radio Trent. Why not start the W.I year with us. Come along.

M.B

A' THANK YOU' FROM THE GULF

Today I received a 'bluey'* from the Gulf saying, Dear Maureen and Members of East Bridgford Parish - a 'thank you' from the lads on Launcher 14c 'D' Troop 32 Heavy Regt Royal Artillery.

But why did Alan Smith write on behalf of his 5 comrades who were proud to be the first British Army launcher crew to be in operation in the Gulf conflict, right up on the border of Iraq occupied Kuwait and Saudi land? You may even have seen them on some of the early TV Newsreel reports launching their reconnaissance drone.

Well, remember John Higgs wrote in the Magazine 5 weeks ago that there were some lads out with his boy in the desert, who, for various reasons, were not getting any mail or parcels, so could we, perhaps, as a caring Parish provide some sweets, biscuits or any other suitable goodies, and if so, then he would arrange for them to be sent out.

So, any of you who patronize our Newsagent's shop will know that I 'badgered' many of you who came in to buy sweets, to buy an extra packet or tube and donate them to our 'boys'. John Higgs forwarded them as promised, so the 'bluey' was their 'thank you', not only for the parcels, but also because it let them know that they were not forgotten, and that as Alan wrote 'the people back home are thinking of us'. He went on to say, with a sigh of relief, 'the war is over and we are just waiting for news of how long it will be before we can come home'.

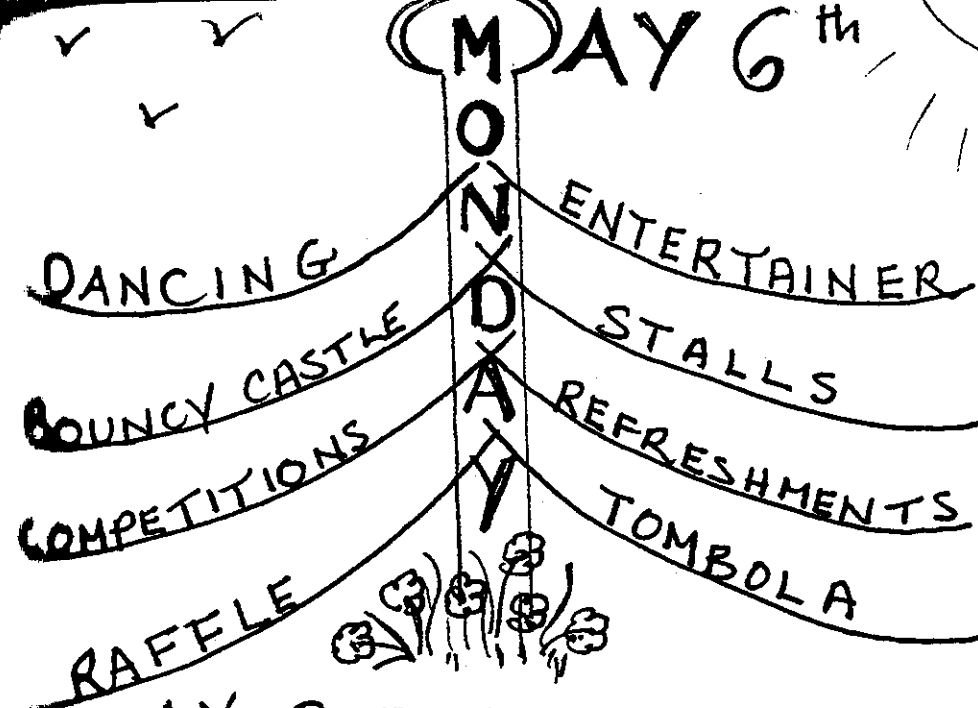

He also says a thank you to the Iraqis for leaving so many of their tanks lying around for them to play with, but they need to be careful because of all the booby traps in them.

However, his crew of John, Chris, J, Rob and Grey say 'thank you' and wish all in East Bridgford 'the very best'.

I can only wish, and I hope you will too, that all 6 of them will soon be safely back home - their job well done, with professionalism and pride.

Maureen Cottee

An Invitation

CAN YOU SPARE A LITTLE TIME FOR THE YOUTH OF TODAY?

East Bridgford Youth Club is a Voluntary Club supported by Nottingham County Council Leisure Services. The Leisure Services employ our qualified Youth Leader (Peter Pacey) and his Assistants and also contribute by way of grants towards the running of the Club.

The Management Committee supports the Youth Leaders and Members by fund raising, helping with activities and organizing events such as the Senior Citizens Xmas Party. The present Committee are all long serving volunteers and deserve much credit for the success of the Club. However, a number of the Committee Members have indicated that it is time for 'new blood' in order to generate new ideas and enthusiasm.

If you are interested in sparing a little of your time for the sake of the young people in our village, please contact David Short (20696). The Annual General Meeting will be held in the Youth Club at 8.30pm on Friday April 5th.

During the meeting the Committee will be elected, the accounts submitted and the Chairman's and Leader's Reports will be given. The meeting is open to anybody, including Youth Club Members and their parents.

*Thank
You!*

Jeanne and Michael DENNETT would like to thank the Rev. Alan Haydock, family and friends for the letters, cards and kindness shown in the sad loss of their father WILLIAM RICHARDSON of Bramcote.

EAST BRIDGFORD VILLAGE HALL

A Jumble Sale on Saturday 13th April is the first of a number of special fund-raising efforts to help meet the cost of extensive repairs to the Hall roof, estimated at over £15,000, which a surveyor's report has shown to be required. It is hoped that villagers will be particularly supportive of this event and, if collection of goods is required, should contact:

Tony Ford 20932

Jack Symons 20915

Bill Widdison 20185

Diana Lewis 20224

At the Hall Committee's Annual General Meeting in February, it was noted that over £3,000 had been expended on repairs and re-decoration during the financial year just ended. A warm tribute was paid to the devoted work of the Caretakers, Mr and Mrs Widdison.

It is anticipated that the next fund-raising event will be an Exhibition of Antiques and Bygones by the Trent Valley Agricultural Preservation Society during June.

EAST BRIDGFORD METHODIST CHURCH - WASTE PAPER COLLECTION

The February collection raised £69-14, and we are grateful to all of you who contribute in saving, collecting and loading.

The next container will be on the Village Car Park from 3-30 pm on Friday, 19th April, until 11-30 Saturday, 20th April; 50% of the proceeds to be donated to the Mothers' Union.

Any help in loading the container over the two days will be appreciated.

St. Helen's Church Kneeton

ST HELEN'S FUND

Kneeton's Fund-raising scheme, 17th February - 24th March.

When the Rector first mentioned it my heart sank. I had been involved in the scheme for St. Mary's, Radcliffe on Trent, and at the end of it cried 'Never again!' I think most of us are embarrassed at the prospect of asking people for money, however worthy the cause. (Bookmakers excepted!)

However... a meeting was held for training visitors on 6th March, and one could not but admire the Diocesan Parishes Director, Carole Healy, for her enthusiasm and efficiency, preparing the leaflets, as well as her sympathy and understanding.

Then came the invitations to Supper at Ann Neale's cottage after Evensong on March 10th. About 50 people from the village, from East Bridgford and round about accepted. The evening was a resounding success, with good company, good wine and excellent sit-down 'supper', with coffee to follow. We also heard briefly from George Neale, who naturally blamed Alan Haydock for being guilty of attracting more to worship at St. Helen's, so causing our Diocesan Quota to rise to about £2,000 a year! (Every Parish has one).

The Rector then spoke and put to shame the doubters among us by his enthusiasm and supreme confidence that we could reach our target of £3,000. Finally Carole Healy fully justified the title 'Parish Information Supper' by distributing booklets, leaflets and comment on the Church Commissioners, the Diocese of Southwell, as well as the particular needs of St. Helen's.

Now came the tough bit! Carole allocated all those present to a Visitor. We made a date to see our share, five in my case, and distribute Covenant forms, Banker's Orders and help explain any part of the Scheme that might cause problems.

Two weeks in to our month before the shelf life date of the enterprise the response has been good. The crucial benefits of giving by Covenant, tax recovery and assured income on which to plan the Church's upkeep, has been gradually appreciated. There were those who had understood that the purpose of the 'Supper' meeting was to discuss ways of raising funds for the church, such as fetes, open gardens, sales, sponsored activities, coffee mornings and new ideas, who felt they were there under false pretences, but at the end of the day we all joined in a very sincere 'thank you' to our hostess, Ann Neale and the many hands that made 'light' work of the preparations, the serving of the meal, and the washing up! It will be interesting to hear the final result of the scheme from Ann Romalla in May.

Point to Ponder

I would just like to thank the people who still use the footpaths in this village, especially the ones near the playing field and at the back of Moss Close, as a toilet for their dogs. Today, not only have I just finished cleaning my son's shoes - yet again, but have spent 20 minutes cleaning my bike, which I was pushing along beside him.

It's very difficult to remove this revolting stinking mess from the tyre treads and individual spokes. It's also very annoying to have to repeatedly say 'watch where you are walking'. The last thing a small child is interested in is where he is walking, he just wants to run about and have a good time, to say nothing of the danger to his eyesight should he have the misfortune to fall in it.

It's about time that dog owners took responsibility for their dog's excrement, and either take them where people do not like to walk, or take it home with them.

I know I speak for most mums of school and pre-school age children in this matter. Perhaps we should all get together and deposit our children's faeces all over the village and see what response we get. Perhaps we shall be thanked also!

Marlene Emblin
11 Moss Close

We make no apology for returning to the subject of 'dog mess' again in this magazine. I know some villagers will be complaining 'Not that again' but mothers of children at St. Peter's and the Playgroup are totally sickened by this problem which is now worse than ever. We are all privileged to live in a beautiful village yet some of our dog owners seem continually unconcerned that they are turning the busiest path from the Main Street to the school and playgroup into what can only be described as a 'dog's toilet'. These owners are all well aware that this path is used by crowds of young children, toddlers and mothers all through the day. We are sick to the stomach with the 'obstacle race' we and our children are made to face each morning, many of us having to scrape the stuff off shoes and pram wheels. It is an intolerable situation.

We appeal to these few guilty dog owners, it is your responsibility to keep paths used by our children in a decent state - use a 'scooper'. Can't you use the back roads instead? Can't you train your dog to go in a suitable part of your garden instead of the pavement or school playing field? Ask yourself how you would feel if any child from this village was to suffer blindness or infection from your dog's 'mess'.

Following on from the above letter, I too, would like to register a protest. For a few years now my husband and I have tended the 'common area' at the bottom of Croft Rise, including grass cutting. We and others get a lot of pleasure from this area looking nice, BUT, unfortunately this too is becoming a dog's toilet. Surely a little consideration from owners is all that is necessary.

Calling all budding artists. This is your chance to become famous and have your picture on the front page of the Village Magazine. We are looking for a suitable picture/illustration for May's edition of the magazine which depicts the month of May or anything related to it. Please send your pictures to the editor no later than 16th May. Your contribution will be very much appreciated, so get started right away!

The Children's Society

The House to House collection will take place in the week beginning April 7th, this year.

The Society helps children and young people in need, irrespective of religion, colour or race. The work for the homeless has been extended to the streets of Manchester, Leeds and Newport. Many more holidays have been provided for the disabled. During the past year, 11,000 children, young people and their families have benefited.

If you would like to have more information about the Society's work you may write to Children's Week, Freepost, London WCLX OBR.

We ask for your support.

We are grateful for the life and example of our Patron, Saint Peter. We shall also be recording our gratitude to those from East Bridgford and the surrounding villages who served in the two World Wars. Do please join us that evening.

Mr & Mrs Patrick H Blandy have kindly invited the members of Choir and Congregation, together with both sections of the Royal British Legion, to meet the Bishop and share light refreshment in their garden at Cottle Hill House after the service.

26TH MAY TRINITY SUNDAY

Our Editor tells us that a number of our readers have asked for details of the diary. Following installation of the lights last September to commemorate special events within the Church calendar, we invited all members of our community to have our Church floodlit to celebrate happy events, birthdays and anniversaries or to remember loved ones, and to share these if desired with other readers through publication in the diary. A donation not less than £2 was requested to defray running costs.

Please contact the Rector or Churchwardens for more details, remembering that each issue of the Magazine closes for press on or about the 15th of each month.

A LETTER FROM GUNNER TREVOR HIGGS, 57 BTY AND SIX OF HIS COLLEAGUES

Dear Rector

I should like to say how grateful I am to you and the residents of East Bridgford for all the support you have given me and the fellow members of my battery. The parcels you sent were great for morale and they helped to break up the long, boring days.

I know a lot of the lads have written personally to the people involved, but, because not all the parcels contained a personal address, I should be very grateful if you could pass on our deepest thanks for all that they have done for us.

Yours faithfully

T.Higgs

"MEET METHODISM", EAST BRIDGFORD
4TH-14TH JULY, 1991

Some few years ago, the Methodist Church in East Bridgford mounted an event entitled "Meet Methodism". Through a variety of events people of the village were invited to share worship and to view what Methodism is about.

This year, from 4th-14th July, we are repeating the project. An opening worship to celebrate the Church Anniversary will take place on Thursday, 4th July, at 7-30pm, when the Rev. Alan F. Barker from Upminster, Essex, will be the speaker. Sybil Hunter will be Chairperson.

Friday, 5th July at 7-30 will see a special meeting for the Men's Society. On this occasion the Methodist Chairman of the Nottingham and Derby District, Rev. Geoffrey Clark will be our speaker on the theme, The Growth of Methodism from Wesley to Today.

Saturday, 6th July, a Coffee Morning and exhibition of the various divisions of Methodism, such as Overseas Work, Youth Work and Social Responsibility, will be mounted from 10am, and in the evening a Concert which will feature young people at 7pm.

Worship on Sunday, 7th July, will be conducted by Rev. Graham Coleman at 10-30am and Mr. David Morris at 6pm.

The programme will continue on Tuesday, 9th July, at 7-30pm, when a visit to the village will be made by "John Wesley" on horse-back. An evening Garden Party at the home of John and Sybil Hunter will take place on Thursday, 11th July, when proceeds will be for Methodist Homes for the Aged.

Overseas Missions will be the feature of a programme on Saturday, 13th July at 7pm, when a slide presentation will be given of work on the Solomon Islands in the Pacific Ocean. This will be followed by a Fish and Chip Supper.

The climax of the period will be on Sunday, 14th July, when worship in the morning at 10-30am will be taken by the Rector, Canon Alan Haydock, and in the evening a Service of Praise service will be conducted by Rev. Graham Coleman at 6pm.

We do hope that many people will take the chance to share in this event, which is designed to show what the Methodist Church has to offer in the life of the village, and in cooperation with our friends in the Church of England as the Churches together seek to witness to East Bridgford.

St. Helen's Church Kneeton

KNEETON NEWS

Following the launch of St. Helen's Funding Scheme reported on by Rover! last month, we are delighted to be able to report an outstanding success.

Our target of £3,000 has been well and truly smashed and the total promised is now over £4,700.

The Church Wardens and P.C.C. wish to say a most sincere THANK YOU to all those who in any way helped to make the effort such a success. Special thanks to Alan Haydock without whose enthusiasm and confidence none of this would have happened. To Carole Healy who ran the scheme with such sincerity and efficiency and who we came to know and like so well as she worked and worshipped with us over several weeks, and to the VISITORS (soon reluctant volunteers) who completed their job so quickly.

Finally to those who in the end really mattered. Those from Kneeton, East Bridgford and much further afield who gave their covenants and pledges so generously. There is much work in prospect at St. Helen's. The complete electrical rewiring is to be undertaken in June, so hopefully no more services without light next winter.

Unexpected and costly organ repairs have suddenly become necessary and new carpeting for the Nave, Chancel and Sanctuary is in the pipeline.

Many of us are very busy working on 60 Tapestry Kneelers. Already we have offers to work over half of them which is marvellous.

If anyone else feels they could help by taking one we would be so grateful. They are very easy to do, and once started, the work becomes addictive.

If you can help, please contact Mary Neale E.B.20358.

WOMENS INSTITUTE

At the April meeting Chris Hughes of Radio Trent told us about the intricacies of programme planning and advertising on commercial local radio. How they try to judge audience appreciation, and how important it is to get it right. He answered a lot of questions, not only about radio but the media in general. I think everyone enjoyed it and found it interesting.

We also learned that East Bridgford W.I. had won the County Bursary of £100. This is to pay for one member to go to Denman College on a course of their choice.

The flower of the month was a beautiful white daffodil, a difficult decision as there were so many lovely spring flowers to choose from.

We do have some fascinating speakers and some lively meetings, so why not come and join us on the second Tuesday of the month. 7.30pm in the W.I. Hut.

EAST BRIDGFORD TENNIS CLUB

Congratulations to Justin Watkins and George Teare, two of the Club's younger members, who were two of only eight children selected to represent Nottinghamshire in the Regional County Short Tennis Tournament recently held in Nottingham. Although the competition was eventually won by Lincolnshire, the boys came away with the top two positions for Notts, and Justin is now on stand-by to demonstrate the game at Wimbledon in July. Well done lads!

ROYAL DATE FOR EAST BRIDGFORD GIRL

April 8, 1991 will always be a special date for six year old Joanne Dolby of Magdalen Drive. For that was the day she met the Princess Royal during her visit to Nottingham.

Joanne, whose father Brian works for GPT at Beeston, was chosen by the telecommunications firm to present a bouquet to the Princess when she visited the factory to open a new £6m engineering centre.

'It was very exciting. There were lots of important people there and when I gave the Princess the flowers she said 'Good Afternoon' to me!' she said.

'Then I met the Mayor and his wife and we had some nice things to eat'.

Joanne was thanked for her efforts by GPT Regional Director Bob Little, who also gave her a present on behalf of the company.

Thankyou

Ruth Curtis and family would like to thank relations and friends for their kindness and support, cards and letters of sympathy. Also donations for the City Hospital in the sad loss of Dennis, a very dear husband and father.

Special thanks to Canon Alan Haydock for his words of comfort and to all who attended such a moving service.

Thank you and God Bless you all.

Mrs Florence HALLAM and family, would like to thank friends and neighbours for the flowers, cards and kindness shown in their sad loss of Gilbert. Also a special thanks to the Rev Alan Haydock.

EAST BRIDGFORD VILLAGE HALL

The Hall Committee would like to thank all those who contributed so generously to the success of the Jumble Sale held on Saturday 13th April and especially to the band of willing helpers whose efforts raised £300 for the Roof Repair Fund.

The next fund-raising event will be an Exhibition of Antiques and Bygones by courtesy of the Trent Valley Agricultural Preservation Society to be held on Saturday 22nd June from 12 noon to 6.00pm. The Committee is grateful to Mr Fred Smith for having undertaken to organise this event.

CUBS CLOBBER KINOULTON IN CUP CLINCHER!!!

East Bridgford and Shelford Cubs' football team set up a tremendous finish to their season last month, when they reached the final of the South Notts area championship by beating Kinoultton 4-1 away from home. The East Bridgford team, who have lost only one match all season, had reached the semi-final following a thrilling 3-2 win against Cotgrave. They had lost a 2-0 lead before Mathew Docksey scored a brilliant winner with four minutes left.

In the semi-final, the half-time score was 0-0. But early in the second half Docksey again made the breakthrough, with a powerful shot. Top scorer Adam Short added a second and went on to complete his hat-trick.

Jamie Pearce, Andrew Mallows and Alistair Clarke all played well for the winning team.

"It was a great team performance and I hope as many people as possible will come and watch us in the final when it is arranged", said team manager David Short afterwards.

NEIGHBOURHOOD WATCH - EAST BRIDGFORD

I would thank area wardens for distributing the first 400 copies of the opening issue of Nottinghamshire Neighbourly News. The remaining 250 copies will be distributed as soon as they are received.

It was a pity that the copies were not available well before Crime Prevention Week 15th - 20th April as detailed on pages 6 & 7 of the News, for with earlier awareness we might have arranged some activity in the village.

Crime figures show a worrying rise in the number of burglaries and auto-crime. On the latter, P.C. John Newton wrote an article on preventative measures in the Feb issue of the village magazine and individually we can make burglary more difficult by following the advice contained in the 'Guide to Community Action Against Crime' distributed last year. Basically this means:-

- (a) Fitting security locks to outside doors
- (b) Fitting window locks
- (c) Locking garage doors
- (d) Not leaving tools and ladders around for burglars to use.

LSD - IMPREGNATED TRANSFERS

Further to the article in last month's Magazine, it has now been stated by the Department of Health and the Police that the information regarding LSD - impregnated transfers is now considered to be a hoax. Although LSD, which causes hallucinations, is often illicitly supplied by dealers in a form applied to the skin, no transfers of the kind used by children have been found to be involved. A similar hoax was perpetrated about 2 years ago. Information regarding current source has been circulated to Health Authorities, Local Authorities and Education Authorities should also receive notification. Although this incident is apparently without foundation, and as such is therefore deplorable, it does serve to remind us that no-one can be complacent about the dangers of drug and solvent abuse, especially in young people. There is no reason to assume that East Bridgford will automatically remain

free from such problems, although our attitudes, vigilance and support will help to reduce any risks.

EAST BRIDGFORD CRICKET CLUB

This year's A.G.M saw a complete change to the Committee of the Club. The change in Secretary saw the end of many years service from Ged Willis in this post. He had done the job for so long nobody could remember when he started.

In recognition of the debt E.B.C.C. owes to Ged, the Club held a special E.G.M which was part of presentation evening. At this meeting Ged and Marian were voted Life Members, and were presented with a Cricket print suitably engraved.

Other awards for bowling and batting were presented. In addition to winning trophies from East Bridgford, Ian Lodder and John Widdison had also won the Home Brewery 5th Division Bowling and Batting awards respectively.

The Colts awards were given to Daniel Blagg for most promising young player, Richard Miles the bowling award and Keith Lawrence the batting award.

A lot of work has been done on the wicket in preparation for the start of the season. The square has been made smaller and moved 16ft nearer to the pavilion, hopefully making it harder to hit sixes into the gardens.

The first game will be a triangular tournament between an U-20's XI 20-35 XI and the Over 35's. Other early fixtures are Sunday 28th April - Brockhillians and Saturday 5th May - Papplewick II.

200 CLUB Everyone likes to receive a letter from the Treasurer, particularly when it contains 'Good News'. Join us in our '200 Club' and have a chance to win cash prizes each week in the draw. For every 100 tickets sold there will be 22 prizes awarded in a 10

week period, with 2 top prizes of £50. Each ticket is £5 for a 10 week block. The next chance to join is May 2nd. Please contact P.Salter for more details.

We are keen to hear from anyone who wishes to play for East Bridgford. We can accommodate all standards of play.

On Saturdays we have two sides in the Home Brewery Notts Village League. To play, we need to register you. On Sundays we run a league side in the Newark Alliance where no registration is necessary. If you are interested, please contact any member of the Committee, or any of the Captains.

We also run an U -15's side for anyone in the 4th Senior School or younger. We will have coaching sessions on the field on Sunday mornings 10 - 12 from the beginning of May and we play evening games, 18 overs per side in the Colts League.

Anyone interested should contact I.Lodder or M.Porter. We are also looking for people who would be willing to stand as Umpires on Saturday or Sunday.

There is Cricket played on Butts Field during the weekends all Summer and several evenings during May, June and July.

East Bridgford Cricket Club will be pleased to welcome you either as a player, umpire or just watching. Hope to see you soon.

I went to see what the Friendship Club gets up to in the Village Hall every other Tuesday from 2pm until 4pm. I think the first thing I must do is to thank all you hardworking taxpayers, and hope that at least as far as OAPs attending the Friendship Club are concerned that part of their pension is money well spent.

For an annual membership of £3.00 some 63 members enjoy the provision of progressive whist, crib, dominoes and bingo. Prizes are awarded in each activity, and for a charge of 10p tea and biscuits are supplied, and a Raffle is drawn. Some members bring along items for sale, such as leeks and pickled cabbage, should anything take your fancy.

For good measure Peter Lawson, Mayor of Rushcliffe, called in to-day with Councillor Mrs Nina Tutin, who was able to put him right on where he was!. I'm sure everyone forgave him for referring to 'Radcliffe on Trent', especially as he apologised and admitted that his 343 engagements since his election last May did sometimes lead to confusion. After talking to the members at their tables and being introduced to Doris Hand, 91 in Budget week, he went on to call on Mrs G.Yarnold, now 97 years old, then returned to draw raffle prize winning tickets for Alice Widdison and Peter Rouse. Peter was calling Bingo at the time, having taken over from Lily Marshall at half-time.

Barbara Mallett and Maureen Cottee currently run the club, ably supported by John Wynn as Treasurer, and Barbara Crossland in the kitchen. Lillian Hall blows the whistle for the whist players!.

Previous organisers include Betty Russell, who started it, and Margaret Hobbs who took on the job and increased the membership from 29 to 75 over a 10 year period.

Three outings a year are arranged, using Wright's Coaches, in the Spring, Summer and Autumn. Money is raised by a Jumble Sale and a Coffee Morning. In addition to their own Christmas Party, they attend the OAPs party laid on by the Youth Club in the village school, where they are entertained while sitting down to afternoon tea, Sherry and Mince Pies.

Ten members are knitting for the Neonatal Unit at the City Hospital, and there is an unconfirmed report that Ethel Whyley is to stitch the W.I.Tapestry square, designed by Barbara Mallett. Which reminds me, I owe the club for tea. I wouldn't have won the raffle anyway, not with two Widdisons at least in the hall! Thank you all for a most enjoyable afternoon. Any mistakes in this report I will blame on Fred Smith who was so helpful with information - only some of which I have revealed - so far!.

ROVER

DEAR EDITOR

As a dog owner, I am as equally distressed by the state of the footpaths as the correspondents in your April Edition.

It must be acknowledged that many people, particularly the elderly, derive pleasure from a dog's company and a degree of security since the village has been beset by so much crime recently. It is to be hoped that a persecution campaign is not developing. The solution may lie in mutually agreed dog walking areas.

On the general topic of village tidiness, humans have little cause for complacency. Wherever I walk the quantity of discarded beer and mineral cans, sweet wrappings, cigarette packets etc, is disgraceful. Grass and hedge cuttings have been indiscriminately strewn along the footpaths and natural wild shrubs have been cut down. It is a sad reflection on contemporary society that our village won an award for tidiness.

I would suggest a rubbish removal campaign with participation by young and old. Such an event would be for the benefit of all and would be a change from the endless coffee mornings and jumble sales.

EAST BRIDGFORD MEN'S SOCIETY

Salutations, we open our Summer Programme on TUESDAY 21ST MAY with a visit to DRURY HILL CAVES.

Mr J K Barton, who talked to us on Anglo-Saxon burials last December, has kindly agreed to show us around the caves. He was intimately connected with work in these caves and is very knowledgeable on the subject.

Notification: As numbers will be limited to about 20 and the visit is likely to be popular, I will deal with it on a 1st come 1st served basis.

There will be a list in the Church, therefore, please add your name if you wish to come or contact me. Mr Barton has agreed to arrange a second evening visit if there is a very large response, so there will be a reserve list, to give me an indication.

Meet at East Bridgford Car Park at 7pm to travel to Nottingham to start at 7.45pm. In the event of it being easier to meet us in Nottingham, kindly inform me and I will let you know the meeting place.

Charge: is likely to be £1.50 to include entry fee, as usual all males will be very welcome.

FOOTPRINTS

One night I had a dream. I dreamed I was walking along the beach with God, and across the sky flashed scenes from my life. For each scene I noticed two sets of footprints in the sand, one belonged to me and the other to God.

When the last scene of my life flashed before us I looked back at the footprints in the sand. I noticed that at times along the path of life there was only one set of footprints.

I also noticed that it happened at the very lowest and saddest times of my life. This really bothered me and I questioned God about it.

'God, you said that once I decided to follow you, you would walk with me all the way, but I noticed that during the most troublesome times in my life there is only one set of footprints. I don't understand why in times when I needed you most, you would leave me'.

God replied, 'My precious, precious child, I love you and I would never, never leave you during your times of trials and suffering. When you see only one set of footprints it was then that I carried you.'

The Confirmation in our Deanery, this year, will take place in the Wiverton Group of parishes on TUESDAY 15TH OCTOBER, which means we shall be having groups to prepare candidates in September and October. One or two adults have already indicated their desire to be confirmed at this service. It may be that there are others wishing to join them. Young people over the age of twelve would also be welcome at separate preparation classes. It is important however, that I hear from them or from their parents before the end of June.

OUR CHOIR COURSE AT SOUTHWELL MINSTER

We started our three day course off with a house session instead of all trudging up to the Great Hall for roll call. As there were fewer people at the course this year, there were only 2 houses instead of the usual 3. We, Byrd that is(thats our house) were duty house on the first day which means we do twice as much work as Tallis (the other house).

After 1st house session we had a break so everyone pours into the Minster to look around, then it's back to house rooms for session 2. Then everyone charges upstairs for dinner then its off to the local sweet shop.

Back inside and house session No.3. After another hour of toil its robes on, then a rehearsal in the Minster followed by a quick break usually spent sliding down the bannisters in the Great Hall. Then we all line up for Service and as if one day wasn't enough, everyone comes back again the next day and does it again, and the next day. Its a very good course, but after three days you are glad its over.

EAST BRIDGFORD DRAMA GROUP

'BAREFOOT IN THE PARK' - A PLAY BY NEIL SIMON - 14-18TH MAY 1991

This 1960s American play settled down to a most enjoyable comedy, with an effective set in which the half-dozen cast moved the action along at a lively pace, and had each audience highly amused and well satisfied, even if one or two 'in' jokes from its American setting passed by us! Jean Dishington and David Darby were most convincing as the newly-weds Corrie(nee Banks) and Paul Bratter; Diane Wilkinson as mother-in-law Mrs Banks I found totally enthralling as usual. Nigel Lawrence as Victor Velasco returned after three years to chase 'Corrie' with enthusiasm, while Reg Bee and Ralph Lacey must have found some consolation for their efforts of stair-climbing in the appreciative welcome from the 'Full house' audiences. Our thanks to the Director Mike Geisow and his Production Group for a most entertaining evening, with spontaneous applause for the furnished set in Act II!

THE EASTER VESTRY AND ANNUAL PAROCHIAL MEETINGS

At these meetings, which were held at the end of April, Christine Jackson, Patrick Blandy and Dennis Pepper were elected as members of the Parochial Church Council and at the PCC, shortly after, Kim Levis was elected as Secretary to the Council in place of Cathie Cross.

Parish News

May I again draw everyone's attention to the Church Electoral Roll? Baptised members of the Church over the age of sixteen are welcome to join the Roll. It is important, however, that a form is completed and handed to Barbara Mallet, our Electoral Roll Officer, or to me. The forms are available at the back of the Church, where the official copy of the Roll hangs and can be inspected at any time. Do please check if in any doubt, as members of the Electoral Roll are required to vote on important issues from time to time.

WASTE PAPER COLLECTION

The next Waste Paper Collection will be on Friday June 7th and Saturday June 8th until 11.30am.

MR NELSON RHODES

Mr Nelson Rhodes celebrated his one hundredth birthday on 6 April at his home in Chesham Bois, near Amersham, Buckinghamshire. Born on 6 April 1891 at Dawley, Shropshire (now part of Telford), he served in the Army in the First World War, mainly at Salonika, where he seems to have been happier looking after horses and mules than men. He then did his teacher's training course at Isleworth, Middlesex, and obtained his first teaching post at Stourbridge, Worcestershire, where he was soon to find out that his headmaster was to become his father in law. Mr Rhodes arrived at East Bridgford in the spring of 1923 to take over the headmastership of St. Peter's School from Mr Goldstone, and remained there, happy in work and amongst all his colleagues, until his compulsory retirement at the age of sixty five in 1956. But on moving to Buckinghamshire, he was not so tired that he did not immediately obtain further employment. In fact he taught in two more schools (both private), and in all retired three times, for the third time at the age of eighty eight.

The celebrations for his centenary went off very well, with telemessages not only from the Queen but also from the Secretaries of State for Education and Social Services. There were nearly thirty beautiful cards, three huge bouquets of lovely flowers, and enough chocolates to last him the next three years, not to mention several bottles of wine. It was certainly the visit which he received the day before his birthday from Mr and Mrs Metcalfe from East Bridgford which gave him the greatest pleasure of all, for they brought with them an enormous card signed by over fifty former pupils, colleagues and friends in Nottinghamshire. Mr Rhodes can scarcely see now, but is otherwise in good health. It was most thoughtful of the people of East Bridgford to send him messages of good will on a tape. On his 'bumper' card he has been most pleased to be told that there appear the names of old friends such as Doris Hand, Enid Green, Jessie Shephard and others.

Former teaching colleagues Audrey Metcalfe and Rose Bly. Former pupils including Phyllis Priestley, Dorothy Kemp, Cecil Widdison, Reg Spendlow and many, many more, and he was glad to know that Mrs Chapman's name heads the long list. He is most grateful to them all, and not least to those who now live outside East Bridgford, such as Jean Smith and Madge Mason (Mrs Sheath, whose wedding Mr Rhodes vividly remembers). His son Dennis, was particularly pleased to see on the card the signature of Vera Boyce, for it was Vera who taught him to play the piano in the 1930s.

Mr & Mrs Rhodes and Dennis extend to all those who participated in celebrating his hundredth birthday, their most sincere and heartfelt thanks, their best wishes for the future, and the pious hope that all former ties of friendship and happiness will never be broken.

Thank you

Lillian DEAKIN's family would like to thank everyone for their kindness and sympathy following their recent loss. Thanks also for the excellent care and attention received from the Matron and staff of the Manor and from the Doctors and staff at the Medical Centre. Finally, thanks are due to Canon Alan Haydock for his solicitude during her illness and his comforting service.

Metty ISAACS and family would like to thank friends and relations for those kind words and letters of support during the sad loss of Horace, Husband, Father and best friend, whom we shall all miss very much. Special thanks to Drs and all at the Medical Centre, Beesons and Canon Alan Haydock. Also, all on Holloway Close for the basket of beautiful flowers.

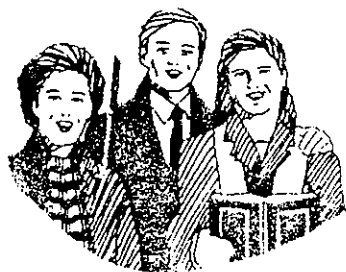

ST PETER'S SCHOOL 'NETS' OVER £400

More than £400 was raised at St. Peter's School last month from a Jumble Sale and other events held in the school and grounds.

The sale itself raised £327.58 for the school's computer fund, while a cake stall and collections at an international sporting event made £92.50 for the Guide Dog Appeal.

The sporting event, which had to be shrouded in secrecy to restrict the crowd attendance, was the 'comeback' of several mums into the netball arena. In a thrilling encounter the mums team, comprising Karen Barrett, Brenda Graham, Kate Cocker, Christine Dolby, Sue Woodcock, Laura Kluge and Pattie Clarke, fought out a 9-9 draw with the school team, despite some controversial refereeing by school coach Linda Oliver. The youngsters' team was made up of Michelle Barrett, Joanne Bateman, Emily Cocker, Lucie Woodcock, Ellen Thomas, Jackie Taylor and Rebecca Clarke.

Such a good time was had by all that the mums are now looking for further matches. Any challenges anyone?

THE MAGDALA ENSEMBLE

ST PETER'S CHURCH, SATURDAY 27TH APRIL 1991

Once again we are indebted to this cheerful group of singers under the direction of the Johnsons for a thrilling evening. The lack of space in this month's magazine prohibits a full report, but from the introductory 'O Furtuna' to the finale 'Victory Chorus' the full house at St. Peter's gave enthusiastic applause, with spontaneous outcries for Maddy Alty's solo 'Rosina Aria from Rossini's Barber of Seville, and Lehar's 'Love, What has given you this magic power?' from that joyful pair, Catherine Foster and Neil Allen. Heartful thanks to the thirty-strong Ensemble and their Conductor Michelle Johnson.

Youth News

Congratulations to the team - Brian Stein, Andrew Stein, Kate Stein and Sam Oliver.

P.P

FOUR LEGS, FOUR WHEELS AND A SMILE!

You can't help but notice the increase in the horse population in the village.

Being long term horse owners and riders in the village it is also noticeable to us that car owners do not slow down as often as they used to - but why? Being car drivers too, it becomes apparent why - we slow down, move over etc and what response do we get from most riders? - Nothing.

If the riders want the respect and consideration of the drivers they have to acknowledge and thank those drivers who do slow down and move over when passing horses. Many riders just don't acknowledge this and then wonder why traffic speeds by.

Perhaps the answer is that all riders using the roads should contemplate taking their Riding and Road Safety Test - car drivers have at least passed their tests. Also, if drivers could bear in mind, not many horses are bombproof, and even those that are, are still unpredictable, so for safety's sake, please slow down and give a little extra room when passing.

A little respect, acknowledgement and the occasional smile goes a long way towards creating better relationships between all road users. After all there are still far more cars than horses.

So come on horse riders, do your bit towards better road safety.

OWZ AT? NOT OUT!

The cricket season is here once again. It may not be generally known that East Bridgford Cricket Club is without doubt the oldest organisation in the Village after the established Church of St. Peter's.

On August 20th 1814 the Nottingham Journal recorded a cricket match between East Bridgford and Bingham.

The Village won both innings, with familiar old local names Foster: Curtis: Huskinson: Reddish: Bradwell: Wood and Whittaker in the eleven.

This was the year before Wellington's Redcoats beat Napoleon at the Battle of Waterloo, but it is surprising that at a time of the six day working week, the match was played on a Tuesday.

The club has no record of finances at this time, but in 1894 the subscription was 2/6 (12½p). A new Bat 16/6 (82½p) and a Ball 6/6 (32½p). The Groundsman cum Scorer was paid 9/6 (47½p) for the season and was cautioned "His work must be done better next year". In 1897 he was awarded 12/6. Inflation was not a factor at this time. A players subscription remained at 2/6 for twenty years until the outbreak of World War One in 1914. (Today it is £20).

The Annual General Meeting of 1897 empowered the Committee "To eject from the Ground anyone using oaths or abusive language". Thankfully not a problem today, but then perhaps an Umpire's questionable decision prompted remarks unacceptable to the Reverend A.A. Barker, Reverend E.P. Weatherall, Reverend H.G. Falmer and Headmaster Mr. Goldston, all club members at that time.

In 1899 reference was made to the Bridgford Feast Matches, but no indication of when it was begun. It was customary to play three home games on the Saturday and the following Monday and Tuesday. The latter was an all day match and coincided with the Horticultural (Flower) Show, and a sizeable fun fair. Unfortunately the outbreak of the Second World War and more residents having to find work in the City, curtailed the festivities, to the more modest programme of the present day.

The old white building now used as a store was built as a Pavilion in 1906, and was in use until 1954 when a larger wooden building replaced it in the N.E corner of Butts Field. That has now gone and Cricket today enjoys a superb joint use Pavilion to carry on a wonderful summer sport.

PLANNING APPLICATIONS AND R.B.C. DECISIONS

M1/91/0215/P Mr G Hinchley, Manor Farm, Kneeton Road. Redevelopment of land to form golf club house with living accommodation and car park, professional House and Range.

M1/91/0216/P Mr G Hinchley, Manor Farm, Kneeton Road. Use of land as golf course, change of use of agricultural dwelling to ancillary living accommodation.

Council objected to both these applications on the grounds that the increase of traffic which would be created cannot be encompassed in the present village structure. Also because of the loss of Grade 2 agricultural land and the threat to hedges and footpaths and finally, because of the proximity to existing houses.

M1/91/0230/P Mr & Mrs T Cockayne. Double Garage at Ash Close, Poultry Farm, Fosse Way. Council does not object.

M1/91/0369/P Mrs D M Millichamp - Two storey rear extension at Holly Cottage, 28 Main Street. The Council does not object.

M1/91/0230/P Mr M R Foster - Dwelling for agricultural occupation at Lammas Farm, Kneeton Road. Outline planning permission granted.

Good to forget - best to forgive!

EAST BRIDGFORD PARISH COUNCIL

Parish Councillors

As a result of the recent elections the following have been elected as Councillors for the next 4 years. Cllrs. D. Atkins, W. Barclay, S. Cumberland, Mrs N. Ella, D. Emblin, G. Lomax, D. Meylan, M. Porter, Mrs J. Reffin, Mrs E. Tutin and J. Wheeler.

Cllr S. Cumberland was re-elected as Chairman and Cllr Mrs N. Ella was elected as Vice-Chairman.

A46 Dualling

Three Councillors will be attending a meeting at County Hall on Monday 20th to express concern in regard to the proposed inability for vehicles to turn right out of the village at Butt Lane, together with the difficulty which will be caused to pedestrians wishing to cross to catch buses into Nottingham at that junction. The prohibition of vehicles wishing to turn right will mean that vehicles will have to use the exit onto the A6097 thus increasing still further the traffic already using this junction and will make the provision of a left-hand slip-road even more imperative. In spite of these difficulties, the Council fully endorses the need for the dualling of the A46.

TO ALL RESIDENTS.

From June onwards the 'Best Kept Village' competition begins. This is an on-going process throughout the next couple of months and with your help in keeping the village tidy, we look forward to our third year of this award.

About 70 starter homes are being built by R.B.C in conjunction with David Wilson (Builders) Ltd on Alford Road, West Bridgford. They will be aimed at first-time buyers and will consist of one or two bedrooms. It is estimated that the former will cost about £40,000 and the latter £50,000. They will be on a shared ownership basis. Anyone either living or working in the Rushcliffe area will be eligible. For further information telephone R.B.C Tel: 9-819911 Ext. 230.

RED LETTER DAYS

I noticed in the Calendar in my Study that certain days are marked in red, while the majority are in black print. It reminded me that we sometimes think of certain days as red-letter days, because, like those picked out on my calendar, there is something different or special about them.

Those that belong to our personal lives are the days on which for us there was an event ever to be remembered, our birthday, the day we got engaged or our first child was born, the day of our baptism or confirmation. Year in and year out as those days come round, we remember that they were red-letter days.

The founder of Methodism, of whom we shall be hearing much in the coming month, had a red letter day. It was 24TH MAY 1738, when in Aldersgate Street he accepted Jesus Christ as his Saviour.

St. Paul had such a day, too, when, on the road to Damascus, he gave his life unreservedly to Jesus.

And there's a multitude, which is quite beyond counting, in every age and in many lands, who also lay claim to a red letter day. For them it was the hinge of history, after which nothing was ever the same again.

Yet I don't suppose that any of them, as they began that new day, which subsequently became a red letter day, had any idea at all that it was going to happen. They probably thought 'Ah well, just another day' and then the great thing happened.

I never cease to wonder at the fact that God must like ordinary people, because he made so many of them. The story of his Church is by and large a story of his calling ordinary folk from their fishing boats, their tax office, the loom, the market, the hospital and a thousand and one other commonplace jobs. On a red letter day they respond and are used by him to shape history, to change the lives of many others, to bring his kingdom nearer.

So, when life seems humdrum and futile and meaningless, we should keep alive a spirit of expectancy, lest this day should be our red letter day. The day when we responded to God's call and our life took on a whole new meaning.

FAITH IN THE COUNTRYSIDE **(ARCHBISHOP'S COMMISSION ON RURAL AREAS)**

Earlier in the year the Diocesan Rural Officer held two study mornings on the ACORA Report, *Faith in the Countryside*. Five speakers commented on different aspects of the Report. This is a brief digest of one of those talks, prepared by the Notts Community Council Director Dr R Middleton and his Deputy Mr N Virgo, on the social context of Notts in relation to *Faith in the Countryside*.

Nottinghamshire — Population

- ★ 1,007,000 people live in Notts.
- ★ 253,000 people live in rural areas — 25% of the population.
- ★ 81,000 people live in villages of fewer than 2,000 people.
- ★ While rural areas are apparently affluent, 25% of rural households live in or on margins of poverty (1985 study by Brian McLaughlin).

Nottinghamshire — Rural Situation

Nottinghamshire has a major city, a clutch of main towns and the coalfield. Therefore the rural population can be divided into three categories: locally employed, mining communities and commuter based communities.

Two rural parts of Notts have been designated Rural Development Areas. This is because of their high unemployment, inadequate employment opportunities, a net outward migration, high elderly population and poor facilities.

Problems in Rural Areas

Rural isolation has always existed, but services they have had in the past are now dwindling, making life harder.

Shops/Post Offices

- ★ 8 P.O have closed in the last 3 years, compared to the previous 10 years when 3 were closed.
- ★ Poll tax means an owner now pays business rates on that proportion of the house which is a shop, as well the Community Charge for all adult members of the family.

Transport

- ★ 22% of households have no car.
- ★ 44% of households have one car, which is not available during the day.
- ★ Bus deregulation has led to polarization of services on major routes, and few services available for minor villages, or at evenings and weekends.
- ★ However, many villages have established voluntary car schemes (supported partly by the County Council).

Housing

- ★ Rural households have a large number of adults at home.
- ★ Cost of land has increased, as rural areas are attractive to people who wish to move to them to commute or retire. This can mean that 40% of the cost of social housing is land cost.
- ★ Sale of council houses has reduced supply and District Councils are no longer able to build the family accommodation needed.
- ★ Elderly living in large houses which are difficult to maintain, are not able to move into suitable housing in the village.
- ★ A resolution passed by Diocesan Synod led to a working party looking at using Glebe and other Church land for affordable rented housing. Several parishes have done Appraisals and Housing Surveys to assess local need. A list of these is available from the Rural Community Council (0636 815267), or from the SR Office (0602 585517).

Education

Notts County Council has a small schools policy. This helps safeguard small village schools which are 3x more expensive to run as larger ones. The loss of the village school is also the loss of a community meeting place, and an attraction for young families.

The Church's Role

The needs of the village community are immense, and so the Church plays an important role, not only in the spiritual sense, but also as a landowner and as a group of local residents with many skills and resources. It is also able to lobby for additional resources.

In the Southwell Diocese there are rural churches closely involved in running voluntary car schemes, luncheon clubs for the elderly, advice/information centres, producing parish newsletters, and other initiatives.

CHURCH WORKING PARTY

The next working party will take place 8.30am - 11.15am on SATURDAY 13TH JULY. Please come and help for an hour or so, equipped with shears, if possible.

OUR CHURCHES ARE GRATEFUL

1. For a gift of £200 towards altar cloths and other linen

3. For the recent gift of a silver cyborium to match the 1985 Chalice
4. To all who have assisted in arranging flowers during the period of Mrs Macdonald-Smith's illness.

Dear Head Co-ordinator

Due to the increase of 'door to door' salesman and 'suspicious' callers throughout the County, and their lack of any form of identity, I felt it necessary to bring the matter to the attention of Head Co-ordinators for possible use in 'Newsletters'.

Therefore please find enclosed a copy of a Pedlar's Certificate, which salesman should have in their possession if they are offering products for sale there and then. Care should also be taken with other salesman, who take orders and return at a later date with the said product, these people are not necessarily 'Pedlars' and some other identification should be shown.

Pedlar's Certificates are not transferable and one does not cover a van full of salesman, each has to be in possession of their own Certificate carrying the holders description.

With Summer and the longer evenings coming upon us shortly, which seems to attract door to door salesman, I hope the information is of use to you and your 'Neighbourhood Watch'.

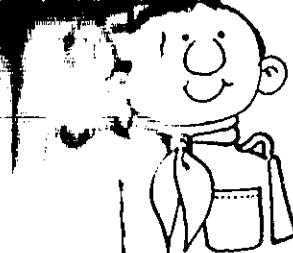

Yours faithfully

DADS BEATEN IN LAST MINUTE PENALTY DRAMA

A defiant bunch of veteran cubs - playing against today's East Bridgford and Shelford team - lost 7-6 to a controversial penalty in an epic match played at Butts Field last month.

The team comprised a motley crew of Dads who heroically came back from 6-3 down to level the match at 6-6. But just when a draw seemed certain, the otherwise immaculate referee Chris Dolby controversially gave a penalty to the cubs. Andrew Mallows' shot almost cleared the trees behind the goal, but the lack of crossbar allowed the referee to award the goal and with it a 7-6 cubs win!

After the match, parents and cubs watched a video of the cubs' cup final earlier in the season. Mathew Docksey was voted the player of the year and Adam Short received an award for being the top scorer. The management team of David Short and Richard Watkins were also presented with awards, as was seven year old Joanne Dolby, who attended all the games to write the match reports.

Tuesday: 8.30am - 6.00pm
Wednesday: 8.30am - 6.00pm

The Practice Receptionists will be happy to advise which times are designated to health checks.

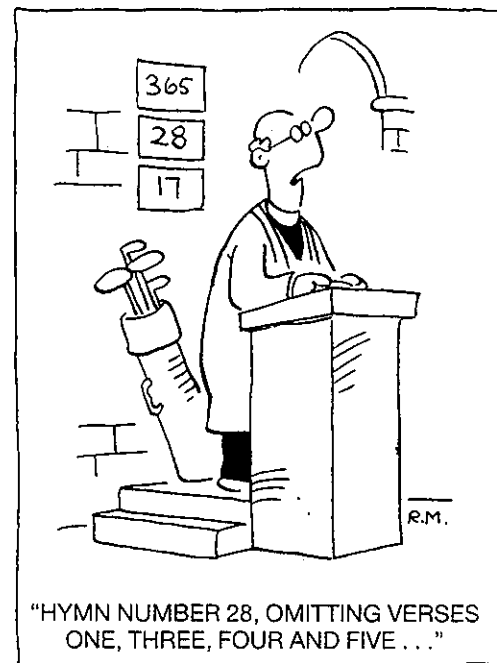

Thankyou

'DR AND MRS MAC' would like to say a very big thank you to those many friends who have sent messages with best wishes and hopes for better health to come.

Mrs Mac has been wonderfully supported by so many kind friends and neighbours who have rallied round to help when we needed them most and we are both sincerely grateful.

The weakling says 'I'm beaten',
But the fighter says, 'Not I'.
The shirker says, 'It can't be done',
The worker says 'I'll try'.
The laggard says he's weary and must drop out
of the race,
The plodder says, 'Keep going at a good and
steady pace'.
The pessimist, when clouds appear, predicts a
rainy day
The optimist declares he sees a gold streak
in the grey.
The grumbler says he's sick of life, work,
sleep, the dull routine,
The poet says, 'The stars still shine, birds
sing and grass is green.
The cynic says this crazy world is rushing to
it's doom,
The dreamer cries, 'I see the specks of glory
in the gloom'.
The doubter asks, 'Where now is God, no sign
do we perceive',
And someone at a cross is kneeling, saying 'I
believe'.

Planning Applications

M1/91/0508/P M.R.Foster - Agricultural dwelling at Lammas Farm, Kneeton Road. The Council did not object but asked for generous planting and landscaping. They also commented that the isolated chimneys would be visually obtrusive and that the proposed style of architecture fails to reflect the farmhouse character.

M1/91/0533/P P.Brobot Petroleum Ltd - Re-development of site as filling station with ancillary facilities, alterations to vehicular access at/on land south of Springdale Lane and west of the A46T. The Council did not object.

M1/0544//P Mr R Kaye - Demolition of existing dwelling and erection of dormer bungalow at Orchard House, 22a Main Street. The Council did not object.

M1/91/0191/P Mr L. J.Needham c/o G.Oglesby Ltd. 1 Hackers Close. Use of premises as office and sewing room at Unit 6 Hackers Close. Grant permission with usual conditions together with conditions in respect of plant or machinery and hours of use.

Roundabout on Playing Field

Over £1000 is being spent on bringing this piece of popular equipment up to a very high state of repair. Naturally, the Parish Council is more than anxious that it remains that way for the enjoyment of one and all. Unfortunately acts of vandalism in the past have been experienced and the Council asks for the co-operation of all villagers to try and ensure that no further money has to be spent on the roundabout for several years.

Holidays

Holiday Play Scheme at Bingham Leisure Centre
Arrangements are going ahead for children between the ages of 5 and 14 to be taken to Bingham Leisure Centre to enjoy the facilities that are being arranged for them. As usual this will be on Wednesdays, the dates being 24th July, 31st July, 7th August, 14th August and 21st August. The actual cost has not yet been finally decided upon, but I will put a notice on the Parish Council Notice Board as soon as I know.

As usual I am making a plea for helpers. They would need to be prepared to supervise the children throughout the day, this being from 10am until 4pm. The only difficult period is during the lunch break from 12 noon until 2pm. If sufficient help is not forthcoming it may be necessary to curtail the childrens' attendance to either the 2 hour morning or afternoon session.

The helpers are paid a remuneration! Please telephone me (Mrs Billyeald, R.O.T 332942) if you are interested in taking up this challenge, even if you are unable to do so for the whole 5 weeks involved.

PLAYBUS VISIT

The playbus will be visiting East Bridgford again this year, to organise and entertain youngsters on Tuesdays from 30th July to 20th August.

The bus will be set up on the playing field from 2pm to 4pm and the activities are suitable for 5-11 year olds (under 5's with an adult). Volunteer helpers (teenage/adult) will be needed too. If you would be able to help on one afternoon, please let me know.

THE RECTOR'S PAGE

FROM THE REGISTERS

There has been a good deal of sadness in the village over the past few weeks. Three very old friends, who were members of the Friendship Club, died within a few days and we heard, also, of the death of Miss Sylvia Render at Balderton. Many will remember her as Bishop Markham's housekeeper, whilst he was Rector here. Our heartfelt condolences go out to their relatives, together with others who have experienced the loss of loved ones.

It is not usual to include anything more than the names of parishioners from our Registers, in the Village Magazine, but each name represents sadness for those who are left, and a completion of a life on earth. When it is someone, who has reached old age and died peacefully, we feel that death is not out of place. But, if death comes to someone young, in tragic circumstances, the sense of loss is much greater. In a village such as this the whole community shares, to some extent, in the bereavement.

On the other hand, the entries in our Baptism and Marriage Registers indicate family occasions of joy, when we want to congratulate the people concerned.

When you read the names in the Magazine, even if you do not know the people, you can no doubt have some idea of the sadness or joy they represent. Please pray for people, who are bereaved and give thanks for the safe birth and baptism of children, and ask God's blessing on couples, who get married. We are all part of each other and able, like Jesus to weep with those who weep and rejoice with those who rejoice.

TREASURER TO THE PAROCHIAL CHURCH COUNCIL

Patrick Blandy has indicated that he will not be seeking re-election to this all important post in April 1992. He has served the Council in a most dedicated way for the past thirty years or so and countless people are grateful for his integrity, advice and financial wisdom.

We shall be seeking to elect Patrick's successor and would be grateful to receive applications as soon as possible. The job is a responsible one, but much of the work is now undertaken by Charles Cumberland, Lynne Black and Hilary Limington, who have assisted Patrick for a number of years. Please have a word with me, if you feel you can help in this way.

A.H

It is with regret that we said good-bye recently to Don and Naomi Stocker, who have served our Church and village community, quietly, but so faithfully over the past fifteen years. For much longer than that, of course, Don had served the diocese, and several parishes within it, as a member of the Church Assembly (forerunner of the General Synod) for nearly thirty years, member of the Diocesan Synod, Chairman of the Manery Synod, Lay Reader and Church Warden. Many years ago, Bishop Russell Barry tried to persuade Don to be ordained, but Don genuinely felt that he could be of more use to God and his Church as a Lay Man.

At St. Peter's and St. Helen's we have valued Don's ministry, not least at the early celebrations of Holy Communion and as officiant at Evensong. He gave a lot of thought to his sermon preparation and, unlike most clergy, never repeated a Sermon! I shall always be grateful for the full support he has given me since becoming Rector eleven years ago, frequent words of appreciation and encouragement, of advice, when sought, never of criticism.

We have valued, also, Naomi's witness in the village through her work within the Mother's Union and several organisations. Many past and present residents will be grateful for her healing skills, as a voluntary Physiotherapist with Felicity Jay in the Red Cross Hut. Her work there was appreciated so much by them and by our local doctors.

We would all want to wish Don and Naomi good health and every happiness in their new home near Stratford upon Avon.

FLYING THE FLAG AT ST. PETERS

Many a time I have stood to attention, eyes fixed forward thumbs down the seams whilst the regimental flag has been ceremoniously raised or lowered to celebrate some solemn event or other on the parade ground. Indeed, I was once an unwilling member of the flag party. Frightened me to death it did.

Our Regimental Sergeant Major (RSM) was incapable of feeling. Six feet two inches of granite in an immaculate uniform he was. Rigid as a tent pole and a disciplinarian of the first order. He knew what raising the flag was all about and woe betide the unfortunate subordinate that made a mess of the job. Receiving the flag, fixing the toggles top and bottom and hoisting at the correct speed to the strains of some slow march or other is difficult when you are trembling from head to foot for fear of 'jankers forever' if you got it wrong!

It does not happen like this for our flag raising on the tower of St. Peters, East Bridgford. The proud flag of St. George takes a very different route to the top of this flagpole.

Two gentlemen who, for the sake of this story I will call Bob and Steve, arrive after the morning service armed with a pair of rusty pliers, a well worn, bent screwdriver and a hammer that has seen better days. They climb to the roof of the tower via the stone spiral staircase clutching the flag of St. George and the flag flying tool kit. Exhausted after their tiring ascent they pause to survey the village from the lofty viewpoint. When recovered they set about the task in hand.

Well it seems that our two stalwarts don't put the flag up the pole... they lower the pole to the flag! Yes, they actually lower the flagpole.. nail the flag to the top and put it back up again. The direction of lowering is critical since the pole is not central on the tower. Lower it the wrong way and you could find yourself climbing up the outside to nail on the flag! The wind also plays an important part. I am told that what is a mere zephyr at ground level turns into a howling gale on top of the tower and re-erecting the flagpole, flag atop, in such conditions is akin to furling in the main-sail when rounding the 'Horn'!

It also seems that flying the flag has its other side too.

The flag was flown on Feast Sunday as you will recall. From the top of the tower you can see all sorts of things you can't see from the ground. Feast Sunday morning was the sort of morning you are glad to be alive, lovely sunshine, the birds singing.. wonderful. An intrepid pair could not but help notice a parishoner sat out in the privacy of his back garden on his lounge chair with a small beverage really enjoying his relaxation. Whether it was the sun or the pollen I know not but he quite suddenly sneezed violently. 'BLESS YOU' shouts one of our flag flyers in a booming voice from the tower top! Wonderful day though it was the parishoner could not come to terms with the probability that the Almighty had blessed him for sneezing although it must have seemed that way. A good sneeze will never be the same for him again. What my old RSM would have made of all this is beyond my imagination.

Keep smiling and think about my words next time you see the flag flying on the tower!

VOICE FROM THE VESTRY.

THE BOWLS CLUB

Tuesday July 2nd was President Day at the Bowls Club. The weather was very kind to us, the competition was fierce and the tea was delicious. Many thanks to the men for the excellent condition of the Green. It was a pleasure to bowl on it. The raffle raised £62 which goes towards the funds.

We have had several friendly matches in the afternoon which everyone has enjoyed. If these arrangements continue to be a success then an afternoon league will be formed.

The club competitions are going well. At times the inclement weather has created miserable conditions, but this has not dampened the spirit of rivalry.

Anyone who wishes to join the club will be most welcome. We can provide some woods if you can provide flat shoes.

EAST BRIDGFORD CRICKET CLUB

COLTS XI

The U-15's Colts have had a very successful season. We have played 11 games and won 10. The only blemish was against Grantham, bowling well after scoring 37, they needed all 18 overs before they won. We got revenge beating them to reach the League Cup Final, to be played at the end of August at Collingham C.C. Everyone has played very well. Sam Oliver the Captain has batted and bowled well. The backbone of the batting has been David Andrews. Other players, Mark Hallam, Nick Smith, Hamish Pearson and Duncan Brown have all helped to accumulate the required runs. The bowling has always been superior to the oppositions. Young James Brydon has proved a match winner, along with Andrew Stein, David Andrews, Nick Smith and Sam Oliver. They managed to get all 4 bowling points (7 wickets or more) in most league games.

My thanks to all those that played and to all those Dads and Mums who helped.

We play Grantham on July 8th. If we win we will reach the final of the League Cup.

SATURDAY 1st & 2nd XI's

We have had a mixed start to the season, managing to win approx. half the games played. The first team have managed 7 Merit points accumulated for taking 5 wickets or scoring 50.

Several of the younger players have performed well already this season, notable for the 1st XI, Richard Miles who took 5 wickets, and Scott Brownson. Daniel Blagg and Dale Howarth in the 2nd XI.

SUNDAY XI

The Sunday XI has found it hard again this season, but Skipper Peter Salter scored 98 in a convincing win against Lincoln Lindum.

We are still looking for players of all standards, and would welcome anybody who would like to Umpire Saturday or Sunday.

Please contact M.Porter 20104 or I.Lodder 21271

JULY '91 ROVER'S REPORT

THIS IS NOT AN ADVERTISEMENT!

Recently I received a wrathful comment 'Where's your piece for the Magazine then? It's all adverts' Fame at last.

This has been a busy month locally as we have tried to dry off after the wettest June in years. Among other events the President of the Bowls Club entertained 48 players, locals and neighbours, to a very enjoyable and sunny afternoon on the 2nd. The Methodists laid on a hectic round of events from the 4th to the 14th on Mission, including a monster supper of fish and chips, mushy peas, bread and butter, strawberries or trifle on the 13th. Afterwards we watched slides about their work in the Solomon Isles.

Feast Sunday on the 30th June was dry! and there was a good turn-out for the evening service. The R.B.L. paraded to commemorate 75 years since the War Memorial was built. Bishop Patrick preached, and the RBL was entertained right royally by the Blandy's in their garden, where long service certificates were awarded. Also rescued from the rain was the Annual Flower Show, organised by EB Horticultural Society, otherwise known as 'Cecil's Party'. Mr Wordsworth, Treasurer, disappeared on holiday immediately afterwards, no doubt by coincidence, so I can't give details, but a lot of fun, thanks to stilt man Ray King, the Display by pet owners on the prowess of their German Shepherd dogs. The Fire Hoop was abandoned after Prince carried it away on his back and was rescued by Mel. Fortunately they were both alright. I heard that Ray's dance in the evening was a great success. There were fewer entries than last year, and the June rain made the flower arrangement and vegetable entries difficult, but it was good to see so many young people (under 20,30,40 and 50 etc according to your own assessment) there as well as to witness the presentation to Mrs Margaret Chapman, retiring Assistant Secretary, after over 60 (sixty!) years service. Before W.I Margaret used to accompany her father in his coal dray to Bingham to fetch the instruments for the Band, they had to cycle over to play for the show! This year the Melton Mowbray Toy Soldiers Marching Band arrived in greater comfort, but they did us proud.

LOCAL CELEBRITY Bryan Dodsworth and his wife Jill kindly allowed me to invade their privacy in the lovely Old Rectory, to catch up on the news of Bryan and the Garden appearing on television in the Gardeners' World programme last month. Paddy Ashdown and his patch of the countryside also appeared. Many of you will know Mr Dodsworth as a past president of the Horticultural Society, and if the weather had been kind you may have enjoyed admiring the Irises he breeds and grows in this beautiful and fascinating garden, and for which he is a world leading authority. His wife Jill no longer loses him to John Player, of which he was Company Secretary and a President, but if a rare bird should be sited in Norfolk or anywhere else, his keen interest in bird-watching means he'll be away!

I missed the impressive storm of July 6th. Sadly SODA, David Sanders' horse, in the Reindeer Inn field, was a tragic victim, and John Coville of Old Hill Farm was lucky to have just left his covered yard when lightning struck. He carried on to the house where the electricity had failed, and it was not till later that he discovered a beast had been struck and killed in the same yard. I hope the Insurance Company doesn't still refer to such calamities as 'Acts of God'.

Are you too enjoying the local footpaths, looked after at no small cost to themselves by our farmers? My thanks to them all. How to get rid of one's 'Wild Oats' has taken on a whole new meaning! Sock-plucking? It was good to see a field of heavenly blue, the linseed in flower, making a contrast to the yellow acres of rape. I'm hoping to get plans of Main Street, as it is to-day and as it was 50 years ago, so polish up your memories.

WOMENS INSTITUTE

The Womens Institute had a lovely evening for the Garden Meeting in July., which was held at the home of June and David Peto, The Covert, Main Street. June told us a little about how they came to move to East Bridgford and the work they had put into the garden in the last two years. They are both very knowledgeable gardeners and really do have a very interesting garden. We all tried our hand at the competition to identify 35 plants.

Some of us did better than others!!

The Bring and Buy stall for the N.S.P.C.C raised £27 There will be no meeting in August, the next being September the 10th.

EAST BRIDGFORD SCOUTS SCOUT CHALLENGE

On a cold wet day in April a letter arrived through my door from the Scout Association about an event on the 30th June concerning a canoe challenge on the River Trent at Nottingham.

It was to try and beat the world record of Canoe rafting which means a line of Canoes side by side free floating and only held together by their hands. The letter went on to say that at present the entry in the Guinness Book of Records is for 376 canoes and this is held by the Peoples Youth Movement of Singapore on the 26th June 1990. So it was therefore a matter of National honour that the record should come back to Britain. At the time this letter arrived the 1st Shelford and East Bridgford Scout Troop had bought 5 canoes some weeks earlier because 13 scouts had shown interest in this sport and we had no canoes at that time. With the assistance of Jeff Oliver we took teams of canoeists for training so they could gain the British Canoe Union One Star award and the Scouts Elementary Canoeist badge. Later on at the beginning of June I asked the Scouts if they would like to take part in this world record and 11 Scouts out of 13 said yes, so I sent the form back to the Scout Association saying we would take part. The Scout Association were trying to get 400 canoeists so they invited not only Nottinghamshire, but Derbyshire, Lincolnshire and Leicestershire to try and get the required number. At this stage our troop was ready to have a go, but then a thought crossed my mind. It was East Bridgford Show on the 29th June and some of the canoeists were involved in running a stall and they would be canoeing most of Sunday and on Parade Sunday Evening. Would it be too much? Then my second thought came and I knew they would take it all in good spirit. Anyway Sunday arrived and the Scouts arrived at County Hall, Trent Bridge. On arrival we saw a multi coloured river of canoes. It was out of this world. The sun was shining and hundreds of excited youngsters milling about being busy. There were mums and dads, sisters, brothers, aunts and uncles and grandparents. Passers by were all caught up in the excitement, but the two things that I thought funny were about 9 fisherman on the banks busy trying to catch fish and believe it or not they did

catch fish and the other thing was that with the amount of canoes on the river it was difficult to get any other river craft through. Every now and again a rowing crew would try to navigate past. They tried to keep in time and failed, their poise had long gone, so in the end they were brought to a complete halt. At 10.30am things started to happen. The line of canoeists was growing. Nerves were being tested as the line broke time and time again. Could it, would it happen. Will they do it, again and again the line broke up, arms and hands were getting tired, backs aching, but they still tried, then there was silence for a brief second, then the silence was broken by a siren. This was it.

The line was complete, they now had to free float for 10 seconds without breaking up. This was the rule. It seemed a long time before the second siren sounded. 568 canoeists hung on for dear life. They had done it a staggering 192 canoeists above the world record. What an effort, then a loud cheer rang through the air from the canoeists and spectators. It was as loud as if Forest had won at Wembley. I bet the people of Singapore heard it. After the cheering stopped all of the canoeists set off down stream to Holme Pierrepont where refreshments and activities were laid on for their efforts.

For the scouts of our Troop who took part in it, Well done. We are all proud of you and from this Feast Sunday Service onwards, I will not only remember the heroes of latter wars, but also the spirit in which you took on this challenge. I hope you will say thank you to Jeff for supervising you while on the river. Thank you to the parents of those scouts taking part for their support on what I can only describe as a most memorable day.

ROMANIAN CHILDRENS AID

My grateful thanks to all those who stood with collecting boxes in the pouring rain on Saturday 15th June when the magnificent sum of £222.55 was collected. Further donations received enabled me to send a total of £235.73 to the Romanian Hospice Appeal.

Many thanks to all who supported the appeal.

OVER 400 YEARS SERVICE TO THE LEGION

On Feast Sunday evening villagers and visitors gathered in St. Peter's Church to commemorate the 70th Anniversary of the dedication of our Village War Memorial. Therefore, the Legion was 'On Parade' together with the Scouts and Cubs, as well as the Guides & Brownies. We were honoured by the presence of the Bishop of Southwell (Rt Revd Patrick Harris) who preached the sermon on 'greater love hath no man'. After the service there were refreshments at Cuttle Hill House and to which some special 20 'guests' had been invited. These 20 being the ones who together have given over 400 years service in collecting for the Poppy Appeal, and have so exemplified the Legion's motto- 'Service not Self'.

As was then reported by the PAO, last year's Poppy Collections raised some £12½ million, an all time Legion record, whilst East Bridgford and District, comprising the 9 villages from Flintham in the north sweeping down thru Car Colston and across to Shelford in the west, had raised our own record to £1,875. He said the success of any appeal, like any major land battle, rested finally on the calibre of its foot soldiers, the PBI (the poor bloody infantry). In the case of the Legion its PBI being 'footsloggers' who have to knock door to door in rain or shine, and for which he saluted them for their hard work and never failing help.

However, the Legion as a small, but not ungrateful, acknowledgement presents certificates and badges to record the years of service given by its collectors. After 10yrs a certificate.

After 15yrs a brooch for the ladies and a tie tack for the gentleman, and after 25yrs service a 'For Merit' badge. The 'Merit' badge being a new award only instituted last year.

Therefore, the privilege of presenting the 20 awards, on behalf of the Legion, fell to the Branch President, Dr. Stuart Fraser, who then presented, with his own personal congratulations:

'A PERFICK DAY'

A coachful of members from the friendship Club left the village on a bright sunny morning last Wednesday (July 10th) en route to Bridlington.

The trip was made possible by the tremendous success of their coffee morning held in the Village Hall last April.

All went their own way at the seaside, before meeting for a fish and chip tea prior to returning home. The sun was still shining at 8.30pm when they reached Bridgford - the end to a 'perfick' day.

All pensioners are welcome on alternate Tuesdays in the Village Hall 2 - 4pm.

KNEETON NEWS

We welcome as new neighbours Barbara and Dennis Pepper, having lived and worked in Gedling, both working for Gedling Borough Council for a number of years before their retirement.

We hope their stay with us here in Kneeton will be a long and happy one.

Good luck to Valery and Mick Buckberry in the move to their new home in Bingham. Mick has not left us completely as he still works here in the village.

BINGHAM LEISURE CENTRE HOLIDAY ACTIVITIES

In the absence of volunteers to provide the necessary supervision the Parish Council has reluctantly withdrawn from the scheme. This, of course, will not prevent any child from enjoying the various activities arranged by the Leisure Centre, but will necessitate parents being responsible for transporting their child/children to and from Bingham.

Thankyou

John WYNN and family would like to thank all friends, neighbours and organisations in the village who supported them on Joan's death. The thoughts and sympathy were very much appreciated. Special thanks to the Rector and Dr. Banks for their support during her illness, and the Rector's final service, which was a great comfort to them.

PLANNING APPLICATIONS

M1/91/0555/P Mrs E Newcombe - Erection of dwelling, construction of new vehicular access at 57, Kneeton Road. Council objects as no garage will be available to the present house (No 57) which would entail the owner to park on the road. The plan would reduce the site area of No.57 significantly, thereby down-grading that property. There would not be these objections if alternative access could be made from Dovecote Close.

M1/91/0608/P Mrs H Tomlinson, The Stables, Butt Lane, erection of stables and tack room; the Council strongly objects to the application on the same grounds as in December 1990, i.e the expansion of the stables into a business was the first step towards the establishment of such a business which recognises residential accommodation to be built in a green belt area. This further application endorses that opinion.

1ST EAST BRIDGFORD GUIDE CAMP

28TH MAY - 1ST JUNE

SILVER JUBILEE CAMP

Tuesday 28th May saw the Hunt's lorry collecting it's annual load of sleeping bags, tents, food and chairs. Off to 'sunny' Sheffield we hoped, and despite the fact that suncream was not required this year, a happy group of campers enjoyed the varied activities on offer at the Sheffield Guide Outdoor Centre.

The canoeing provided an afternoon of hilarity with one guide taking an early bath. Evenings flashed by being superbly entertained by cabaret acts, fancy dress and a chance to be Robin Hood.

Thursday saw us taking the bus to Sheffield city centre to be greeted by white gloved policemen and crowd lined streets. Unfortunately they weren't interested in us, but were awaiting the Queen. We chose not to wait for the royal car; instead we swam in the newly opened Student Games complex.

On the last evening the guides presented their guider Mrs Betty Cheetham with a basket of plants to show their appreciation of her taking them camping.

This was Betty's 25th major camp, quite an achievement. Many thanks to Betty and to Mr & Mrs Hunt.

DUALLING OF A.46

The letter printed below was sent by the Council on behalf of all residents in East Bridgford.

East Midlands Regional Office,
Cranbrook House,
" St.

01 July 1991

Department of Transport

Dear Sir

I am writing on behalf of East Bridgford Parish Council with regard to the proposed dualling of the A46 from Newark to Widmerpool.

Whilst the council welcomes this initiative and wholeheartedly supports the dualling of what is undoubtedly an extremely dangerous stretch of road, the preliminary proposals as presented do create serious traffic problems for the village of East Bridgford.

The left in/left out junction with the A46 will, in our opinion, create both an increase in traffic passing through the village and will also significantly exacerbate the already existing problem at the junction with the A6097 at Kirk Hill. This junction has already been highlighted on several previous occasions as being a serious problem, particularly at peak periods. The fact that Newton traffic will also have to use this junction when their exit onto the A46 is blocked off should also be borne in mind.

The dualling of the A46 presents a total barrier to walkers, cyclists, bus passengers, school children, local workers and horse riders wishing to cross to the other side and some consideration should be given to these.

We also feel that local traffic using the garden centre on the A46 will be forced to pass through the village, further worsening the existing problems on Main Street and Kirk Hill.

The section of the A46 which passes East Bridgford is of considerable archeological interest and we would hope that a proper and careful archeological survey be conducted prior to the commencement of work on the dualling.

East Bridgford is in the unenviable and unique position of being bordered by two of the areas busiest roads on which the traffic can do nothing but increase and also by the River Trent about which we can do nothing.

We trust that our comments will be taken into account when the next stage of the proposals are presented.

Yours faithfully

THE RECTOR'S PAGES

MRS IRENE MACDONALD-SMITH

After eleven or twelve years as co-ordinator of the Flower Rota, Mrs Mac has found it necessary to retire, following her recent operation and essential convalescence. We are so grateful to Mrs Mac for the hours of time, energy and skill she devoted to this important work. Over 150 wedding families have been glad of her advice and her relief of pressure and worry, and a similar number of baptism or bereaved families have found support and encouragement. Mrs Mac has undertaken the complete task of organising the flowers for the Church's major festivals, which, of course, has also involved clearing the building later the following week.

I am personally grateful to Mrs Mac for three things:

Firstly for the support and encouragement she has always given to me in my attempts to minister both within the Church and beyond it's walls.

Secondly, for the work and worry she has willingly shared or taken from me.

Thirdly, and most important, for the caring and sensitive way she has welcomed the many visitors, who call in Church, day by day, in times of joy or sorrow, expectation or anxiety.

Supported by Dr Mac, her's has been a wonderful service, for which we are deeply grateful.

MRS JEAN HUNT has very kindly agreed to take on much of the responsibility, and she will be assisted by a team of five or six others. We would be grateful for donations of flowers, perhaps in memory of loved ones or in celebration of a happy

event. If, on occasions, the donors were able to arrange the flowers, that would be helpful. In any event Mrs Hunt would be pleased to hear from you, or you may care to add your name to the Rota in the Church Porch. Mrs Hunt's telephone number is 20531.

DR JUDITH ANDERSON

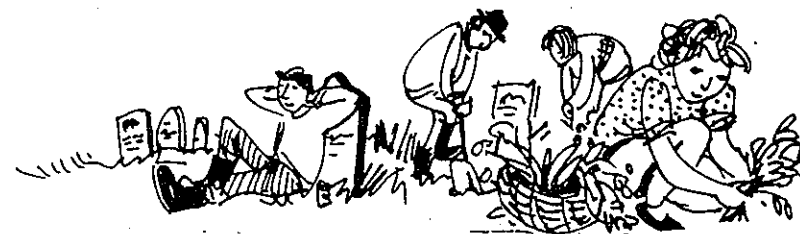

The Bishop of Southwell has recently granted permission for Dr Judith Anderson to administer the consecrated bread and wine to communicants at St. Peter's and St. Helen's at services of Holy Communion, in place of Don Stocker. Thank
You!

WE DO LOTS OF THINGS QUITE DIFFERENTLY IN THE EAST END OF LONDON!

I would like this to stand as a genuine belated THANK YOU to Father Haydock who on 23 June made that perilous, cramped, car journey down South to lay to rest my dear Grandmother.

Not only did he cope admirably with the 'language' but, more so, with the foreign Eastenders etiquette. (Funeral Directors are not all the same!)

The whole family were truly grateful. From the bottom of my heart - THANK YOU ALAN - "YOU PUT 'EM AWAY LOVELY"

*****Kml*****

Ivy SUGGITT would like to thank all friends and neighbours for their letters, cards and phone calls on the death of my mother, Mrs Yarnold. Particularly I wish to mention Nina and Bill Widdison who did so much on the night my mother died. They had been very good neighbours in the years she had lived here. Thanks also to the Rector, both for helping on that night and for the moving service later.

Sadly, I must add to this my condolences to Bill and his family on the death of Nina. She will be very much missed in the Village.

Thankyou

Wilf and Audrey METCALFE would like to say a big thank you for all the beautiful cards and flowers conveying messages of good wishes for continued health, and congratulations on the occasion of their Golden Wedding Anniversary. Sincere thanks to you all.

Shirley COX and family would like to thank friends and neighbours for their messages of sympathy, letters and cards received on the sudden loss of John. Your kindness has been overwhelming. Thanks to Marion, Pat and John for their help. Special thanks to Sue and Mick. You have been fantastic. To Canon Alan Haydock for the lovely service, and to all those who attended the funeral, we thank you all.

Bill WIDDISON, Janet and family would like to thank all family, friends and neighbours for the many telephone calls, cards, letters and offers of cars, and especially the Rector for the comfort and support they received in their sad loss and also for the lovely church service.

Many thanks to those who helped and those who supported the Jumble Sale. We made around £210.

KNEETON NEWS

Tribute was paid by Canon Alan Haydock to the work of Don and Naomi Stocker to St. Helen's over the years, when Don preached his last sermon on July 28th, only hours before leaving for their new home in Stratford at 7.30am next morning.

Don and Naomi will be much missed here for all their guidance, help and friendship they have given and for the gap they leave in our regular congregation.

We wish them every happiness at Stratford and hope they return regularly to visit us.

Following the service, they were presented with a painting of St. Helen's by Jon Nichols and were invited together with Alan, Joyce and the congregation, which included some of their friends from East Bridgford, for drinks at George Neale's house.

Congratulations go to Ann Robinson on gaining your 'A' Levels and obtaining a place at St. George's Hospital, Lincoln in the school of Radiography.

A warm welcome back to Kneeton for John and Caroline Orny.

"MEET METHODISM"

Those of you who "Met Methodism" last month will have appreciated the variety of the programme of events which demonstrated the various activities with which the Methodist Church is involved.

The prime objective of "Meet Methodism" was to the Church's witness in our village. The programme commenced with an Anniversary Service celebrating the building of the Chapel in 1854 (It is interesting to note that at the turn of the century the membership was about 50).

Highlights of the programme included the Men's Society Evening, when we enjoyed a history lesson from the Chairman of the Methodist Notts and Derbys District, who spoke on the subject of Early, Present and Future Methodism.

40 places were set for a Fish and Chip Supper, followed by a slide presentation of the Methodist Church project in the Solomon Islands. Not only were we well fed, but we raised £44-50 for Overseas Missions.

"John Wesley trotted on Brandy from Kneeton Road to the Chapel to greet the young people of the village. Suitably wigged and dressed in clothes of the period, Mr. Wesley received gifts from the Methodist Church, including £25 for Home Missions and £100 for the Youth Ministry Team, who organised a Youth Team Quiz, East Bridgford's Best against Vale of Belvoir Link. According to the number of balloons which remained intact, Bridgford's Best were declared the winners. A good time was had by all.

Despite the rain, an Evening Garden Party at John and Sybil Hunter's raised £116 for Methodist Homes for the Aged. Some four dozen Burgers and Hot Dogs were consumed, with a similar quantity of Strawberries and Cream.

The fortnight of events culminated with a special joint Family Service conducted by Rev. Canon Alan Haydock and friends from St. Peters, and an evening Songs of Praise with interviews was led by our Superintendent Minister, Rev. Graham Coleman.

Thanks are extended by the Stewards of our Church to all who contributed in any way towards making the event successful.

We bid farewell to Rev. Graham Coleman and his wife, Maud, who move to Swanage for their final five years of full time ministry. They take with them our love, affection and good wishes.

We welcome Rev. Maurice and Janet Stafford and their two daughters who join us from Crewe, and wish them a happy ministry in the Vale of Belvoir Methodist Circuit.

ROVER'S REPORT - AUGUST 1991

HARVEST TIME - As I walked through the fields, watching these monster Combine Harvesters, I recalled Farmer Richards's Reaper Binder. It cut a swath of 5 feet, and was 50 years old in 1936. It was hauled by two horses, some task on the hill-sides of Cornwall.

To-day the Combine Harvester, cutting and threshing, moves it's 13 ton laden weight at a good walking pace to clear 30 acres a day, using 50 gallons of diesel oil, to cut a 17ft swath. A 200 horse-power diesel engine does the work, harvesting wheat, barley, oats, oilseed rape, linseed, beans, peas, grasses and even lupins!

The driver controls everything from his glazed, air conditioned, heated sealed cab, computer screen - and boredom?

CRICKET - Congratulations to Bob White for being presented to the Queen at the Oval last month when he was umpire for the Nat West $\frac{1}{4}$ final between Surrey and Essex. The Queen opened the new Bedser and Barrington Stands and the new Indoor School. Many of you will remember Bob as an all-rounder for Middlesex and then Nottinghamshire during his playing career from 1958 - 1982. He is much in demand as one of the 25 members of the TCCB 1st Class Umpires list. We wish him all the best for the future, including Bournemouth Week and Brighton to follow.

NEO-NATAL UNIT - Congratulations are also due to all those who have contributed to the collection for the Neonatal Unit (Special Care Baby Unit) at the City Hospital. 5 years ago next November Alexander arrived after 28 weeks weighing 11b 2ozs. He is now a happy, healthy boy about to start at Primary School. Sister Dee Beresford came out to the 'Reindeer' last month to accept a 'Presentation' cheque for approximately £2,600, and will receive the actual cheque plus a posse of well-wishers from the Village at the Neonatal Unit. Events to promote the collection since 1986 included a sponsored head-shave (Nigel Smith), a sponsored walk of 13 miles to Ray's other pub -

The Warwick Arms, Farnsfield, Tony Beresford also ran to the Warwick Arms after he had run the 13 miles half-marathon at Keyworth, while Susie Dugdale (sadly missed) rode The Dickon the same route. Carol Robins baked a cake which raised £100 for the collection for guessing the weight. Girls washed cars for £1 a shot behind the pub, and there was a 50 mile sponsored cycle ride. I'm sure you will want to join me to offer our sincere thanks and contratulations to all concerned.

GARDEN COMPETITION - Many of you will have noticed a new item in your Flower Show Programme. The Garden Competition was introduced this year by the President, Mr Stuart Taylor. The judges, Mr & Mrs Tony Hill of Keyworth, Garden Designers and Consultants, decided that 1st prize of £30 should go to Mrs Helen Pearce, the 2nd prize of £20 to Debbie Hindle and the 3rd prize of £10 should go to Diane Ponton. these will be presented by the Judges on 12th October at the Supper.

The Pearces have lived in Church Cottage, Car Colston for 25 years and have a delightful small garden with trees and perennial plants to support Helen's passion, flower arranging. Debbie Hindle is on holiday at the time of going to press, so I haven't had a chance to see her garden in Teapot Row, but Diane Ponton showed me her garden at 2 Cherryholt Close, where over 500 species are planted, not surprising really, as Diane is a member of the Royal Horticultural Society. Husband 'Bill' (Foster) contributes his unbounded admiration. Truly a plantsman's garden, developed in just 6 years. I would like to add my personal thanks to all the 23 gardeners who entered, and to Stuart and Anne Taylor for a delightfully informal and almost Rule-free event. Let us hope that the new President will continue the Competition. Any suggestions for improvements for the future?

DOGS - I have hardly left myself room to say how much I enjoyed the German Shepherd dogs and their handlers on display at Newton on August 3rd. It is good to see that properly trained dogs and handlers can be such models of deportment and good behaviour in public! Thank you Ken, and all who contributed to a most impressive and enjoyable afternoon.

ROVER

APOLOGIES - To relatives and friends of Molly Ann Elizabeth Venus, whose name was misspelt at my instigation.

- To Bryan Dodsworth, for accidentally transposing his services from Raleigh to John Player

- To all who were upset by my mistaken '75' years instead of 70, the period since the dedication of the War Memorial. Sorry!

ST. PETER'S SCHOOL - STAFF CHANGES

This September we welcome to St. Peter's, Sarah Wolversley who is joining the staff from a school in Farnborough, Hants, where she has been teaching for two years. Sarah originally comes from Salisbury, attended Bristol Polytechnic for her teacher training course and will be living in the Carlton area when she moves to Nottingham.

Sarah's particular interests lie in Art and Craft and Music. We look forward to her joining us and hope that she will enjoy her time at East Bridgford.

Sarah replaces Debby Shelton who has left St. Peter's after eleven years. Four years ago, Debby undertook a year's exchange teaching in Australia - obviously 'down under' made a lasting impression and next month she and her husband Peter are emigrating. We wish them well and thank Debby for her contribution to St. Peter's.

At the end of this term we will also be saying good-bye to Richard Thomas who leaves to become Headmaster of Tollerton Primary School. Richard has also been at St. Peter's for eleven years and during that time has no doubt taught many children of parents who are reading this article. Richard's overall contribution to the School has been considerable in many areas and we are grateful for all his hard work. We wish him well in his new post.

1ST EAST BRIDGFORD GUIDE COMPANY

After 45 years as Leader of the 1st East Bridgford Guide Company, I feel the time has come for me to 'hang up my Guide hat' and hand over to someone younger. I don't think I could stand another winter of motoring to East Bridgford in fog, snow and icy roads!

The 'uniqueness' about our Company has been it's continuity. The girls have never known the upset of the leader leaving as others have, sometimes with the threat of closure - and they have always known they'd be going to camp again next year! (We have lost assistants, but happily someone has usually come along and stayed for years in many cases).

For the girls' sakes I would like to hand over to someone whilst I am still there to ensure continuity, so I will resign at Christmas.

Under the rules, my two Unit Helpers, Mrs Whitehead and Mrs Henthorn have to go with me, so we need THREE LADIES TO COME ALONG AND HOPEFULLY TAKE OVER. I will give as much help as I can, we have a Handbook and a Badge Book to work with and lots of new ideas can be picked up at trainings. Our District Commissioner, Mrs Agnes Clark, lives in East Bridgford, and would give every assistance to new leaders.

Guiding IS fun! for adults as well as girls. Please, please will you think about it - we start back on September 4th (we meet Wednesdays in the W.I.Hut East Bridgford 7.15pm to 8.45pm) and would give a warm welcome to anyone who would like to come along and see what we do and what it entails. We are a thriving Company with good numbers, and comfortably off financially.

I shall miss Guides of course. I joined when I was 9 as a Guide and have never left, so have been a member of the Company for 54 years. I have known some wonderful girls, many of whom, as they have grown up have remained my friends, and it has all been very worthwhile. We often reminisce about the funny things that happened at various camps!

I hope whoever takes on the Company will get as much enjoyment out of Guiding as I have, and I hope the hundreds of girls who have been through the Company during the past 45 years have gained something from their Guiding with us!

ROMANIAN ORPHANS AID AND RELIEF

Many thanks to all of you who supported us in our recent fundraising events. The Barn Dance held in the Village Hall on 19th July raised £226, and was obviously enjoyed by those who attended. The two Jumble Sales held for the appeal raised a further £452.

We would like to give special thanks to Bill and his late wife Nina Widdison and to Fred and Alice Smith for their help with all the events.

However, we would also like to thank all those who donated jumble and the army of helpers that not only gave up one Saturday, but also the following one to help our cause.

Thank you once again for your support.

Amanda & Peter Everington

PS The next trip for ROAR is scheduled for Friday 11th October 1991 and is to Brasov and will be run in conjunction with Charity Romania Play. All the money raised from the above events will be used to purchase essential medical and sanitary supplies. We will also be taking second hand play equipment and second hand clothing.

If you feel you would like any more information about the Charity or would like to help, please give us a call on E. Bridgford 20446.

The Bingham and District Choral Society meet again on Tuesday 10th September in the Concert Hall, Toothill School, under our Musical Director, Neville Ward and our major concert during the Autumn will be at St. Mary's Church, High Pavement, Nottingham on 23rd November when we will perform Handel's 'Israel in Egypt' with Ruddington and District Choral Society.

As always, new members will be most welcome. Whilst striving to maintain a high standard of performance, we hold no auditions, although sight reading is an advantage. Further details are available from the Membership Secretary, Joy Holbrook on Bingham 837743.

A WONDERFUL YEAR

Those of us who attain our three score years and ten are said thereafter to be living on borrowed time, but my seventy first year has been not so much borrowed as a bonus, a wonderful gift, by courtesy of the Queen's Medical Centre, through the skill of the surgeons. A year ago I had a brain tumour removed and so the wonder began. Flowers, cards and letters of encouragement flooded in to me, and to my husband came visits, phone calls, cakes and offers of other practical help, all very much appreciated. On my return home, such a welcome back to life by everyone I met, friends and those I didn't realise knew me, made me feel like royalty every time I ventured out. And so began the slow haul back to strength, with landmarks like the first walk to the Post Office, to the Butcher and to Church!

Remember the snow at the beginning of December which caught us all by surprise, not least the E.M.E.B who left this corner of the village without electricity for six and a half days? More kindness shown - a hot bath in a warm bathroom, our laundry washed, dried and ironed, evenings spent in a warm, light living room, watching television.

Then came my bonus Christmas, spent with a caring niece at Radcliffe, and the next day I found the first snowdrop in the garden, followed shortly by the crocuses and soon all the gardens were looking beautiful. By Easter I was strong enough to travel to Somerset to visit our youngest daughter and her family. Back home, it was not till the beginning of May that we heard our first cuckoo, but a few days later I watched the swifts circling high overhead and felt Summer was very near.

At the end of June we had our Golden Wedding, modestly celebrated, but oh so joyfully, by a little service in Church conducted by our Rector and attended by relatives and friends. The next day my niece gave a delightful alfresco lunch for those she called the 'golden oldies' and the following week-end we went to Buckinghamshire to our daughter Hilary for a rare get-together with our scattered three daughters and eight grandchildren. Fifty years is a long time to wait, but all this was indeed 'golden' compared to our austere war-time wedding.

What a wonderful year it has been! Thank you
N.H.S. Thank you East Bridgford. Thanks be to God.

THE MOTHER'S UNION

The sunny afternoons we had begun to expect for our Baptism Party, did not materialise this year. Nevertheless, we had a good afternoon in the W.I.Hut instead of the Rectory garden, taking tea with Mothers (and some Grandmas) and babies who had been baptized at St.Peter's Church during the past two years.

Our next meeting is being led by the Rev.Sue Cumming. It will consist of a talk and a video, the theme being a design for prayer.

Meetings are held in the W.I.Hut on the 3rd Wednesday of each month at 2pm. If you would care to join us you would be most welcome. Someone would call and bring you if you let either Marion Wheeler (20405) or Joyce Haydock (20218) or Maureen Cottee (20912) know.

A COFFEE MORNING WILL BE HELD ON SATURDAY 7TH SEPTEMBER AT 'TOWNEND' 46, Kneeton Road (the home of Mr & Mrs F Hunt) from 10am to 12 noon.
CAKE STALL, HANDICRAFT STALL, REFRESHMENTS, PLANT STALL AND PRODUCE STALL. All welcome.

Deep Treasure

To call someone a cabbage or a vegetable is an insult. But there is one such crop with which we can all be compared - namely an onion! Why? Not because we can make people cry, but because our real innermost selves are like layers of the onion, and always toughened on the outside. Our minds contain many layers of consciousness. As we get older we gradually and often painfully get behind these layers as we come to know ourselves, who we are and what we are. We have an inner journey to make. Christ once said "The kingdom of heaven is like a treasure hidden in a field which someone has found; he hides it again, goes off happy and sells all that he has in order to buy that field." There at the centre of our souls and minds is God, who is the "ground and granite of our being."

Everyone has a rich, complex inner life of thoughts, feelings, memories and desires. In this tapestry of our experiences it is easy to overlook the hidden treasure: if we have moments of intense happiness, maybe just sitting by a river, walking in the hills or relaxing with the family, these are experiences of holiness and heaven is around us. If our work brings the satisfaction of achievement and service to others, that too has a religious value. If we struggle through the pain and guilt of broken relationships and share our emptiness with others in the same need, yes God is there too.

Those who dismiss Christianity as being just a "religion" make a huge mistake. It is Life itself and a way of life. Unless we're cabbages we are all of us religious; we are "made in the image of God". Whatever it is that brings us into existence is God and our purpose on earth is to give and receive his love, to respond to life with a sense of wonder and thankfulness, to seek after truth and goodness and in reaching out for this life, for God, we find Him.

WOMENS INSTITUTE

The W.I re-assembled in September to hear Mrs M Hunt talk about Genealogy, which made us all think about our roots and whether we should delve further.

We were very proud to hear that our much loved 'HUT' had won the 'The Best Run Village Hall in Nottinghamshire' competition in the small hall class.

Awsorth won the larger hall class, and as the Judges could not decide which should be over-all winner, we were also joint over-all winners.

The Competition is run by the Nottinghamshire Rural Community Council and sponsored by the East Midland Electricity Board. Mrs Foss said how rewarding it was after all the fund-raising and hard work involved in getting the New Hut built and the continuing work involved in running it.

A very nice way to start the new season.

The next meeting will be Tuesday October 8th at 7.30pm.

St. Helen's Church Kneeton

It is not often that we have a busy weekend here at Kneeton. It started as early as Thursday morning when we began to decorate the Church in the beautiful colours of Autumn ready for the weekend celebrations ahead. Firstly, on Saturday the 14th, the Annual Sponsored Cycle Ride. We did rather well with over 20 names on the registration form plus 1 walker - he being Peter Astbury who has raised over £200 towards church funds. At 1pm we celebrated the marriage of Diane Buckberry to David Singleton-Smith. Diane is the daughter of Valerie and Mick Buckberry who recently moved to Bingham. Most of the flowers used in the decoration of the Church were produced by Mick's hard work in the gardens here.

On Sunday the 15th at 6pm we celebrated Harvest Festival. The Sermon preached by the Venerable Tom Walker, Archdeacon of Nottingham. At the service the Archdeacon dedicated the new kneelers so patiently worked by so many volunteers to the memory of C.G.Neale.

After the service, drinks were served at the home of Miss Ann Neale, followed by supper. Thank you Bridgford Bell Ringers. Your help and support is always appreciated.

EAST BRIDGFORD MEN'S SOCIETY

All Hail! On Tuesday October 15th at 8pm we have a unique opportunity to hear at first hand about one of the most daring escape plans of 'World War II'. Mr Greenaway, who was involved in it will talk to us entitled:-

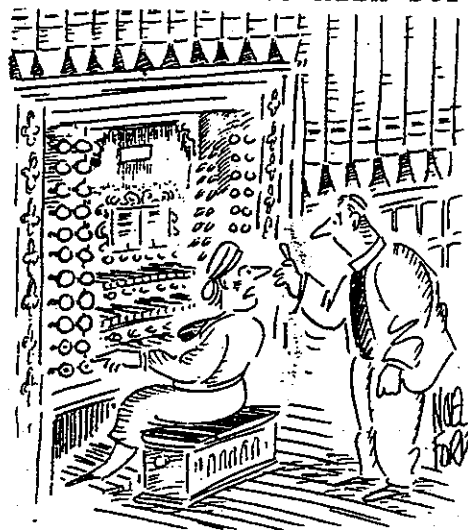

PRISONER OF WAR - STALAG LUFT 3

This Prisoner of War Camp is now famous for 'The Wooden Horse' which has been the subject of both book and film. I understand that Mr Greenaway will bring models with him, so this should be a most interesting evening.

As this talk should have a wide appeal, the Venue has been changed to the W.I.HUT. As usual all males are very welcome and this time a particular welcome is extended to members of the British Legion.

There is no subscription, but only an invited contribution of 50p towards expenses. The 1991/92 programme cards are now available, either at the Church or from myself.

HELP THE HOMELESS - 'COIN COLLECTION' CHRISTMAS 1991

With Christmas only 2 months away, now is one of the times to think of helping those less fortunate than ourselves.

For many varied reasons, Emmanuel House, Goosegate, Nottingham and the Nottingham Night Shelter, provide help to many people of all ages. Emmanuel House provides a Day Shelter where warmth and a good cheap meal are provided and greatly appreciated by those unfortunate enough to have nowhere else to go during the cold winter days. It is used by the homeless and some just unable to cope with living alone who were previously living in institutions. Companionship is found, help and advice given.

Could you spare a few of the coins which seem to always stick in the corner of your purse or trouser pockets, like the new 5p? Just pop them into a jar, old plastic bag or even a child's empty Smartie tube from now until Friday 20th December.

A team of ladies will be in the East Bridgford Car Park on Main Street from 9am until 12 noon on Friday 20th December, to receive and total your contributions. Anything you care to collect will be greatly appreciated. 1p, 2p, 5p, 10p, 50p, £1.

RUBBISH A word of thanks to our Local Authority Refuse Collection. A 'person' had dumped a black plastic bag full of garden rubbish in the recently cleared ditch up Green Lane off Kneeton Lane (Road). I reported it to 9-811143 Central Works, as instructed by Mr Wilson, bag man for the East Bridgford Unit, fearing that where one bag was dumped there would soon be a TIP! Next morning the offending deposit had gone. Note the number to call - Mr Roger Blackburn is your man - but they won't clear your back yard or garden!

LAW & ORDER Some of us live dangerously in East Bridgford, liable to be hit by golf balls struck illegally on Butt Close, or by missiles thrown over hedges, walls and fences into public roads, lane, footpaths, or even into your own garden. It is all the more a matter to be thankful that we have our own arm of the Law, PC John Newton, Rural Police Officer for this area.

Born in Yorkshire, John Newton joined the Police Force relatively late at age 24, after serving an apprenticeship in Engineering. He was stationed at Retford (his wife Ann's home town), Worksop, Barnsley for 10 years, and at one stage spent 3 years in a rural area with a motor-bike and 'Bleper' for company. Contact with the Station was by 'phone, TK as these calls were called.

It was good to hear that John enjoys good relations with the Parish Council, the Parochial Church Councils and the Primary School, as official bodies, and that he has been 'fairly well accepted' by the rest of us since he came here in February of 1981. He needs our support, even in a delightful village, and in case you think he's "come to rest", he is liable to be called out for accidents, strikes, football and cricket matches amongst other 'Disturbances of the Peace'. Good luck to him, say I.

BATTLE OF BRITAIN DAY September 15th. A hangar at RAF Newton was filled with Standards and a good crowd for the service, and most of you could hardly avoid the experience of watching the Red Arrows, even if you didn't attend the Open Day. Thanks to all contributors - and Ken!.

LUNCH CLUB OUTING Everybody thoroughly enjoyed the coach trip to Bourton-on-the-Water - except me. I forgot, being too busy collecting sponsors. I think I'm in line for the title "The man who was late for his own funeral". Sorry folks.

THURSFORD TRIP On Monday 2nd September Margaret Hobbs organised a coach trip through Norfolk to the Thursford Museum of traction engines (capable of hauling 50 ton loads with an 8 horse power engine) and steam organs, with young Robert Wolfe on the magnificent Wurlitzer Organ. We had coffee at the Bay Tree Nursery and Garden Center just beyond King's Lynn, a fantastic display of plants, trees, flowers, tropical fish and birds, and stores full of 'goodies' for sale. We went to Sandringham for lunch/snap in the grounds. Our driver John (Muggins) Allen had passed on Prince Charles' apologies for absence, but his 'flunky' Edward failed to turn up. I saw a letter box labelled E.R.V11. Apart from the sad sight of cabbages, cauliflowers and broccoli plants looking like so many spaniels' ears for lack of rain, it was a splendid day. Thank you Margaret, and all of you present.

I have another thank you, particularly to the entire 25 householders of Kneeton, and young James, as well as a number of friends (I hope still!) in East Bridgford and elsewhere, who sponsored me to the tune of £211 on the Historic Churches Sponsored Cycle/walk outing on Saturday 14th September. I walked from Kneeton to St.Peter's, the Methodist Chapel and back to St.Helen's. A total of 5½ miles. Thank you all - more than half have paid already - I'll be around!.

VILLAGE HALL

It was with the greatest regret that the Hall Committee learned of the passing of Nina Widdison who, with Bill, gave such sterling service to the Hall over many years. She will be greatly missed and the Committee is grateful to her family for having nominated the Village Hall as the recipient of donations in Nina's memory, totalling £800. The Jumble Sale in August realised a total of £280 and thanks are due to all those who gave so generously of their help and support. The next 'fund-raiser' will be a Village Dance on Saturday 19th October, organised by Mary Hall and friends. Admission, including Buffet Supper will be £4.50, but bring your own wine. Tickets will be available from the Post Office, Mary Hall (20424), Allen Binney(20248), Tony Ford (20932) or Jack Symons (20915).

Half of the proceeds of the next waste paper collection on 4/5th October will be donated to the Hall. The Committee is grateful to the Methodist Church and would appreciate as much help as possible 'on the day /s'.

At the time of writing these notes a total of £11,047 is available to fund repairs to the Hall roof. It is anticipated that at least a further £9,000 will be required and it is hoped that everyone in the Village will support the efforts being made to achieve this figure in the next twelve months. DON'T FORGET - IT'S YOUR VILLAGE HALL!!

THE RECTOR'S PAGES

THE POPPY APPEAL

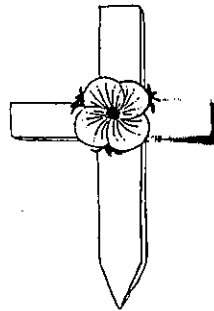

How It All Began The Flanders Poppy was first described as the Flower of Remembrance by Colonel John McCrae, who before the first World War was a well know Professor of Medicine at McGill University in Montreal. He had previously served as a gunner in the South African War. In the Great War he landed in France as a Medical Officer with the Canadian Army.

Flanders Field At the second battle of Ypres in 1915, when in charge of a small first-aid post and during a lull in the action, he wrote in pencil on a page torn from his despatch book the following verses:

In Flanders' fields the poppies blow
Between the crosses, row on row,
That mark our place: and in the sky
The larks, still singing bravely, fly
Scarcely heard amid the guns below,

We are the dead. Short days ago
We lived, fell down, now sunset glow,
Loved and were loved, and lie
In Flanders' fields.

Take up our quarrel with the foe:
To you from failing hands we throw
The Torch: be yours to hold it high.
If ye break faith with those who die
We shall not sleep though poppies grow
In Flanders' fields.

RUSHCLIFFE BOROUGH COUNCIL

Dear Friends

In May this year I was elected by the Members of Rushcliffe Borough Council to serve as Mayor during the Civic Year 1991/92.

During my year in office I should like to visit all the parishes within Rushcliffe and meet as many people as possible. If any group would like me to visit them, or have a special occasion when they should like me to join them, I would be delighted to do so, and arrangements may be made through my Secretary, Kay Smith on Nottingham 819911.

I would also welcome any support from groups or individuals to help me raise funds for my Charity Appeal. It is customary for the Mayor to support a charity and I have decided that any funds raised should go directly to helping LOCAL people and that with the proceeds collected, specific equipment should be purchased to help the two charities I have chosen to support, namely - 'Nottingham Society for Multiple Sclerosis' and 'Cardiac Equipment for the City Hospital.

I hope to hear from you.

My best wishes,
Yours sincerely
Reg Gardner

Mayor

1ST EAST BRIDGFORD GUIDES

In August I appealed for three ladies to come along and take over our Guide Company at Christmas, as I wished to retire after 45 years as it's leader.

SO FAR NO-ONE HAS!

Isn't there anyone who would consider taking on this very worth-while leisure-time activity? - perhaps a group of friends. 'I will if you will' sort of thing? Any age... 20's, 30's, 40's

This is not just any Guide Company. - it's our Guide Company with 70 continuous years and a proud history of achievements. IT JUST CAN'T CLOSE!!

We meet Wednesday evenings in the W.I. Hut 7.15pm to 8.45pm. If you would like to come along and meet us all, please feel free to do so, without any commitment. Please contact Mrs B Cheetham. (0602 333894)

THE CASE OF THE DISAPPEARING CHOIR

You may have wondered where the Choir disappeared to on the evening of Sept 22nd. Well, at 12.30 a bus left East Bridgford with 35 Choristers on board and headed for the Royal Concert Hall for an afternoon of rehearsals. We were to take part in the Rushcliffe Festival Gala Concert as part of the Massed Anglican Church Choir. Upon arrival, there was much confusion, as the changing rooms allocated to us had been changed. However, E.B. Choir invaded Room 17 and consequently all the other seven choirs went to Room 19. Well, we were a little noisy!

Once in our room we waited and waited. Nobody seemed to know what was happening. Eventually Hugh Pycroft (Concert Organiser) came. You couldn't avoid hearing him - what a voice! (Maybe we could get him to join our....?!). Once in our seats we were told not to move. We had several runs-through of 'Jesus Christ Superstar' and 2.45pm had a break. The children dashed to raid their sandwich boxes. A quarter of an hour later we were called back to our seats. We had to practise getting on and off the stage as we were too higgledy-piggledy. Hugh was eventually satisfied.

We rehearsed our anthems in darkness. The lighting men seemed to be having a whale of a time, but we couldn't see a thing. Bob Harriss, the conductor, was getting mad with us - (Please Sir, we can't see our music). Then it was my turn to conduct, for I had been asked to conduct the first anthem of the night: 'For the Beauty of the Earth' by John Rutter. The Choir seemed far away above me on the balcony, while I was below on the stage. Luckily all went according to plan.

At 7.30pm the concert started, before a 1,500 strong audience. Mr Colin Slater, from Radio Nottingham, compered, the choirs sang superbly, and everything went well. By 10.30pm East Bridgford Choir was heading for home, exhausted but jubilant. The hard work did seem worth-while - at least, I think it was.

EAST BRIDGFORD PLAYGROUP

The Playgroup will now be holding their fund-raising Jumble Sale on SATURDAY NOVEMBER 23RD at 2pm. Jumble can be sent to the Village Hall on the morning, or if collection or storage is required please ring E.B.20221 or E.B. 21225.

VILLAGE HALL

The Hall Committee is grateful to East Bridgford Horticultural Society for its very generous donation of £1,000 to the Roof Repair Fund which now stands at £13,500.

The Christmas Fair will take place on Saturday 7th December and it is hoped that this popular annual event featuring bargains for the Festive Season will see a further substantial contribution to much-needed funds.

Fundraising in 1992 will continue with a Jumble Sale to be held during January. Further details will be announced later.

TAKE A PAIR OF BEADY EYES

Did you know that in St. Peters we have a musical mouse! No, I didn't think you did, well it's true. We also have an organ that isn't mouse proof. Now I know some might argue that the sound that sometimes emanates from that wonderful instrument sounds more as if from feline origins but that is caused by technical problems not living furry ones.

I once saw a Tom and Jerry cartoon where Tom fantasised himself as a wonderful pianist and Jerry, the mouse, did a wonderful song and dance act on the grand piano top. Our mouse it seems, is not that talented but never the less caused quite a stir.

It all happened when our young lady organist, Miss Mills, opened the organ to play for the morning service recently to find the beady eyes of a mouse looking back at her from the keyboard. Well, young ladies and mice don't mix very well but, true to best tradition that the show must go on she said "shoo"! And the mouse 'shooed' down to the bass pedals...somewhere!

Now it's one thing having a mouse in, or on, the organ and knowing where it is, but it's another, and very different situation when the little rodent is down around your feet and you are 'captive at keyboard' as it were! Did she panic...no fear, true to her nature her little blue shoes kept flashing up and down the bass pedals regardless. The hymns may have been played slightly quicker than normal but that didn't bother the choir too much, she often makes us sing the Psalm at double speed anyway (at practise that is) to improve the diction she says!

Sufficient to say one or two of our less respectful choir members thought she should have played the Magnifi-cat to catch the...Oh no, I hear you groan...and I agree.

All I have to say is that I think we have the best MOUSE-ORGAN player in the district and that's a fact! By the way, we are pulling out all the stops to capture the little blighter, watch for the blue shoe with a mouse trap on the toe!! Keep smiling.

The whisper from the Vestry....

Thankyou

Shirley COX would like to thank all who sent donations in memory of John including the Royal British Legion and East Bridgford Cricket Club. The sum of £255 was sent to the East Bridgford Medical Centre Equipment Fund.

ROVER'S REPORT - NOVEMBER 1991

LAW & ORDER Our latest 'heroes' have managed to smash our 'Best Kept Village' sign, for which many of you worked so hard, and some of us were justly proud to have won it for two years running.

Obviously the culprits cannot be reached by any appeal, but surely someone knows something about it, someone is the unfortunate parent, relative or friend...? I think PC John Newton would like to know. Incidentally, with my famous flare for remembering correctly I managed to move Ann's home from Shireoaks near Worksop to Retford, and sent John back to Barnsley for ten years in the Force. As you will have guessed, he left Barnsley when he was 10 years old! My apologies once again, but I might add that, after a lifetime of experience, there are some compensations for being regarded as a complete idiot - try reading a history of the Roman Emperor Claudius, or if you've given up reading, there's probably a video cassette of the film 'I Claudius' about somewhere. 'Quem Jupiter vult perdere dementat prius' as James Dupont wrote in 1660, but some of us are survivors!

TRIPS No doubt there will be fuller reports from the organisers, and space prevents me from writing more, but I would like to express my appreciation for all of you who run so many events for the Village - the Parish outing for St. Peter's Choir, and others. Margaret Hobb's trip to Chesterfield Market, the Derbyshire Hills, Bakewell for tarts and tea and back in time not to miss the Horticultural socieity's Annual Harvest Supper in the Village Hall, much enjoyed by a full house, not least the slides from Candid Cameraman Bob Flower!

I want to support the comment heard in the local fount of wisdom, that Pensions should be called Income, after all, it is no Hand-out. We have earned it, several times over! Over to you, today's grafters who enable governments to pay us in spite of the fact that they have never invested our contributions!

Enjoy a safe November 5th - commemorating our national spirit at its best 'High Failure!'

W.I. NEWS

At the October Meeting we had a beautiful foretaste of Christmas. Mrs Lowe brought a variety of hand made Christmas Decorations, all, she said, within our capabilities (I'm not sure about mine!)

She also did a lovely Autumn arrangement with leaves, berries and fruit, which was then raffled, and won by Miss E Green.

It was a lively meeting, there were lots of invitations to try other activities, even wine tasting!

The W.I covers all tastes and opens the door to so many activities and possibilities. You can learn, and make new friends. Why not join us at the next meeting on Tuesday November 12th.

The Coffee Morning on October 15th to raise money for the screen depicting East Bridgford Village life in 1992 raised £175.54.

Molly Burnett

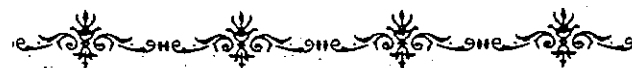

There will be a Coffee Morning held in the W.I. Hut on November 16th with an X-mas Theme. The time will be 10 - 12 noon.

Colon McCrae died of wounds in May 1918 and was interred in a beautiful cemetery on rising ground above Wimereux, from where the cliffs of Dover are easily visible on sunny days.

The Services on SUNDAY 10TH NOVEMBER will be at 8.00am, 9.00am at ST.PETER'S 6.00pm at St.Helen's, with the Act of Homage and Service of Remembrance at 10.50am.

May I take this opportunity of inviting everyone to join us at least one of these services, that together we may remember, and not break faith with those who have died for their country and for their friends.

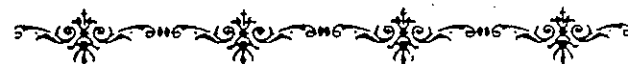

Alan Haydock

A PRAYER FOR PEACE

O Lord, remove fear, prejudice and hatred from the hearts of all people, as these are the things that make for war. Replace them with trust, understanding and compassion, which are the things which make for peace. We ask this in the name of the Prince of Peace, our friend and Saviour, Jesus Christ.

Amen

CHRISTMAS 1991

THE RECTOR'S PAGES

GOD CAME TO US

Christmas is coming once again. As you read this, many of you will be sending and receiving cards, buying gifts, preparing food. For nearly 2000 years, people have been celebrating the birth of a baby, born in a remote corner of the world, whose name was Jesus. Even our Calendar dates from that time.

We know from the Bible that the baby Jesus became a man, who loved, talked, taught, healed and wept as he lived in relationship with God. We believe that he was crucified, dead and buried, then rose again from the dead, leaving the Holy Spirit with us in a total symbol of new life.

As we prepare for Christmas, I believe that the Christ Child can be born anew in us. At this season, we are especially aware that for Mary and Joseph the way was not easy. Yet, through all that happened shone first Mary's and then Joseph's faith. They expected no favours, no special treatment - accepting that they were chosen by God for a purpose. It was through them that God chose to come to earth as Love, in the form of a baby in a stable. A love, which was to triumph over injustice, pride, hatred and fear in the person of Jesus. It is because of this

triumph of Love that we are promised that God will come to us too, if we are open to his coming. The way will not be easy, any more than it was for Mary and Joseph, but the rewards will be great.

As we come to know and love the Christ in our hearts, we begin to recognise the Christ in those we meet, in our family and neighbours, in our less favourite people as well as in our friends, so that we want to share the excitement and the hope of God's spirit working in us and around us. So at this Christmas-tide, let us look forward to celebrating the birth of Jesus, the Christ child, not just as a birthday remembrance, but as a living reality for us and in us. If we will say 'yes' to God, as did Mary, the spirit of God can be born in us on Christmas Day and every day.

Joyce and Sally join me in wishing you a Happy Christmas and blessings for the New Year.

Alan Haydock

Silent Night

The Carol we owe to a mouse . . .

I expect you have heard or sung that lovely carol " Silent Night ". It is now one of our favourite carols, but it was written almost by accident.

It was Christmas Eve in the year 1818. In the Austrian village of Oberndorf the snow lay thick, blocking the road, and cutting the village off from the rest of the world. The children didn't mind. They were excited waiting for Christmas. Fathers were gathering in great logs to keep the house warm. Mothers were busy making pies and cakes and wrapping presents. And in the church a hungry little mouse was busy eating his way into an old piece of leather he had found behind the organ.

Franz Gruber was the village organist. He went to the church to practise for the midnight service. But something was wrong. The organ would not play a note. Franz inspected the bellows, and he soon found the hole that the mouse had made. What could he do? The organ mender could not possibly get up from the valley until the snow melted and the roads were

cleared. What about the music for the Christmas Eve service?

Anxiously Franz went to find the Parish Priest—Father Joseph Mohr, to ask his advice. Father Mohr often amused himself by making up little poems and songs, and sometimes he played the tunes on his guitar. He had never played the guitar in church before, but he decided that they would sing one of his songs to a guitar accompaniment.

They chose "A Lullaby" and while Franz wrote the tune, Father Mohr collected some of the children to learn the words, and sing as a choir. It was a great rush to get it all finished in time.

At the midnight service the congregation was delighted with the new Christmas Lullaby, but very few of them knew why they were listening to a guitar instead of the organ!

After Christmas everyone forgot about the Lullaby, and that might have been the end of the story. But it just happened that when the organ mender at last managed to get to the village, and replaced the old leather bellows, he found the copy of the Lullaby music. As he tested the organ, he played the tune several times until he knew it quite well.

As the years passed, the organ mender forgot where he had first heard the tune, but he often played it, and soon it became well known in many of the little Austrian villages. In 1832, fourteen years after it was written, it was sung at the Christmas service again—this time at the Royal Chapel of Saxony, before the King and Queen.

Four brothers and sisters named Strasser had formed a singing group, and they travelled round Austria and Germany singing folk songs. They had heard Franz Gruber's "Lullaby" and they liked it so much that they often included it in their programme. They called it "The Song of Heaven" and they thought it was an old Tyrolean folk song. It was not until after the King had heard them sing in the Royal Chapel that they discovered the real composers. The

King had ordered his Choir Master to find out all he could about the lovely little song that had become so popular.

Today this carol is sung all over the world in many languages. It is a firm favourite. Next time you hear it, remember the hungry little mouse who ate the organ bellows, and so made the young priest and his organist write this beautiful song.

MAGAZINE STAFF

On behalf of the Parochial Church Council, the people of our villages and all our many readers, may I convey our very grateful thanks to our Magazine Staff: Val Walster, Liz Jones, Steve Carson, Hilda and Charles Cumberland and Peter Astbury, together with those who distribute the copies or take it to the Printer month by month. I would want them to know that their efforts have been appreciated greatly. So often they continue to receive criticism rather than applause, but without their efforts we would not receive a magazine, which in quality and content is second to none in this area of Nottinghamshire. Many, many thanks.

I am pleased to say that, for the third year running, we are able to retain the price of the magazine at £2.30 (£5 for postal subscribers) a year.

If you do not receive a copy regularly and would like to do so, please mention it to your distributor or ring Charles Cumberland on 20139.

THE 1992 PARISH FUNDING CAMPAIGN

In East Bridgford we hold a major Campaign, to provide for the Funding of our Village Church, every five years. Covenants and Pledges taken out in 1987 will shortly expire, so it is now time for us to assess the needs of St. Peter's for the next five years, when reviewing our own individual Regular Giving.

Because of the Regular Giving of many parishioners who took out new Covenants and Pledges in 1987, or in our interim Campaign in 1989, we have been able to pay our regular bills. With careful financial management our Village Church has remained open and we have carried out proper maintenance to the Church building and have kept the large Churchyard in good order. More than this, we have continued to expand our work with young people, especially through the Choir and Junior Choir and at the monthly family services, and to give support to outside Missions and Charities.

Our main concern at St. Peter's is with people - and it is because we have a full-time Rector that it is possible to visit Parishioners at home, in our Village School, within our many organisations or in neighbouring Nursing Homes and Hospitals. None of this would be possible without the Regular Giving of many Parishioners and for this valuable support the Church is most grateful.

Since 1987 however, our costs have all risen steadily and we have lost a number of our Regular Givers as they have moved away from the area. We must take action now if the work of St. Peter's is not to become limited by restricted finance.

To cover these costs for the next five years we are introducing a new Regular Giving Programme. All of us who value the presence of St. Peter's standing within the Churchyard on Kirk Hill, or who value the Church's work in the Village and beyond, must now consider its financial needs. We shall ask all those, who took out Covenants or Pledges in 1987, to review the value of their support, in the light of increasing costs, and we shall be asking a number of new families to join this Programme.

Cont...

The most important events in the Programme will be the Parish Information Suppers on Monday 27 and Tuesday 28 January in the Village Hall. Invitations will be delivered at the beginning of January, and I hope lots of people will want to come along.

These next few months will bring us a serious challenge - a challenge that I am confident will be met, through the proven generosity of those who value our Church and its essential work within the Village.

-o-o-o-o-o-o-o-o-o-o-o-o-o-

On 14th November, Emma Reed, Sally Rogers and Louisa Turrall were promoted from the Junior Choir to become full members of the Main Choir. Congratulations!

Also this month, Claire and Sarah Marks and William Clark joined the Junior Choir, and no less than 14 members of the Junior Choir received Royal School of Church Music medals during the family service. Congratulations to you too!

I should like to take this opportunity to thank all who took part in, or helped in any way to make the Young Choristers' Concert possible. One thing is certain, I am especially grateful for the help given by Mr. Thomas and the School, also to Radio Nottingham, Nottingham Evening Post and the Newark Advertiser for the publicity given.

May I wish you all a very Happy Christmas.

The Funeral of John (Jack) WILKINSON, late of (Masons Arms) East Bridgford. took place on Friday November 15th at Melton Mowbray Crematorium.

AMOROUS HIGH JINKS IN EAST BRIDGFORD

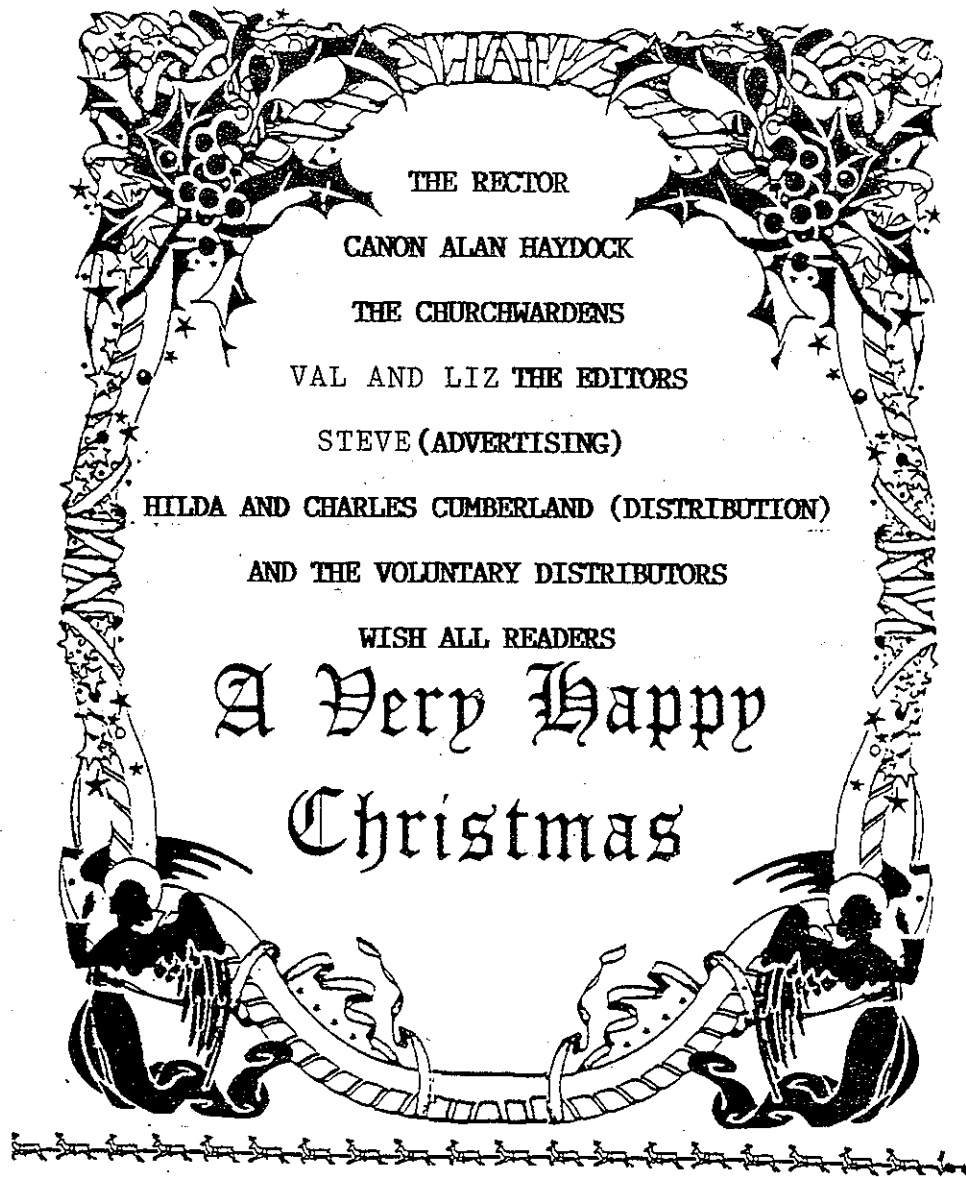

The more salacious members of the audience (nobody from East Bridgford surely) might have felt cheated when 'Two and Two make Sex' never quite did. This comedy, performed during November by our old friends of the East Bridgford Drama Group (EBDG) featured a middle aged housewife and a young bimbo who were both raring to go. Their male partners, however, were not quite up to it, Putting it bluntly, they were a right pair of wallies. As a result, Eros was swept away in a chaotic flood of confusion, recrimination, belated conscience and sheer farce.

During the first act the performance had to work hard to make the best of rather thin material. The second act was far more substantial and the play really took off, then, as amply demonstrated by the frequent laughter and spontaneous applause.

The fine efforts up front would have been impossible without splendid support from behind the scenes. Lighting, management, wardrobe, coffee in the interval, and all those other jobs are equally vital and all deserve mention. It is also said that this production was greatly helped by four good souls, who are not even members of the Drama Group. For this we say a special thank you.

Once again then, congratulations to the EBDG who achieve a record of full houses that most professional companies would envy. Nearly two hours of good live entertainment with coffee and biscuits included, for less than the cost of merely parking your car in Nottingham. It can't be bad can it? And finally, the EBDG is definitely not a closed shop, so if you are interested in amateur dramatics do make contact. It could be well worth while.

A Very Happy
Christmas

Copy Deadline:

BY MONDAY 13th. DECEMBER TO VAL
WALSTER, PLEASE.

Thank You...

Stella Wood wishes to thank all members of the village who supported the Save the Children sale of Christmas cards, paper and gifts held at the beginning of November. The magnificent sum of £440.50 was raised to help deprived children all over the world. A warm 'thank you' is extended to the Rector for allowing the sale after the Church Service.

Kenneth MACDONALD-SMITH, Felicity and Fiona are deeply touched and grateful for the very many kind messages of sympathy we have received in our sad bereavement. We are sorry that we cannot acknowledge them individually, and would ask you to accept in this way our warmest thanks for all the support and comfort they have brought.

Bill WIDDISON would like to thank everyone for their generous donations in memory of Nina. The total sum raised was £848.90

Keith & Mary DAWSON would like to thank Gary and Val, David and Karen for their help in our hour of need. Due to your efforts, a disaster turned out to be a minor crisis. Many thanks.

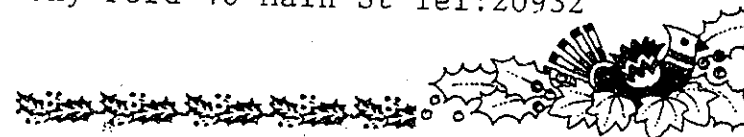

Jack BANNISTER, Son John, Kim and family would like to thank all those kind friends for their cards and letters of sympathy and condolences in their sad loss of Nell. Also a grateful thanks to the Rector for his heartfelt words at the service and to Dr. Scaffardi for his kindness during her illness and Professor Finch at the City Hospital.

EAST BRIDGFORD MEN'S SOCIETY

Seasonal salutations. For our next talk on TUESDAY DECEMBER 17TH, we turn our thoughts eastward with OVERLAND JOURNEY TO CHINA. This will be given by Mr John Brydon from Kneeton Road, East Bridgford, being a talk illustrated with slides of his actual journey. This promises to be an interesting and fascinating evening, so I trust there will be a good attendance despite the many Christmas activities.

The meeting will take place as usual at the COMMITTEE ROOM OF THE VILLAGE HALL AT 8PM. All males are very welcome, and there is no business nor subscription; only a small invited contribution.

THE CHURCH OF ENGLAND CHILDREN'S SOCIETY

Thank you to everyone who gave of their time to knit and also to their sponsors for the Children's Society 'Knit-In 1991'. £183.50 was collected, and the effort is much appreciated. The knitted strips have been taken to the Children's Society shop to be made up into blankets.

WOMENS INSTITUTE

The meeting in November was very nostalgic. It was 'The History of Goose Fair' by Mr Hoskins - a local Historian. He showed slides of the fair as far back as 1849 to the last fair in the Old Market Square.

Everyone was 'Oh look - Griffin & Spaldings, Lyons Corner House' and so on.

As well as looking at the actual fair, we also heard we ... that is the W.I. Hut, had won yet another award. This one is the Harry Johnson award from the Nottinghamshire Building Presentation Trust for the Best New Building in a village setting. What a pity the three loyal members we have recently lost were not here to know, namely Nina Wiaddison, Beatrice Mawby and last but by no means least Mrs MacDonald-Smith.

The next meeting is December 10th. 'Sheer Magic' Illusionists T & L Reason.

BONFIRE NIGHT

Once again the Boy Scouts and their Leaders have done a grand job of work in going round the village collecting for the Bonfire. Grateful thanks to Mr John Covill for kindly loaning his tractor and trailer for collecting rubbish, free of charge. Due to Sugar Beet Harvest, this was only possible for a few hours, and we are sorry if some were left behind.

The whole cost of this operation is funded by the Scouts and our appreciation goes to all those who so generously gave a donation. Enormous amounts are involved including the hire of a skip, fuel for the tractor, cleaning of the field afterwards etc.

If anyone who missed the boys on the day, and would like to make a donation, can do so by forwarding to 31, Croft Rise. Tel: 20533.

Thank you to Mr Ray Wright 'Reindeer Inn' for the loan of the field, Fred and Russell Hunt, Bob White, Ray Hallam and all who came on the night.

VOLUNTEER(S) REQUIRED

Mrs Jolley, Magdalen Drive, has for several years kept the rose-bed and shrub border on Straws Lane near the old peoples' flats in lovely condition. She is, unfortunately, having to give up this labour of love. Is there somebody who would be prepared to carry on the valuable work which has been so much appreciated by both the Parish Council and so many village residents. Please contact Cllr.Meylan on 20457 if you feel able to give up a little of your time for this purpose.
